The Reckoning Mar 13 2021 'I couldn't help thinking of Harper Lee's great American novel To Kill a Mockingbird while reading The Reckoning . . . [Grisham] knows how to spin a yarn' - Chicago Sun-Times 'May be his greatest work yet' - David Grann, New York Times bestselling author of Killers of the Flower Moon? Pete Banning was Clanton's favourite son, a returning war hero, the patriarch of a prominent family; a farmer, father, and a faithful member of the Methodist Church. Then one cool October morning in 1946, he rose early, drove into town, walked into the Church, and calmly shot and killed the Reverend Dexter Bell. As if the murder wasn't shocking enough, it was even more baffling that Pete's only statement about it - to the sheriff, to his defense attorney, to the judge, to his family and friends, and to the people of Clanton - was 'I have nothing to say'. What turned Pete from a pillar of the community into cold-hearted killer? And why won't he confide in anyone? All his closest family knows is that it must have been something devastating - and that the fallout will haunt them, and the town, for decades to come . . . Further praise for The Reckoning 'Beautifully constructed . . . weaves a truly magical spell' - Daily Mail 'In this saga of love and war, John Grisham has given us a sprawling and engrossing story about a southern family, a global conflict, and the kinds of secrets that can shape all of us. From the courtrooms and jails of rural Mississippi to the war-torn Pacific, Grisham spins a tale that is at once entertaining and illuminating' - Jon Meacham, New York Times bestselling author of The Soul of America 'John Grisham is the master of legal fiction, and his latest starts with a literal bang - and then travels backward through the horrors of war to explore what makes a hero, what makes a villain, and how thin the line between the two might be' - Jodi Picoult, internationally bestselling author of A Spark of Light and Small Great Things 'When a master of storytelling and suspense takes on one of the most wrenching stories in history, the result is a book that will break your heart, set your blood pumping and your mind racing, and leave you gasping for breath by the final page. I'm still trying to recover from The Reckoning' - Candice Millard, New York Times bestselling author of The River of Doubt and Destiny of the Republic 350+ million copies, 45 languages, 9 blockbuster films: NO ONE WRITES DRAMA LIKE JOHN GRISHAM Theodore Boone: The Accomplice Sep 18 2021 Theodore Boone is back on the case in an all-new adventure! When his friend, Mr Chen, is murdered, Athan must rescue the flying machine they were building together and stop it falling into the wrong hands. But keeping the machine safe puts his family in terrible danger. What will Athan choose - flight or family? From the acclaimed author of Murder In Midwinter, Fleur Hitchcock's The Boy Who Flew is a thrilling, murderous tale set among the steep rooftops and slippery characters of Athan's intricately imagined world. Perfect for fans of Philip Pullman, Peter Bunzl and Emma Carroll. "It's a spirited suspenseful adventure yarn, and its breathless action scenes and multicultural characters present a very un-Austen-like vision of Bath." - James Lovegrove, The Financial Times "Hitchcock's readers expect a white-knuckle ride, and her latest novel set in 19th-century Bath and filled with Gothic skylines and dastardly villains will not disappoint [and] readers...will be swept along by the cliffhanger chapters and simple, suspenseful prose" - The Telegraph "The Boy Who Flew is an unputdownable, heart-stopping, white knuckle ride of a book. There's murder, science, friendship and family. It's in the best tradition of the undisputed master of historical adventures, Leon Garfield, and will knock your socks off!" - Catherine Johnson, author of Sawbones "An utterly brilliant story and one that is close my heart as I met Athan long ago when he was learning to fly. So many wonderful rich characters. Athan will fly high." - Gill Lewis, author of Sky Hawk The Boy Who Flew is a cracker of a story: dastardly villains, a fast-moving plot, richly atmospheric scene setting and a host of lovable children at its core. A tribute to underdogs and ingenious kids from a brilliant storyteller." - Abi Elphinstone, author of Sky Song

'Another gem from John Grisham' Observer When Hurricane Leo threatens Florida's Camino Island, the Governor is quick to issue an evacuation order. Most residents flee but a small group of diehards decide to ride it out. Amongst them is Bruce Cable, proprietor of Bay Books in downtown Santa Rosa. The hurricane is devastating: homes and condos are levelled, hotels and storefronts ruined, streets flooded, and a dozen people are killed. One of the victims is Nelson Kerr, a friend of Bruce's who wrote timely political thrillers. But evidence suggests that the storm wasn't the cause of Nelson's death - he had received several mysterious blows to the head. Who would want Nelson dead? The local police are overwhelmed with the aftermath of the storm and in no condition to handle the case. Bruce begins to wonder if the shady characters in Nelson's novels were more fact than fiction. And somewhere on Nelson's computer is the manuscript of his new novel - could the key to the case be right there, in black and white? Bruce starts to look into it and what he finds between the lines is more shocking than any of Nelson's plot twists - and far more dangerous.
