American Demon Jan 26 2020 New York Times bestselling author and Edgar Award-winner Daniel Stashower returns with American Demon, a historical true crime starring legendary lawman Eliot Ness. Boston had its Strangler. California had the Zodiac Killer. And in the depths of the Great Depression, Cleveland had the Mad Butcher of Kingsbury Run. On September 5th, 1934, a young beachcomber made a gruesome discovery on the shores of Cleveland's Lake Erie: the lower half of a female torso, neatly severed at the waist. The victim, dubbed "The Lady of the Lake," was only the first of a butcher's dozen. Over the next four years, twelve more bodies would be scattered across the city. The bodies were dismembered with surgical precision and drained of blood. Some were beheaded while still alive. Terror gripped the city. Amid the growing uproar, Cleveland's besieged mayor turned to his newly-appointed director of public safety: Eliot Ness. Ness had come to Cleveland fresh from his headline-grabbing exploits in Chicago, where he and his band of "Untouchables" led the frontline assault on Al Capone's bootlegging empire. Now he would confront a case that would redefine his storied career. Award-winning author Daniel Stashower shines a fresh light on one of the most notorious puzzles in the annals of crime, and uncovers the gripping story of Ness's hunt for a sadistic killer who was as brilliant as he was cool and composed, a mastermind who was able to hide in plain sight. American Demon reconstructs this ultimate battle of wits between a hero and a madman.

The Coyotes of Carthage Jan 06 2021 "With this splendid debut, Steven Wright announces his arrival as a major new voice in the world of political thrillers. I enjoyed

it immensely." --John Grisham A blistering and thrilling debut--a biting exploration of American politics, set in a small South Carolina town, about a political operative running a dark money campaign for his corporate clients Dre Ross has one more shot. Despite being a successful political consultant, his aggressive tactics have put him on thin ice with his boss, Mrs. Fitz, who plucked him from juvenile incarceration and mentored his career. She exiles him to the backwoods of South Carolina with \$250,000 of dark money to introduce a ballot initiative on behalf of a mining company. The goal: to manipulate the locals into voting to sell their pristine public land to the highest bidder. Dre arrives in God-fearing, flag-waving Carthage County, with only Mrs. Fitz's well-meaning yet naïve grandson Brendan as his team. Dre, an African-American outsider, can't be the one to collect the signatures needed to get on the ballot. So he hires a blue-collar couple, Tyler Lee and his pious wife, Chalene, to act as the initiative's public face. Under Dre's cynical direction, a land grab is disguised as a righteous fight for faith and liberty. As lines are crossed and lives ruined, Dre's increasingly cutthroat campaign threatens the very soul of Carthage County and perhaps the last remnants of his own humanity. A piercing portrait of our frayed democracy and one man's unraveling, *The Coyotes* of Carthage paints a disturbingly real portrait of the American experiment in action.

Montana Noir includes Eric Heidler's "Ace in the Hole," an Edgar Award nominee for Best Short Story, and impressive contributions by David Abrams, Caroline Patterson, Thomas McGuane, Janet Skeslien Charles, Sidner Larson, Yvonne Seng, James Grady, Jamie Ford, Carrie La Seur, Walter Kirn, Gwen Florio, Debra Magpie Earling, and Keir Graff. "Terrific . . . Montana Noir is one of the high points in Akashic's long-running and justly celebrated Noir series . . . varying landscapes reflect the darkness within the people who walk the streets or drive the country roads." -Booklist "Montana may not have the back alleys so common to noir but it has western justice which can be quick, brutal and final and that is as satisfying as anything found in the urban streets that typically attract the dark beauty of the noir genre." -New York Journal of Books "Certain noir standbys prove both malleable and fertile in these 14 new stories . . . If Montana has a dark side, is anywhere safe from noir?" -Kirkus Reviews
