*Me, Governor?* Apr 05 2020 Filled with lively, incisive anecdotes that record how the author restored respectability to the office of New Jersey governor--after Jim McGreevey resigned due to a homosexual affair--and set a record for good politics and good government in a state so often tarnished, this is also the story about a man and his family.

*The Tumble Inn* May 19 2021 Tired of their high school teaching jobs and discouraged by their failed attempts at conceiving a child, Mark and Fran Finley decide they need a change in their lives. Abruptly, they leave their friends and family in suburban New Jersey to begin anew as innkeepers on a secluded lake in the Adirondack Mountains. There they muddle through their first season at the inn, serving barely edible dinners to guests, stranding themselves in chest-deep snowdrifts, and somehow, miraculously, amid swarms of ravenous black flies, conceiving a child, a girl they name Nat. Years later, when Mark and Fran are nearing middle age and Nat is a troubled teenager, Mark's life is ripped apart, forever changed, and he must choose between returning to his old home in New Jersey or trying to rebuild what is left of his life and family in the place of his greatest joy and deepest sorrow. *The Tumble Inn* is a moving drama about home and about the fragility and resilience of love.

Not exactly crazy, they become obsessed and irrational as their inner logic leads them astray. In the title novella, a woman living in a psychiatric halfway house writes to a man she has met only once. Proceeding in brief vignettes that link and illuminate, she recounts her peculiar life with the other patients. The accretions of anecdote lead deeper and deeper into the psyche and history of the narrator, gradually revealing the reason for her urgent letter.

[Top-Secret Grandad and Me: Death by Tumble Dryer](#) Sep 22 2021 You'd think a ghost grandad would be a great sidekick for a wannabe detective. Unfortunately, if there was a 'being a good ghost' exam, Jay's grandad would fail spectacularly -- he hates walking through walls, he can't touch anything and he's rubbish at haunting. Since his dad literally did a vanishing act (he's a magician), Jay Patel has turned detective, and now, with the help of his granddad, he's on the case of a dead body that vanished from the library of his Glasgow primary school. But what do diamonds, blackmail and dodgy launderettes have to do with it? David Walliams meets Agatha Christie in the first book of a new laugh-out-loud, weird-and-wacky mystery series for younger readers by the author of *Thorfinn the Nicest Viking*.
