The Morning Star Sep 08 2020 When I was a youngster my parents invented a cool contraption. They put one of every kind of animal in it. I accidentally got in before it started. Halfway through the process my mum saw me and took me out. All the animals had simply disappeared and I looked normal, or so it seemed. They trashed the heaping hunk of metal as if it were a failure and went back to the drawing board. That shows you how little they knew. Im everything but normal, to be precise, Im everything. In Dovera everything is magical. Items in stores float without the need for shelves, fires warm but dont burn people, and ponds are windows to other worlds. Green trees and bushes are everywhere and vines grow so fast you can see it. In Dovera, castles are carved out of mountains and cliffs of red sand tower above the valleys. In Dovera, trees talk and move and laugh and dance. Welcome to a world where love is stronger than hate and good wins over evil. This breathtaking story is filled with anticipation and accomplishment, and a little hint of love. It is a great story for all who fantasize about heroic rescues and heroines that are honest, pure and true. Welcome to my world of fantasy, in The Morning Star. G. Davidson (Author)

Stormrider Jan 25 2022 Spellbinding action and breathless adventure -- these are the realms of David Gemmell. His mythic characters represent the ultimates in good and evil, and everything in between. Brilliant warriors, they are heartbreakingly human in their ability to love, sacrifice, and summon extraordinary courage when all seems lost. With Stormrider, Gemmell continues his spectacular Rigante saga as the imperiled highland clan faces its deadliest threat . . . and calls for it's greatest hero. Centuries ago, Connavar ' s triumphant battles against the invading army of Stone gained the Rigante their freedom, yet magic that once flourished has been all but snuffed out. The Varlish king and his barons have stolen Rigante lands and robbed the people of their culture and liberty. From the Rigante's former seat of power the black-hearted Moidart rules; only in the north are the clansmen free. There, in the Druagh mountains, the magic still reigns, strengthened by bold, brilliant victories of the outlaw leader known as Ravenheart. One glorious spark, one moment of Rigante rebellion, has ignited a revolution and forged a legend. The conquered clans set about to rediscover their greatness -- yet theirs is not the only call to arms. In the south, civil war has drenched the land in blood, and the armies of destruction have begun creeping north. There the brooding Ravenheart waits, knowing the forces of the hated Moidart will come, led by the brutal ruler ' s only son, Stormrider. Ravenheart and Stormrider: enemies of uncommon courage, are unaware that the fate of the world lies in their hands. Faced with this inexorable advance, deadly foes will be forced to unite, and a secret lost in the uncharted past will return to haunt these two warriors as they face the vengeance of an ancient evil. Immense armies of darkness advance on the highlanders, and it seems as if nothing will stop them. They crush their enemies with ease, until only a few thousand men stand before them, with no help in sight. But these are not ordinary men they face. They are clansmen, and more than that, they are Rigante.

Wolf in Shadow May 05 2020 “ David Gemmell tells a very real adventure, the stuff of true epic fantasy. ” —New York Times bestselling author R. A. Salvatore John Shannow, The Jerusalem Man, lived in a world that had toppled on its axis. Civilization had been replaced by ruthlessness and savagery. Relentless in his quest for peace, Shannow followed a path that led only to bloodshed and sorrow. Abaddon, the Lord of the Pit, sought to plunge mankind into a new Satanic era. His Hellborn army spewed forth from the Plague Lands with an unholy force stemming from human sacrifice. For it was the blood of innocents that fueled the corrupted Sipstrassi Stones of Power—the source of Abaddon's might. But the Hellborn made a fatal mistake—they took the woman who had stolen Shannow's heart. He would move Heaven and Earth to save her or he would die trying. “ Gemmell . . . keeps the mythic currents crackling. ” —Publishers Weekly

Into this maelstrom of treachery and deceit come three travellers; Piria, a runaway priestess nursing a terrible secret, Kalliades, a warrior with a legendary sword, and Banokles who will carve his own legend in the battles to come. Troy: Shield of Thunder takes the reader back into the glories and tragedies of Bronze Age Greece, reuniting the characters from Troy: Lord of the Silver Bow; the dread Helikaon and his great love, the fiery Andromache, the mighty Hektor and the fabled storyteller, Odysseus. The story concludes in Troy: The Fall of Kings. Have you read the previous title Troy: Lord of the Silver Bow?
