The Summer Series Boxed Set 1-3 Sep 02 2022 Contains THREE full length Summer Series Novels. (New Adult) **THE BOYS OF SUMMER** After first shift disasters, rude wealthy tourists, and a taunting ex boyfriend, Tess is convinced nothing good can come from working her summer away. However, Tess finds unlikely allies in a group of locals dubbed 'The Onslow Boys', who are old enough to drive cars, drink beer, and not worry about curfews. Tess's summer of working expands her world with a series of first times with new friends, forbidden love, and heartbreaking chaos. All with the one boy she has never been able to forget. It will be a summer she will always remember. **AN ENDLESS SUMMER** With the new threat of putting the Onslow up for sale, Amy reluctantly turns to a local tradesman for help: Sean Murphy, the very same Onslow boy who saved her life all those years ago. With his help and that of some old friends, the task is clear: spend the summer building the hotel back up to its former glory or lose it for good. In an endless summer, Amy soon realises that sometimes in order to save your future, you have to face your past, even if it's in the form of a smug, gorgeous Onslow boy. **THAT ONE SUMMER** Now the countdown begins to reach the others at Point Shank before the party is over and the new year has begun. Alone in a car with only the infuriating Chris Henderson, Tammy can't help but feel this is a disastrous start to what could have been a great adventure. But when the awkward road trip takes an unexpected turn, Tammy soon discovers that the way her traitorous heart feels about Chris is the biggest disaster of all. Fogged up windows, moonlight swimming, bad karaoke and unearthed secrets; after this one summer nothing will ever be the same again. Warning: sexual references, and occasional coarse language.

Nancy Parker's Diary of Detection Oct 30 2019 On this day 24th June 1920 I turned fourteen. I plan to have a very exciting future now that I have thrown off the SHACKLES of SCHOOL! A detective is what I would most like to be. I cannot think of any reason why I could not be one. Except perhaps I am too young. And I don't like blood. Nancy Parker has recently been engaged in her first position - as a housemaid for the very modern Mrs Bryce. It's not Nancy's dream job (she'd rather be investigating crimes like they do in her beloved six-penny thrillers) but as Mrs Bryce starts to entertain her new neighbours with lavish parties, it becomes clear that something strange and interesting might be afoot. Local burglaries, a cook with a deep, dark secret - and Mrs Bryce's own glamorous but murky past. Will Nancy solve the mysteries while still keeping on top of her chores? A hilarious and energetic middle-grade mystery, narrated part in the third person and part through Nancy's journal.

The First Men in the Moon (Illustrated Edition) May 30 2022 The First Men in the Moon is a scientific story by H. G. Wells, published in hardcover in 1901. The novel tells the story of two protagonists: a businessman narrator, Mr. Bedford, and an eccentric scientist, Mr. Cavor, who undertake a journey to the Moon. Upon reaching the Moon, Bedford and Cavor discover that the Moon is inhabited by a sophisticated extraterrestrial civilization of insect-like creatures they call "Selenites." They get into a range of exciting adventures ending in establishing radio contact between the Earth and the Moon. This story is fascinating as it describes a spacecraft and a feeling of weightlessness long before the actual construction of the first spaceship and experiencing the absence of gravity in the open space. Also, H.G. Wells mentions the radio experiences of Nicolas Tesla and other scientists, which become personages of this story. It is a renowned classic of science fiction worth attention.

Marble Magic Dec 01 2019 As the flashlight gleamed in the darkness, something caught Jenny's eye. She knelt on the floor against one of the bookshelves, feeling in the darkness for the glass marble. Then Charlie pulled a rather thick book with gold binding from a shelf, and that's when it happened. Sid, Veronica, Charlie, and Jenny thought they were spending the summer with their aunt Essie, but the powerful magic of a mysterious marble sends them on a mystical and perilous journey back in time. On the unknown land of Orvonna they meet a talking bird named Whizz, who tells them of the dangerous quest of his master, Lord Nicholas Carrington, to rescue his true love from Captain Scarface—the most evil of pirates. Marble Magic takes readers into a world where animals talk, pirates sail the seven seas, and anyone can be a hero. Can the children help Lord Carrington fight pirates and rescue his love? Will they ever return home again? Only the magic marble knows.

Edie's Summer of New Beginnings Oct 03 2022 Can Edie rediscover her artistic mojo and become a "Watercolour Wonder"? Edie Brinkley went from rising star on the London art scene to hiding out at her gran's cottage in the little village of Padcock after a series of unfortunate circumstances leave her almost too panicky to pick up a paintbrush. When celebrity artist Ninian Chambers rocks up in the village to film Watercolour Wonders, a new TV art competition, Edie is horrified - especially as he played no small part in her decision to leave London. But, with the support of the Padcock community, and one very special fellow contestant, could Ninian's show ultimately offer a fresh start for Edie and her art career? Or will Annabel the sixties' style stealer, along with make-up artist Tallulah and her 'Caravan of Hell', sabotage her summer of new beginnings? Part of the Padcock Village series but can be read as a standalone story.
