To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. novel *One for the Money*. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38, Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton's burg. He's fresh out of the army, suspiciously wealthy, and he's just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warms to the action, packing a cool pistol. Much to the family's chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli's not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she's targeted for a nasty death by the most loathsome adversary she's ever encountered. Another case like this and she'll be a real pro.

Bulfinch's Mythology Jun 20 2019 For almost a century and a half, *Bulfinch's Mythology* has been the text by which the great tales of the gods and goddesses, Greek and Roman antiquity, Scandinavian, Celtic, and Oriental fables and myths, and the age of chivalry have been known. The forerunner of such interpreters as Edith Hamilton and Robert Graves, Thomas Bulfinch wanted to make these stories available to the general reader. A series of private notes to himself grew into one of the single most useful and concise guides to literature and mythology. The stories are divided into three sections: *The Age of Fable or Stories of Gods and Heroes* (first published in 1855); *The Age of Chivalry* (1858), which contains *King Arthur and His Knights*, *The Mabinogion*, and *The Knights of English History*; and *The Legends of Charlemagne or The Romance of the Middle Ages* (1863). For the Greek myths, Bulfinch drew on Ovid and Virgil, and for the sagas of the north, from Mallet's *Northern Antiquities*. provides lively versions of the myths of Zeus and Hera, Venus and Adonis, Daphne and Apollo, and their cohorts on Mount

Olympus; the love story of Pygmalion and Galatea; the legends of the Trojan War and the epic wanderings of Ulysses and Aeneas; the joys of Valhalla and the furies of Thor; and the tales of Beowulf and Robin Hood.

Sisters of Glass Mar 30 2020 Maria is the younger daughter of an esteemed family on the island of Murano, the traditional home for

Venetian glassmakers. Though she longs to be a glassblower herself, glassblowing is not for daughters—that is her brother's work. Maria has only one duty to perform for her family: before her father died, he insisted that she be married into the nobility, even though her older sister, Giovanna, should rightfully have that role. Not only is Giovanna older, she's prettier, more graceful, and everyone loves her. Maria would like nothing more than to allow her beautiful sister, who is far more able and willing to attract a noble husband, to take over this role for her. But they cannot circumvent their father's wishes. And when a new young glassblower arrives to help the family business and Maria finds herself drawn to him, the web of conflicting emotions grows even more tangled.
