[A Modern Guide To Labour and the Platform Economy](#) Apr 13 2021

Providing an insightful analysis of the key issues and significant trends relating to labour within the platform economy, this Modern Guide considers the existing comparative evidence covering all world regions. It also provides an in-depth look at digital labour platforms in their historical, economic and geographical contexts.

*The Doula's Guide to Empowering Your Birth* Feb 21 2022 Experienced doula, Linsey Bliss, shows you how to prepare physically and mentally for every element of having a child, from pregnancy to fourth trimester in *The Doula's Guide to Empowering Your Birth*. Lindsey Bliss, who has assisted as a doula at hundreds of births and is herself a mother of seven, reveals here all the wisdom and advice that doulas share with the new mothers who hire them. *The Doula's Guide to Empowering Your Birth* covers the period from pregnancy through labor and birth to fourth trimester healing. The focus, however, is on preparing for birth--including topics like how to pick the right childbirth class and the right birthing method. You'll also see how to assemble the team of professionals, family members, and friends who will support you through labor and birth, and how to approach last-minute decisions about pain medications and cesarean sections. Bliss's tone throughout is at once authoritative and confident as well as warm and encouraging. Her concern in her practice as well as in these pages is to listen to and help secure each new mom's own personal vision of a birthing experience that is safe, fulfilling, and meaningful.

**The Special Data Dissemination Standard** Aug 30 2022 The Special Data Dissemination Standard (SDDS) was established by the IMF in 1996 to guide members that already had, or that might seek, access to international capital markets in providing key economic and financial data to the public. In the following year, the IMF established the General Data Dissemination Standard (GDDS), which seeks to prepare countries for meeting the requirements of the SDDS. Data supplied by countries subscribing to the SDDS, as well as information provided by countries participating in the GDDS, are posted on the Dissemination Standards Bulletin Board (DSBB) on the IMF's public website (<http://dsbb.imf.org>). This Guide is intended to assist subscribers of the SDDS, GDDS participants moving toward subscription to the SDDS, and users of the DSBB in becoming aware of the features and scope of the SDDS and the DSBB. It is intended to further the IMF's initiatives in data transparency and standards, to enhance the public availability of timely and comprehensive international statistics, and therefore to contribute to countries pursuit of sound macroeconomic policies and to the improved functioning of global financial markets.

[Mandated Benefits 2020 Compliance Guide](#) Nov 28 2019 Mandated Benefits 2020 Compliance Guide is a comprehensive and practical reference manual that covers key federal regulatory issues which must be addressed by human resources managers, benefits specialists, and company executives in all industries. This comprehensive and practical guide clearly and concisely describes the essential requirements and administrative processes necessary to comply with employment and benefits-related regulations. Mandated Benefits 2020 Compliance Guide includes in-depth coverage of these and other major federal regulations and developments: HIPAA: Health Insurance Portability and Accountability Act Wellness Programs: ADA and GINA regulations Mental Health Parity Act, as amended by the 21st Century Cures Act Reporting Requirements with the Equal Employment Opportunity Commission AAPs: final rules Pay Transparency Act Mandated Benefits 2020 Compliance Guide helps take the guesswork out of managing employee benefits and human resources by clearly and concisely describing the essential requirements and administrative processes necessary to comply with each regulation. It offers suggestions for protecting employers against the most common litigation threats and recommendations for handling various types of employee problems. Throughout the Guide are numerous exhibits, useful checklists and forms, and do's and don'ts. A list of HR audit questions at the beginning of each chapter serves as an aid in evaluating your company's level of regulatory compliance. In addition, Mandated Benefits 2020 Compliance Guide provides the latest information on: Family and Medical Leave Substance Abuse in the Workplace Workplace Health and Safety Recordkeeping and Documentation Integrating ADA, FMLA, Workers' Compensation, and Related Requirements Significant Developments at the EEOC Affirmative Action Plans Retirement Savings Plans and Pensions Pay Practices and Administration Health, Life, and Disability Insurance Managing the Welfare Benefits Package Human Resources Risk Management And much more! Previous Edition: Mandated Benefits 2019 Compliance Guide, ISBN 9781543800449

[The Complete Guide to Human Resources and the Law](#) Mar 25 2022 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues. You'll know what to do (and what not to do) to avoid costly mistakes or oversights, confront HR problems - legally and effectively - and understand the rules. The Complete Guide to Human Resources and the Law offers fast, dependable, plain English legal guidance for HR-related situations from ADA accommodation, diversity training, and privacy issues to hiring and

termination, employee benefit plans, compensation, and recordkeeping. It brings you the most up-to-date information as well as practical tips and checklists in a well-organized, easy-to-use resource. The 2010 Edition provides new and expanded coverage of issues such as: Discussion of the economic recovery measures under the Emergency Economic Stabilization Act of 2008, the Worker, Retiree and Employer Recovery Act of 2008, and the American Recovery and Reinvestment Act of 2009 The PBGC flat-rate premium for single employer plans for 2009 is \$34/participant The requirement of distributing Summary Annual Reports to participants and beneficiaries has been replaced by the requirement of issuing annual funding notices for most benefit plans; DOL issued a model notice and FAQs for implementing the requirement Courts continued to develop standards under Metropolitan Life Insurance v. Glenn, 128 S. Ct. 2343 (2008), for reviewing claims decisions made by decision-makers (such as plan sponsors and insurers) that have a conflict of interest because they are responsible for paying whatever claims are allowed The Children's Health Insurance Program Reauthorization Act of 2009, Pub. L. 111-3 (CHIPRA), intended to improve coordination between EGHPs and state Medicaid and SCHIP (coverage for uninsured children) plans, caused EGHP and cafeteria plans to be amended "Michellersquo;s Law, " Pub. L. 110-381, requires EGHPs to extend coverage to employees' dependent children who are covered as post-secondary students if they have to interrupt their studies for health-related reasons More states allowed same-sex couples to marry or have legally related domestic partnerships or civil unions - with implications for work-related benefit plans that cover "spouses. " The requirement of benefit parity between mental and physical illnesses was made permanent by EESA The HITECH Act (Health Information Technology for Economic and Clinical Health; part of ARRA) was enacted to strengthen the privacy and security rules under HIPAA, and to promote broader usage of electronic medical records. State Attorneys General now have the power to enforce HIPAA through suits in federal court. The Lilly Ledbetter Fair Pay Act (Pub. L. 111-2) was enacted. It increases the number of employment discrimination suits that can be brought by reversing the Supreme Court's decision that the timing rules for lawsuits begin when an allegedly discriminatory practice is adopted. The Supreme Court extended its string of pro-arbitration cases by ruling in 14 Penn Plaza LLC v. Pyett, 129 S. Ct. 1456 (4/1/09), that a collective bargaining agreement clause that clearly obligates union members to arbitrate ADEA claims is enforceable. The Supreme Court held that federal labor law preempts a California law that forbade employers that receive state contracts or other funding to discuss union matters with employees. As long as employers avoid coercion, federal law seeks to promote wide-open debate on labor issues: Chamber of Commerce v. Brown, 128 S. Ct. 2408 (2008). Another Supreme Court ruling discussed allows unions to charge non-members who pay agency fees in lieu of joining the union amounts representing certain expenses of national litigation: Locke

**Birth Partner 5th Edition** Jun 23 2019 Since the original publication of The Birth Partner, partners, friends, relatives, and doulas have relied on Penny Simkin's guidance in caring for the new mother, from her last trimester through the early postpartum period. Now fully revised in its fifth edition, The Birth Partner remains the definitive guide to helping a woman through labor and birth, and the essential manual to have at hand during the event. The Birth Partner includes thorough information on: Preparing for labor and knowing when it has begun Normal labor and how to help the woman every step of the way Epidurals and other medications for labor Pitocin and other means, including natural ones, to induce or speed up labor Non-drug techniques for easing labor pain Cesarean birth and complications that may require it Breastfeeding and newborn care and much more For the partner who wishes to be truly helpful in the birthing room, this book is indispensable.

*The Pocket Lawyer for Filmmakers* May 15 2021 \* You have an idea you want to pitch to a production company; how do you safeguard your concept? \* There's a painting in the background of your independent film; is it necessary to clear the rights? \* The screenplay you and a friend wrote gets optioned; how do you split the proceeds fairly? \* How do you get a script to popular Hollywood actors or deal with their agents? Find quick answers to these and hundreds of other questions in The Pocket Lawyer for Film and Video, the next best thing to having an entertainment attorney at your beck and call. Written by a TV-producer-turned-entertainment-lawyer, this no-nonsense reference provides fast answers in plain English: no law degree required! The Pocket Lawyer is designed to help producers reduce legal costs by providing the vital

information needed to make informed decisions on the legal aspects of film, video, and TV productions. Film and video production is a litigation lighting rod: actors get hurt, copyrights are infringed, and contracts are broken. Big-budget producers have lawyers on retainer, but many independent filmmakers are left legally exposed. Arm yourself with the practical advice in this book. You will not only avoid common pitfalls, but become empowered in your daily work. Too many otherwise competent producers turn over every aspect of the deal negotiations to their lawyers and agents. This book explains the principal deals common to every production, putting producers back in the co-pilot seat with their representatives. The format is carefully designed for quick reference, so you get the answers you need, fast. Features include: \* Clause Companion: explains the meaning and impact of typical contract clauses, taking the headache out of reading them. \* F.A.Qs: instantly answers the most commonly asked legal questions. \* Warnings: alerts you to critical areas and common mistakes. \* Pro-Tips: advice on unions, escrow accounts, etc. for producers who want to distribute their video widely.

*Gigworker: Independent Work and the State of the Gig Economy* Jan 11 2021 You've likely heard about the gig economy but might be wondering exactly what it entails. It's easy to assume that driving for Uber or renting your house through Airbnb are the extent of your options, but the gig economy actually offers a much wider slate of opportunities. Whether you have a 9-to-5 job and are looking to pick up some extra income, or you're a recent graduate who's eager to earn as much as you want on your own time, the gig economy can offer the freedom and flexibility you're seeking. In *Gigworker*, Brett Helling provides the essential primer on the gig economy: how it evolved to where it's at now, and where it's headed in the future. He'll show you that it's possible to replace your full-time income with multiple gigs, or balance 9-to-5 work with a 5-to-9 side gig. You'll come away with a new zeal for the gig economy, ready to dive into the options at your fingertips and make money doing what you love.

*Industrialists in Olive Drab: The Emergency Operation of Private Industrial Facilities by the War Department During World War II* by John H. Ohly, the individual most closely involved with this effort, recounts the unique story of Ohly and his compatriots who were charged with the mission of guaranteeing that private companies sustained the vital war production of weapons, munitions, and other materiel needed by America's fighting men and the Allies to achieve victory overseas. Organized and improved to facilitate the understanding of present-day readers, this carefully edited and

revised version by Clayton D. Laurie remains true to Ohly's impressive research, recounting of events, basic facts, and interpretations. For those in the field of defense acquisition, Ohly's history has many lessons, not the least being the resolution of conflicting interests between the needs of the state and those of the private sector within the framework of our constitutional democracy. Historical researchers from high school to graduate school students, and historians as well as veterans, defense acquisitions/procurement teams, and soldiers may find this resource helpful in present day defense acquisitions. *The General Data Dissemination System* Nov 01 2022 The IMF's work on data dissemination standards consists of two tiers: the General Data Dissemination System (GDDS), which applies to all IMF member countries, and the Special Data Dissemination Standard (SDDS), for those members having or seeking access to international capital markets. The GDDS framework provide governments with guidance on the overall development of the macroeconomic, financial, and sociodemographic data that are essential for policymaking and analysis in an environment that increasingly requires relevant, comprehensive, and accurate statistical data. This Guide explains the nature, objectives, and operation of the GDDS; the data dimensions it covers; and how countries participate. It provides national statistical authorities with a management tool and a framework to foster sound statistical methodology, professional data compilation, and data dissemination. The Guide supersedes the version updated in March 2002 and incorporates the UN Millennium Development Goals (MDGs) as specific elements of the GDDS sociodemographic component, which was articulated with the collaboration of the World Bank.

**Jag Law Review** Oct 20 2021

**Labor Law** Feb 09 2021 Whether you are a supervisor, a business owner, or an HR professional, it is essential that you understand the laws and rules governing how one treats employees and interacts with unions. In a comprehensive and accessible format, *Labor Law: A Basic Guide to the National Labor Relations Act* provides a practice-oriented foundation on labor law. The book sheds light on one of America's most important laws and one which is also, perhaps, the most misunderstood. This book presents an overview of labor and employment laws such that managers may understand their rights as employers as well and their employees' rights. It covers an introduction to the topic of labor and employment law as well as a brief history within the United States. Other chapters deal with unions and union relations, collective bargaining agreements, grievances, labor arbitration, unfair labor practice proceedings, and strikes and lockouts. The author does not focus on complex regulations and convoluted case law, but distills them to reveal the essence of the NLRA and how it works. As important as it is, at times labor law can seem counter-intuitive. Written by a highly experienced labor lawyer, this book contains concise explanations in an easy-to-use format. Clearly delineating a process that can be fraught with traps for the unwary, it supplies a quick reference that can be used in a crisis situation to understand the parameters of what you can and cannot do.
