Body Safety Zones (BSZ) May 12 2021 How much understanding do you think a 4-8-year-old has about keeping their bodies safe around everyone including their family, friends, etc. ? Come join Ms. B. Persistent's, school social worker, wellness and awareness class, as her students, at Mrs. Rhoda Lee Jones Elementary School #150, learn about their Body Safety Zones (BSZ)! But before learning about the four BSZ, you're invited to "get your wiggles out" with Ms. B. Persistent and her students by dancing around to your favorite tune. This educational book on body safety and awareness is written in a fun but an age-appropriate way for children ages 4-8. Ms. Johnson's personal and professional life's goal is to prevent children from being abused or human trafficked through awareness via open and honest conversations from educators, parents, therapists, counselors, etc. Her motto is: Prevention is better than Intervention.

Official Highway Code 2015 Jun 13 2021 When did you last read yours? For over 80 years The Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code - for life, not just for learners.

Safety at Street Works and Road Works Oct 29 2022 This publication sets out the statutory requirements for signing,

lighting, and guarding at street works and road works. This is the core reference manual for utility companies, local authorities, street work contractors and others whose day-to-day business involves street works (works by statutory undertakers and other utility companies etc) and road works (works to maintain or repair road infrastructure). The code, which covers all of the UK and includes national variations, is now compulsory for highway/road authorities in England, Wales and Northern Ireland. It applies to all single carriageway roads and dual carriageways with a speed limit of 40 mph or less. The code is now divided into three parts: Basic Principles, Operations, and Equipment and Vehicles; site layout diagrams have been redrawn to make them easier to understand. There is: increased emphasis on using risk assessment and guidance on what to consider in such assessments; strengthened guidance on providing for pedestrians and cyclists and new guidance on traffic control measures related to road closures, one-way working and temporary road obstructions; enhanced advice on other traffic control measures including works near tramways and railways, and mobile/short duration works; and updated advice on high visibility clothing and the signing and conspicuity requirements for work vehicles. Effective from 1 October 2014 when it will supersede the 2001 edition (ISBN 9780115519581).
