Francine would prefer to be thinner, but is happy enough to suffer her boss' manhandling of her ample hips if it helps her survive the next cull in Quality Assurance. She just wishes she could get the dead biker's crushed face out of her mind's eye. Robin is having a baby with the wrong woman, wishes he were with the perfect Polish waitress instead, leans hard on Deleuze for understanding, and wonders if his work in film will continue to be valued by the university management. Ed wishes he'd never gone back to Guyana to help his rascally brother as it lost him his mini-Marilyn wife and the possibility of watching his only child grow up — until someone surprising crops up at the crematorium. Katrin is starting not to miss Gdansk or Mamunia so much, and starting to understand London living. But if she works and hopes harder, maybe she'll secure a full British future for herself and her mother with the Good Englishman. The five of them cross paths and cross swords to bring London living unforgettably to life. Real London lives. PRAISE FOR TESSA MCWATT '[C]ombines campus novel (historically a distinctly white-male genre) with a Zadie Smith-like sense of a thoroughly multicultural London ... satirises with sharp wit the precariousness of academic life.' The Age 'Tessa McWatt brings the traditional campus novel bang up to date ... This polyphonic novel owes an obvious debt to Zadie Smith's White Teeth, but nevertheless [McWatt] manages to make this exuberant but bittersweet tale something all of her own.' The Observer

[Assassin](#) Jan 16 2022 Alex Hawke is back. In this explosive, jaw-tightening follow-up to Ted Bell's "rich, spellbinding, and absorbing" (Clive Cussler) debut national bestseller, Hawke, fearless intelligence operative Lord Alexander Hawke matches wits with a cunning and bloodthirsty psychopath in a desperate race to avert an American Armageddon. In an elegant palazzo on the Grand Canal, an American ambassador's trust turns deadly. In the seamy underbelly of London, a pub-crawling killer is on the loose. And in a storybook chapel nestled in the Cotswolds, a marriage made in heaven turns to hell on earth. Isolated incidents? Or links in a chain of events hurtling towards catastrophe? So begins Assassin, the tour de force thriller that heralds the return of every terrorist's worst nightmare, Alex Hawke. A shadowy figure known as the Dog is believed to be the ruthless terrorist who is systematically and savagely assassinating American diplomats and their families around the globe. As the deadly toll mounts inexorably, Hawke, along with former NYPD cop and Navy SEAL Stokely Jones, is called upon by the U.S. government to launch a search for the assassin behind the murders. Hawke, who "makes James Bond look like a 'slovenly, dull-witted clockpuncher'" (Kirkus Reviews), is soon following a trail that leads back to London in the go-go nineties, when Arab oil money fueled lavish, and sometimes fiendish, lifestyles. Other murky clues point to the Florida Keys, where a vicious killer hides behind the gates of a fabled museum. And to a remote Indonesian island where a madman tinkers with strains of a deadly virus and slyly bides his time. Hawke must call upon resources deep within himself. He must enter a race against time to stop a cataclysmic attack on America's most populous cities and avenge the inexplicable and horrific crime that has left him devastated. Brimming with relentless action and stylish detail, and featuring a hero that readers will stand up and cheer for, Assassin is a gripping adventure. And definitely not recommended for the faint of heart.

Meanwhile, high above the skies of France, Vladimir Putin is aboard his presidential jet after escaping a bloodless coup in the Kremlin. When two flight attendants collapse and slip into unconsciousness, the Russian leader realizes the danger isn't over. Killing the pilots, he grabs a parachute, steps out of the plane . . . and disappears. Hawke has led his share of dangerous assignments, but none with stakes this high. To save his son, he summons his trusted colleagues, Chief Inspector of Scotland Yard Ambrose Congreve, former U.S. Navy SEAL Stokely Jones, Jr., and recruits a crack Hostage Rescue Team—a group of elite soldiers of fortune known as "Thunder & Lightning." Before they can devise a rescue plan, Hawke must figure out who took his boy—and why. An operative who has fought antagonists around the globe, Hawke has made many enemies; one in particular may hold the key to finding Alexei before it's too late. But an unexpected threat complicates their mission. Making his way to "Falcon's Lair," the former Nazi complex created for Hitler, Putin is amassing an impressive army that he intends to use for his triumphant return to Moscow. Only one man can smash the Russian president's plan for domination—a master counterspy who will cross every line to save his son . . . and maybe save the world itself in the bargain.

Originally published under the pseudonym "Victoria Lucas" in 1963, the novel is semi-autobiographical, with the names of places and people changed. The book is often regarded as a roman à clef because the protagonist's descent into mental illness parallels Plath's own experiences with what may have been clinical depression or bipolar II disorder. Plath died by suicide a month after its first UK publication. The novel was published under Plath's name for the first time in 1967 and was not published in the United States until 1971, in accordance with the wishes of both Plath's husband, Ted Hughes, and her mother.
