Dogs Don't Eat Jam and Other Things Big Kids Know Oct 09 2020 A big sister tells her new baby brother all of the things he'll learn to do by his first birthday, including walking, playing, and waving.

Dog Eat Dog (film Tie-In) Mar 14 2021 The tale of three unremorseful criminals with two felony convictions apiece and no more chances. Under California's 'Three Strikes' law, one more conviction - even for shoplifting - carries a mandatory life sentence with no prospect of remission. But a law intended to deter career criminals has the opposite effect on these three. Combined they have spent a lifetime behind bars and have no idea, or intention, of leading a straight life under rules set by a system they have never belonged to.

Mine! Aug 07 2020 A practical how-to guide on resource guarding - food bowl, object, bed, crate, owner, etc. - in dogs. Contents include: aggression basics, nature of resource guarding, kinds of resource guarding, behaviorist vs. medical models, recognizing guarding, prognosis, safety tools, treatment overview, management, desensitization and counterconditioning, resource sample hierarchies, generalization, troubleshooting, body handling desensitization, operant conditioning.

Why Dogs Eat Poop Jan 24 2022 A fun filled rhyme book about dogs and the love of eating poop. Great for all ages and parents alike. This may not solve the mystery but it makes it fun to try!

The Dog Cancer Survival Guide May 16 2021 If your dog has cancer, you need this book. No matter what you've heard, there are always steps you can take to help your dog fight (and even beat) cancer. This scientifically researched guide is your complete reference for practical, evidence-based strategies that can optimize the life quality and longevity for your dog. No matter what diagnosis or stage of cancer your dog has, this book is packed with precious advice that can help now.

Discover the Full Spectrum approach to dog cancer care: * Everything you need to know about conventional western veterinary treatments (surgery, chemotherapy and radiation) including how to reduce their side effects. * The most effective non-conventional options, including botanical nutraceuticals, supplements, nutrition, and mind-body medicine. * How to analyze the options and develop a specific plan for your own dog based on your dog's type of cancer, your dog's age, your financial and time budget, your personality, and many other personal factors. Imagine looking back at this time in your life, five years from now, and having not a single regret. You can help your dog fight cancer and you can honor your dog's life by living each moment to the fullest, starting now. This book can help you as it has helped thousands of other dog lovers. The Authors Dr. Demian Dressler, DVM practices in Hawaii and is internationally recognized as the dog cancer vet and blogs at DogCancerBlog.com. Dr. Susan Ettinger, DVM is a veterinary oncologist and a diplomate of the American College of Internal Medicine who practices in New York. Praise from Veterinarians, Authors & Book Reviewers The future is upon us and this ground-breaking book is a vital cornerstone. In dealing with cancer, our worst illness, this Survival Guide is educational, logical, expansive, embracing, honest and so needed. Dr. Marty Goldstein, DVM Holistic veterinarian and Host, Ask Martha Stewart's Vet on Sirius Radio The message of this book jumps off the written page and into the heart of every reader, and will become the at home bible for cancer care of dogs. The authors have given you a sensible and systematic approach that practicing veterinarians will cherish. I found the book inspiring and, clearly, it will become part of my daily approach to cancer therapy for my own patients. Dr. Robert B. Cohen, VMD Bay Street Animal Hospital, New York I wish that I had had The Dog Cancer Survival Guide when my dearly beloved Flat-coated Retriever, Odin, contracted cancer. It would have provided me alternative courses of action, as well as some well needed reality checks which were not available from conversations with my veterinarian. It should be on every dog owner's book shelf-just in case... Dr. Stanley Coren, PhD, FRSC author of many books, including Born to Bark A comprehensive guide that distills both alternative and allopathic cancer treatments in dogs...With the overwhelming amount of conflicting information about cancer prevention and treatment, this book provides a pet owner with an easy to follow approach to one of the most serious diseases in animals. Dr. Barbara Royal, DVM The Royal Treatment Veterinary Center, Oprah Winfrey's Chicago veterinarian Picking up The Dog Cancer Survival Guide is anything but a downer: it's an 'empowerer.' It will make you feel like the best medical advocate for your dog. It covers canine cancer topics to an unprecedented depth and breadth from emotional coping strategies to prevention-in plain English. Read this book, and you will understand cancer stages, treatment options, and types, and much more. If you have just had the dreaded news, pick up a copy and it will guide the decisions your dog trusts you to make. Laure-Anne Visele Dog behavior specialist and technical dog writer, CanisBonus.com

Juvenile Delinquent Dogs Jun 16 2021 You love your dog, and he does behave well some of the time. But at times your patience and sanity are put to the test! Your dog is not a bad dog, but he can behave like a juvenile delinquent at times. While we think of juvenile delinquents as adolescents or teenagers, juvenile delinquent dogs can be any age: puppies, adolescents, adults and sometimes even seniors. Whether your dog is an adolescent or just an adolescent at heart, this book is for you.

Nutrient Requirements of Dogs and Cats Oct 28 2019 Updating recommendations last made by the National Research Council in the mid-1980s, this report provides nutrient recommendations based on physical activity and stage in life, major factors that influence nutrient needs. It looks at how nutrients are metabolized in the bodies of dogs and cats, indications of nutrient deficiency, and diseases related to poor nutrition. The report provides a valuable resource for industry professionals formulating diets, scientists setting research agendas, government officials developing regulations for pet food labeling, and as a university textbook for dog and cat nutrition. It can also guide pet owners feeding decisions for their pets with information on specific nutrient needs, characteristics of different types of pet foods, and factors to consider when feeding cats and dogs.

Rez Dogs Eat Beans Jun 04 2020 ANTONIO is a guy who just tries to get around in the world. On the brink of death, Rosa a vampire takes pity on Antonio. Her gift to him is another life. Antonio is transformed by his true love for her: a vampire with a soul. Unrecognized by humans, unwanted by vampires he is mercilessly hunted by both in this tale of love, revenge and redemption.

Pet Food Politics Aug 26 2019 Marion Nestle, acclaimed author of Food Politics, now tells the gripping story of how, in early 2007, a few telephone calls about sick cats set off the largest recall of consumer products in U.S. history and an international crisis over the safety of imported goods ranging from food to toothpaste, tires, and toys. Nestle follows the trail of tainted pet food ingredients back to their source in China and along the supply chain to their introduction into feed for pigs, chickens, and fish in the United States, Canada, and other countries throughout the world. What begins as a problem "merely" for cats and dogs soon becomes an issue of tremendous concern to everyone. Nestle uncovers unexpected connections among the food supplies for pets, farm animals, and people and identifies glaring gaps in the global oversight of food safety.

Dog Eat Dog Jul 18 2021 CWA GOLD DAGGER WINNER THREE MEN - TWO CONVICTIONS - ONE LAST SCORE - NO MORE CHANCES Carved from a lifetime of experience that runs the gamut from incarceration to liberation. Dog Eat Dog is the story of three men fresh out of prison who now have the task of adapting to

civilian life. The California three strikes law looms over them, but what the hell, they're going to do it their way. Troy, an aloof mastermind, seeks an uncomplicated, clean life but cannot get away from his hatred for the system. Diesel is on the mob's payroll and interest in his suburban home and nagging wife is waning. The loose cannon of the trio, Mad Dog, is possessed by true demons within, that lead him from one explosive situation to the next. One last big hit, one more jackpot, and they'll be set for life. Troy constructs the perfect crime and they pull it off, but it is still not enough to prevent a denouement that has a grim and violent inevitability about it. 'The Angel Dust' of crime fiction - thrillingly violent and addictive' - Evening Standard 'The best armed robbery novel ever written' - James Ellroy
Wolves Eat Dogs Mar 26 2022 Masterfully crafted and told with extraordinary insight and imaginative breadth, the bestselling author of GORKY PARK brings us Renko's most beguiling and unusual adventure to date.

How to Get Your Dog to Eat Oct 21 2021 All dogs, large and small, need to eat proper, nutritious food. But what happens when your dog refuses to eat that food? It may happen once in a blue moon or once a day, but as a responsible dog owner you need to know what to do. This book provides all of the tools, tips and tricks you need to help man's best friend overcome any eating issues and become a happy, healthy dog.

My Dog: The Paradox Sep 27 2019 The newest collection of the popular web comic, The Oatmeal.

Dogs Eating Cats Eating Mice Nov 09 2020 This volume is simply the complications of my random mind whilst punching at the poetry section.

The Dogs Are Eating Them Now Nov 29 2019 For readers of War by Sebastian Junger, We Wish to Inform You That Tomorrow We Will Be Killed With Our Families by Philip Gourevitch, and The Forever War by Dexter Filkins, **The Dogs Are Eating Them Now** is a raw, uncensored account of the war in Afghanistan from a brilliant young reporter who for several years was the only Western journalist brave enough to live full-time in the dangerous southern region. **The Dogs Are Eating Them Now** is a highly personal narrative of Canada's war in Afghanistan and how it went dangerously wrong. Written by a respected and fearless former foreign correspondent who has won multiple awards for his journalism (including an Emmy for the video series "Talking with the Taliban"), this is a gripping account of modern warfare that takes you into back alleys, cockpits, and prisons—telling stories that would have endangered his life had he published this book while still working as a journalist. From the corruption of law enforcement agents and the tribal nature of the local power structure to the economics of the drug trade and the frequent blunders of foreign troops, this is the no-holds-barred story from a leading expert on the insurgency. Smith draws on his unmatched compassion and a rare ability to cut through the noise and see the broader truths to give us a bold and candid look at the Taliban's continued influence—and at the mistakes, catastrophes and ultimate failure of the West's best intentions

Feeding Dogs Dry Or Raw? The Science Behind The Debate Apr 02 2020

Why Dogs Eat Poop Aug 19 2021 Get ready to squirm! Did you know there are spiders that look just like bird poop? Cockroaches that can be directed by remote control? And snakes that fart to scare away predators? These are just a few of the bizarrely engrossing, disgusting, and squirm-inducing facts about animals you can use to entertain and gross-out friends and parents.

Eat, Play, Love (Your Dog) Apr 26 2022 Eat, Play, Love (Your Dog) is the book that every dog owner needs, to provide their dog with the healthiest and happiest life possible. Author Lara Shannon has drawn upon her many years of working (and playing!) with dogs as a certified dog trainer and pet food nutritionist, and through her TV show Pooches at Play. Her book is the essential go-to guide covering everything you need to know about caring for your dog from puppyhood until end of life. Divided into three handy chapters - Eat, Play and Love - Lara tackles all the important subjects, from ensuring your dog gets the right diet it needs to thrive, through to how to successfully address common dog behaviour issues. You'll also find some healthy D.I.Y dog food and treat recipes, brain games and activities to engage with your dog, advice for choosing the right dog for your lifestyle and guidance on overcoming common anxieties. Eat, Play, Love (Your Dog) will help you to understand why dogs do what they do, and give you the necessary advice to meet the mental and physical needs of your furry friend.

The Dogs Are Eating Them Now Jul 30 2022 The Dogs are Eating Them Now is a highly personal narrative of our war in Afghanistan and how it went dangerously wrong. Written by a respected and fearless former foreign correspondent who has won multiple awards for his journalism (including an Emmy for the video series "Talking with the Taliban") this is a gripping account of modern warfare that takes you into back alleys, cockpits, and prisons—telling stories that would have endangered his life had he published this book while still working as a journalist. Smith was not simply embedded with the military: he operated independently and at great personal risk to report from inside the war, and the heroes of his story are the translators, guides, and ordinary citizens who helped him find the truth. They revealed sad, absurd, touching stories that provide the key to understanding why the mission failed to deliver peace and democracy. From the corruption of law enforcement agents and the tribal nature of the local power structure to the economics of the drug trade and the frequent blunders of foreign troops, this is the no-holds-barred story from a leading expert on the insurgency.

Hot Diggity Dog Dec 11 2020 If we are what we eat, Americans are hot dogs. We ate them on the way to the moon and served them to the king of England. We name a Hot Dog Eating Champ! Garnished with hilarious illustrations and amazing "foodie" facts, this kid-friendly, globe-spanning history of our favorite fast-food meal offers unique insight into America's multicultural heritage. From a hobo's franks-and-beans to astronaut food, there's more to the wiener—and what's far dinner—than you think.

Dog Nutrition and Cookbook Jan 30 2020 When stepping into a grocery store or pet shop you are greeted with aisles and walls of different pet food options. All these bright colored packages of dry and wet foods creatively marketed to get your attention... unfortunately, most of these options are not necessarily the best and healthiest for your dog. Just as humans have switched from healthy, natural and traditional diets to processed and mass-produced foods, we have made the same choices on behalf of our dogs. We are feeding our dogs the same "fast food" day in and day out, and this limits their nutritional intake. Just as people need variety in their diet, so do dogs. After all, wouldn't you get tired of having spaghetti as your only meal for years on end? Luckily, there is a better way that is both simple and effective... a fresh dog diet (either store-bought or homemade). Instead of eating biologically inappropriate foods full of questionable meat sources and additives that can cause health problems, your pup can enjoy simple freshly cooked meals. You might be wondering... won't this homemade cooking take a long time? Or isn't this more expensive than buying a bag of food at my local store? This book will guide you through the entire process and you will find preparing healthy food for your dog is easier and less expensive than you think. Here's just a tiny bit of what you'll discover inside our 'Dog Nutrition & Cookbook': The problems with commercial pet foods (these facts will shock and surprise you). The 7 major nutrients dogs need in their diet. How much should your dog eat? Do you own a puppy or a senior dog? A large breed or a small guy or gal? They all have a different set of nutritional demands, and it's all covered inside. 25 foods dogs should steer clear of at all costs. More than 17 'PAWsitively' delicious meal recipes and 5 treat recipes that your dog will love and are guaranteed to spoil her/him with nutritional goodness. An easy to follow and prepare 2 week meal plan that will save you time and money. How to properly read a dog food label and understand what's really inside your dogs food. How to make mealtime positive and even more effective with simple training tips

Why Dogs Eat Poop, and Other Useless or Gross Information About the Animal Kingdom Dec 31 2019 A third installment in the delightfully disgusting miscellany series that began with the national bestseller, *Why You Shouldn't Eat Your Boogers and Other Useless or Gross Information About Your Body*. In the New York Times (extended list) bestseller *Why You Shouldn't Eat Your Boogers and Other Useless or Gross Information About Your Body*, Francesca Gould uncovered everything you'd want to know—and a few things you'd rather you didn't—about the human body. In *Why Fish Fart and Other Useless or Gross Information About the World*, she scoured planet Earth for a rich assortment of odd and/or unsavory facts. In *Why Dogs Eat Poop and Other Useless or Gross Information About the Animal Kingdom*, Francesca Gould and David Haviland explore a subject positively rife with gross miscellany: the animal kingdom. Indeed, animals do the darndest things and, in this vastly entertaining book, Gould and Haviland uncover a universe of strange, hilarious, and quite often disgusting animal habits, ailments, and practices, including: -Monkey-Faced Lamb disease; -farting snakes; -dino-chickens; -and a creature you've never heard of that eats with its eyes. *Why Dogs Eat Poop* is sure to delight any fan of the obscure and/or grotesque.

The Naturally Healthy Dog Feb 22 2022 Bailey provides natural remedies for pet lovers to ensure their pets health and longevity.

Wolves Eat Dogs Mar 02 2020 A Moscow detective is sent to Chernobyl for a frightening case in the most spectacular entry yet in Martin Cruz Smith's Arkady Renko series. In his groundbreaking Gorky Park, Martin Cruz Smith created an iconic detective of contemporary fiction. Quietly subversive, brilliantly analytical, and haunted by melancholy, Arkady Renko survived, barely, the journey from the Soviet Union to the New Russia, only to find his transformed nation just as obsessed with corruption and brutality as was the old Communist dictatorship. In *Wolves Eat Dogs*, Renko returns for his most enigmatic and baffling case yet: the death of one of Russia's new billionaires, which leads him to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure.

Handbook of Applied Dog Behavior and Training, Adaptation and Learning Feb 10 2021 Twenty-five years of study and experience went into the making of this one-of-a-kind reference. Veterinarians, animal scientists, dogowners, trainers, consultants, and counsellors will find this book a benchmark reference and handbook concerning positive, human management and control of dogs. Reflecting the author's extensive work with dogs, this book promises thorough explanations of topics, and proven behavioural strategies that have been designed, tested, and used by the author. More than 50 figures and tables illustrate this unique and significant contribution to dog behaviour, training, and learning.

Dog Eat Dog Apr 14 2021 Dog Eat Dog is a remarkable record of being young in a nation undergoing tremendous turmoil, and provides a glimpse into South Africa's pivotal kwaito (South African hip-hop) generation and life in Soweto. Set in 1994, just as South Africa is making its postapartheid transition, Dog Eat Dog captures the hopes—and crushing disappointments—that characterize such moments in a nation's history. Raucous and darkly humorous, Dog Eat Dog is narrated by Dingamazi Makhedama Njomane, a college student in South Africa who spends his days partying, skipping class, and picking up girls. But Dingz, as he is known to his friends, is living in charged times, and his discouraging college life plays out against the backdrop of South Africa's first democratic elections, the spread of AIDS, and financial difficulties that threaten to force him out of school.

Dog Eat Dog Jan 12 2021 Lawyer Andy Carpenter and his golden retriever, Tara, work to free a man who risked it all to help a dog in need. Lawyer Andy Carpenter and his wife, Laurie, enjoy walking their dogs, Tara and Sebastian. By this point in their marriage, it's routine. When out for one of their strolls, their simple ritual isn't so simple anymore. Across the street, a man is mistreating his dog. Three things happen at once: Andy yells, Laurie runs to stop the abuse, and so does a closer

passerby, who so thoroughly beats the owner that both are arrested when the cops arrive. Andy scoops up the dog and takes him to the Tara Foundation, the dog rescue organization that's always been his true passion. Meanwhile, at the police station, the passerby is identified as Matthew Jantzen, and he's wanted for murder. Andy and Laurie are struck by the fact that Jantzen, a man on the run, would nevertheless intervene to help a dog, and decide to find out more. *Dog Eat Dog*, the twenty-second installment in the Andy Carpenter series, features the charming cast of characters - old and new - that David Rosenfelt is known for and the dogs that accompany them.

Time to Eat the Dog? Nov 02 2022 The world and its resources are finite, yet we are seemingly locked into a system based on growth: growth of population, growth of income and growth of consumption. From this irrefutable starting point, *Time to Eat the Dog?* attempts to uncover what sustainability really means. Brenda and Robert Vale explore the environmental impact of the decisions we make, from what we eat and what we wear to how we travel and enjoy ourselves. Their book will make you see your life and your place in the world in a completely new light. Challenging the orthodoxies that underpin our entire economic system, this is one subversive read.

Why We Love Dogs, Eat Pigs, and Wear Cows Oct 01 2022 In this paperback edition is a foreword by activist and author John Robbins and a reader's group study guide. This ground-breaking work, voted one of the top ten books of 2010 by VegNews Magazine, offers an absorbing look at why and how humans can so wholeheartedly devote ourselves to certain animals and then allow others to suffer needlessly, especially those slaughtered for our consumption. Social psychologist Melanie Joy explores the many ways we numb ourselves and disconnect from our natural empathy for farmed animals. She coins the term "carnism" to describe the belief system that has conditioned us to eat certain animals and not others. In *Why We Love Dogs, Eat Pigs, and Wear Cows* Joy investigates factory farming, exposing how cruelly the animals are treated, the hazards that meatpacking workers face, and the environmental impact of raising 10 billion animals for food each year. Controversial and challenging, this book will change the way you think about food forever.

Dogs' Dinners Sep 19 2021 *Dogs' Dinners* features inexpensive and practical ways to feed your dog a nutritious, balanced diet - all from scratch! Debora promotes a method of natural feeding that fits easily into everyday life, as well as catering each diet specifically to your pets' own individual needs. Whether it's simply a few biscuits from time to time or the full from-scratch experience, it's a wonderful way to build up that very special bond between you and your dog. And who knows, you may even find some recipes that can be tweaked with extra seasonings, to make them as enjoyable for you as they are for your dog. Featuring over 50 delicious recipes, the book begins with a helpful Dogs' Larder section, outlining do's and don'ts, easy swaps and quick snacks. Following chapters cover Everyday Eating, One-Pot Dinners, Taking the Biscuits (treats and biscuits), Special Occasions (your dog's very own birthday cake and Christmas Dinner) and Feel Better Food. Getting started needn't be daunting - you probably have many of the ingredients you need to rustle up great meals for your dog in your cupboards, refrigerator and freezer already. Beautifully illustrated throughout by Cinzia Zenocchini, this is the perfect book for any culinary-inclined dog lover. *Bone appétit!*

Dear Reader Dec 23 2021 From the Sunday Times bestselling author of *The Last Act of Love*, Cathy Rentzenbrink's *Dear Reader* is the ultimate love letter to reading and to finding the comfort and joy in stories. 'Exquisite' - Marian Keyes, author of *Grown Ups* 'A warm, unpretentious manifesto for why books matter' - Sunday Express Growing up, Cathy Rentzenbrink was rarely seen without her nose in a book and read in secret long after lights out. When tragedy struck, it was books that kept her afloat. Eventually they lit the way to a new path, first as a bookseller and then as a writer. No matter what the future holds, reading will always help. A moving, funny and joyous exploration of how books can change the course of your life, packed with recommendations from one reader to another.

Dog Eat Dog May 04 2020 Competition at an elite Connecticut kennel club has a sharp and deadly bite in this "masterful" mystery (*The Plain Dealer*). As if raising her son Davey, training her rambunctious Poodle for the show ring, and grooming fellow handler Sam Driver for romance aren't enough, Melanie Travis's entrée into the exclusive Belle Haven Kennel Club has been met with a grisly murder. Unfortunately, the only witnesses to the crime were the victim's startled pair of Beagles. And they aren't talking... Melanie hadn't intended to do any serious snooping, what with coping with the unexpected arrival of an ex-husband out to get joint custody of the son he's never known. In need of some serious distraction, she's off to sniff out dangerous secrets...only to discover that everyone at Belle Haven has something damning to hide. As the shocking truth slowly comes to light—and her own domestic drama moves center stage—Melanie finds herself eager to put the bite on a dogged killer. "A story as controlled as a well-behaved dog on a lead."—*Publishers Weekly* "Don't make me sit up and beg. Read this book today."—*Dorothy Cannell*

The Forever War Sep 07 2020 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, *The Forever War* is not just about America's wars after 9/11, but about the nature of war itself.

Recipes to Ensure that Your Dog Eats Healthily Jun 28 2022 Loving your dogs goes beyond dressing them up and taking cute pictures of them to post on your social media pages. There is more to having a dog pet that is bigger than showing them off! Having a cute dog is a huge flex, no gainsaying. But having a well fed and healthy dog is the greatest flex of all! To have your dog looking robust, well fed and healthy, goes beyond just feeding it whatever you deem fit. You need to monitor what your dog is eating and drinking. And the best way to do this is by making sure that you are the one preparing what your dog gets to eat and drink. Quite a lot of you might worry about how stressful it might be to cook for a dog especially when you are a busy person. Written with the same compassion and conviction, the fourth edition of *Natural Health for Dogs & Cats* will help you give your beloved animals the healthiest, happiest life.

Paleo Dog Nov 21 2021 For health-conscious pet owners, a natural, holistic guide to getting every canine back to his best, most primal state From the tiniest teacup poodle to the most massive Great Dane, dogs' digestive systems are pure wolf. Fido's ancestors enjoyed a diet that was 45-50 percent protein, 40-50 percent fat, and less than 10 percent carbohydrates. Walk down the pet food aisle, however, and you'll find that typical commercial kibble is made mainly of starchy ingredients like peas, potatoes, corn, wheat, rice, and oats—nothing a prehistoric pup would dream of eating. This "healthy" mix is proving anything but: About 85 percent of dogs eat commercial dog food, and at least half of them are overweight or obese, with cancer killing 42 percent of all dogs and half of dogs over the age of 10. So how do you feed a wolf disguised as a pug? *Paleo Dog* guides readers through an assessment of their dogs' diet and helps them find the right balance of healthy ingredients. In addition to recipes and nutrition info, the book offers advice on what treats are safe, training tips, minimizing veterinary care, the benefits of exercise and massage, and how to ensure dogs are receiving the love and attention they need. *Paleo Dog* is the ultimate manual for any pet owner who wants to give her pet the longest and best quality of life.
