Math Expressions Mar 01 2020 This research-based K-6 program is built to provide instruction on the Common Core Standards, and includes special emphasis on the Mathematical Practices and Learning Progressions at every grade level. Based on the NSF-funded Children's Math Worlds project and over 10 years of research, Math Expressions is proven to be effective in raising student achievement. Hands-on and inquiry driven, Math Expressions Common Core teaches students how to represent solutions and explain their answers. This approach helps develop problem-solving and reasoning skills. The strong emphasis in Math Expressions on representation and discussion opens up the world of mathematics to all learners. Every lesson includes intervention, on-level, and challenge differentiation to support classroom needs. - Publisher.

Excel Basic Skills Homework Book Nov 20 2021 After completing Excel Basic Skills: Reading and Comprehension on Years 1-2 your child will have improved their reading and comprehension skills, and will be prepared for more advanced work at primary school level. In this book your child will find: a step-by-step learning approach a review of basic reading and comprehension skills a wide variety of activities many different text-types to read and analyse a lift-out answer section Comprehension of text involves bringing meaning to written (and spoken) language. It is more than the reading of printed words. The meaning of words, their context in which they exist along with punctuation and writing style all contribute to the comprehension of a specific piece of text. By experiencing a range of text types the child is more able to find the meaning in a given text. This book uses a range of text types so that the student will feel confident in a variety of situations. Text types are usually broken into two broad types. Within each group are numerous varieties - some are listed below: literary texts which include narratives (novels/stories), poetry and dramatic scripts factual texts which include explanations, expositions, information reports, recounts and procedures
