A Lay Preacher's Guide Dec 22 2021 In *A Lay Preacher's Guide: How to Craft a Faithful Sermon*, Karoline M. Lewis provides lay preachers with an essential and accessible guide to the basics of Sunday morning preaching. Laypeople are increasingly called to serve congregations and are preaching regularly. But often they do not have immediate, reliable, or trusted access to homiletical instruction or support for their preaching. As a result, these church leaders--feeling called to ministry and to preach, and affirmed by denominational leaders to do so--are left on their own to figure out how to preach. Lay Preacher's Guide, Lewis gives this unique subset of preachers the foundations of biblical preaching, so they can preach faithfully in their unique contexts. She lays out in a concise and clear format the steps to preaching a faithful sermon, a process that can be immediately applied to weekly sermon preparation. This book is a go-to resource for lay preachers, providing a basic course for faithful preaching. You Need a Manifesto Dec 10 2020 An essential how-to for crafting a guiding motto that sets intentions, increases creativity, and helps accomplish your goals, from Stanford University's world-renowned Hasso Plattner Institute of Design, aka the d.school. We all need agency to feel the power and joy of acting in the face of challenge and opportunity. But we also need humility and restraint to ensure that we guard against hubris and harm. We need trusted and testable navigation tools to give us confidence in our creative power and cautiousness in

carrying out our work. Instead of looking for answers, what we are all seeking are tools for navigating the increasingly complex, noisy, conflicted culture that we inhabit. A personal manifesto is one of those tools. In *You Need a Manifesto*, Charlotte Burgess-Auburn, the d.school's director of community, first defines the challenges of information overload we all experience today. Then she explains the importance of creating a personal mantra or motto to use in the face of daily tasks and roadblocks, walking you through the steps of creating more purpose in your work. Explanations and hands-on design-based exercises are
