By Oak, Ash, & Thorn Aug 05 2020 Take one part of the world's oldest spiritual system (shamanism), mix in one part of one of the world's most popular spiritual cultures (the Celts), and bring it up to date by blending in modern forms of shamanism. The result is one of the most amazing books you'll ever use, D. J. Conway's *By Oak, Ash, & Thorn*. This book is filled with information that can start you on a lifetime of study, practice, and spirituality. First, you'll learn about ancient and modern forms of shamanism. You'll discover the secrets of the three shamanic worlds, and how you can travel through these mysterious realms. You'll be shown how to communicate and deal with the entities and allies you meet there. You'll also learn about the tools that a shaman uses. The thing that makes this book unique is that it comes from the viewpoint of Celtic shamanism, and not some generalized form. As a result, the worlds are specifically Celtic in nature. The tools come from Celtic myth and lore. The fifty entities you meet are named and defined as the Faery Folk and their kin ? from the Bean sidhe (banshee) to the Will o' the Wisp (a faery who appears at night in lonely places carrying a lantern to confuse travellers). Almost fifty more animal allies are listed and described. You will also learn the mysteries of the vision quest and how it applies and can be used by Celtic shamans. Before starting your journey you will take a test to determine your strengths and weaknesses as a potential shaman. Other topics include: - Shamanic Healing - Soul Retrieval - Shape-shifting - Invisibility - Divination with stones, the omen stick and the Ogam alphabet - Pathworking through the three shamanic worlds - Different forms of Celtic magic - Herbs This only begins to hint at everything that you can learn from this book. Elemental Magick Sep 17 2021 Reconnect with the natural world using the magick of the five elements of earth, air, water, fire, and spirit—written by one of the grand dames of witchcraft and magick. For more than a thousand years, alchemists and magicians have worked with the four elements of the universe. While most spiritual seekers have a basic knowledge of these four elements, and the more nebulous fifth element, spirit, few realize that the energies of the elements are a key to their magical practice. *Elemental Magick* offers readers insight into the inner teachings of the elements. Author D. J. Conway explains in depth the forces behind the elements and how they provide a framework for literally everything in the universe. She also explains the all-important and powerful element of spirit that belongs to each of the other elements and how these intimate connections allow the magickal energy to flow in a continuous circle of existence. By learning how to work with and balance the elements

and their spirits, readers will better understand the larger process of balancing one's life with the world around them.

The broom ride was only symbolic, but Witches do know how to travel on the astral plane. So who better than a Wiccan to explain how you can travel just like a Witch? Author D. J. Conway will teach you how to visit the astral plane and more in Flying Without a Broom. In this book you will learn that astral travel is natural. You do it whenever you sleep. You will learn how to meditate, and then astral travel from within the meditative state. It's fun and easy. But what really sets this book apart is that it shows you many of the amazing things you can do while on the astral plane. You will learn how to do astral healing of others. You will discover how to let other people see your astral body (bi-location). You will be able to choose any time and any place to visit: the oracle at Delphi, the Mystery School at Dodona, the Acropolis at Athens— with this experience you can deepen your own spirituality. The book also tells you how to do magick while on the astral plane. Several rituals are described, including rituals for success, divination, spiritual growth and more. You will also discover that you are not alone on the astral plane. You will meet other travelers and other entities.
