Michael Jordan, Inc. Apr 16 2021 Uses Michael Jordan as a vehicle for viewing the broader social, economic, political, and technological concerns that frame contemporary culture.

Jordan Peterson: Critical Responses Jun 26 2019 The Canadian psychology professor Jordan Peterson burst into public awareness when he opposed the compulsory use of newfangled gender-pronouns. He has since published two best-selling books, *12 Rules for Life: An Antidote to Chaos* (2018) and *Beyond Order: 12 More Rules for Life* (2021), and has become the leading public intellectual on social media. Although Peterson has an almost cult-like following, and arouses strong passions, both for and against, there has been very little focused, objective criticism of his provocative views on a wide variety of topics: the role of religion, the alleged need for more value and meaning in the modern world, the way young people should conduct their lives, the history of Marxism and postmodernism, male-female relations; the interpretation of Bible stories, the inevitability of hierarchy and inequality, and the application of Jungian archetypes. Jordan Peterson: Critical Responses brings together new and searching criticisms of various specific aspects of Peterson's ideas. Though on balance decidedly critical, the authors represent a range of different backgrounds and philosophical assumptions, and the criticisms are fair and temperate, eschewing the personal attacks which have marred many of the pronouncements of Peterson's opponents.

Proposed Arms Sales to the Kingdom of Jordan May 18 2021

Be Careful What You Wish For Jun 30 2022 Read this explosive insight into the previously unseen world of football club ownership by one of the game's most-recognisable figures. Multimillionaire at 32 Youngest Premier League football club owner at 36 His club and a fortune lost at 42 Owing your childhood club - that's the dream, isn't it? Simon Jordan made his fortune building a mobile phone company from scratch. When he sold it for £75 million, he bought Crystal Palace FC, the club he'd supported as a boy, and led them into the Premier League. Ten years later Palace was in administration and Jordan had lost nigh on everything. *Be Careful What You Wish For* lifts the lid on being the owner of a football club and how the game really works. Hopes and dreams sit alongside greed, self-interest, dodgy transfers, boardroom fights and dressing room dressing downs. Throughout no one is spared, least of all Jordan himself. **A finalist for the William Hill Sports Book of the Year** **Shortlisted for the British Sports Book Award for best autobiography*

Jordan in the 1967 War Sep 21 2021 This study considers the war from the Jordanian perspective.

The Baptism of Jesus in the Jordan Oct 23 2021 This systematic study isolates those themes with which the early Church proclaimed and celebrated the baptism of Jesus in the Jordan.

Hiking in Jordan Oct 03 2022 Plan your next holiday with Hiking in Jordan. With this detailed guide, you save valuable time when you plan your hiking adventure in Jordan. Over a period of three years, the authors have described in detail over 400 km (248 miles) of astonishing hiking trails and walks in amazing landscapes. Most trails can be completed in 4-6 hours as day trips from Amman, Wadi Rum village or Aqaba and are in and around Jordan's main tourist attractions including Petra, Wadi Rum, Aqaba and the Dead Sea area. Trails include the Seven Pillars of Wisdom and the Lawrence of Arabia Spring trails with magnificent views in Wadi Rum and the High Place of Sacrifice Trail with more monuments than most tourists see in Petra. Other highlights include the Wadi Ghuweir to Feynan Trail with its remarkable oasis and narrow canyon and the Wadi Mujib Malaqi Trail that has a waterfall near the lowest point on earth at the Dead Sea. The book provides easy to understand custom-made hiking maps, trail descriptions and travel directions. Users of the book also have access to a unique collection of 80+ tutorials, trail animations and hiking videos in HD format and interactive maps. Although most trails can be completed without a GPS device, owners of the book can download 58 carefully recorded E-trails to maximize their time on the trail using GPS enabled smart phones and tablets. Users of the book also have access to the Day Trip Finder and the Itinerary Planner. These interactive planning tools provide hikers easy access to trail descriptions based on a large number of search criteria including hot springs, waterfalls, sand dunes, palm trees, historic sites, and other interesting places on the trail. The guidebook has been written with the independent traveler in mind, but is also a valuable source of hiking ideas if you plan to organize your holiday with a travel company. Travelers will find Hiking in Jordan and its multimedia resources an invaluable "next generation" resource guide to explore the country from a truly unique perspective. More Details: Explore over 400 km (248 miles) of hiking trails We have researched thousands of trail kilometers / miles to find the best hiking spots. Optimize your travel schedule in Jordan and make the most out of your holiday The majority of trails are in and around Jordan's main tourist attractions including Petra, Wadi Rum, Aqaba and the Dead Sea area. Travel independently with Hiking in Jordan Most hiking trails can be reached with a normal rental car (2WD) and start and end at your car or drop-off point, making it easier to plan your trip. Hiking videos Prepare for your adventure with 80+ HD hiking videos and tutorials We have produced the world's largest collection of hiking videos in Jordan, so you know what to expect on the trail. Animations The trail animations provide an overview of the surroundings of each trail. Interactive Maps Study hiking trails in detail with interactive maps. E-Trails for Your Compatible GPS Device We have recorded trails using the latest GPS technology in various formats for your GPS device. You can download 58 carefully recorded E-trails from our website to maximize your time on the trail. Video Tutorials The tutorials focus on hike preparation in the desert and staying safe on the trail in Jordan. Off the Record Join Chris and Greg during unexpected and funny events while they recorded trails in Jordan. Soundtracks Enjoy the music used for the hiking videos while you plan your hiking itinerary (released under Creative Commons CC BY-SA). Trail Photos Download our carefully selected photos from each trail for your projects. Itinerary Planner Check hiking statistics with the Itinerary Planner. Day Trip Finder Find day hiking trips from Amman, Wadi Rum Village and Aqaba.

Dreaming of Change Aug 09 2020 Julia Droeber focuses on the everyday experiences of young, highly educated women in contemporary Jordan. She analyses their contributions to social change as well as the strategies they employ in dealing with the problems they face.

A Taste of Jordan Algebras Apr 04 2020 This book describes the history of Jordan algebras and describes in full mathematical detail the recent structure theory for Jordan algebras of arbitrary dimension due to Efim Zelmanov. Jordan algebras crop up in many surprising settings, and find application to a variety of mathematical areas. No knowledge is required beyond standard first-year graduate algebra courses.

Nationalist Voices in Jordan Oct 30 2019 According to conventional wisdom, the national identity of the Jordanian state was defined by the ruling Hashemite family, which has governed the country since the 1920s. But this view overlooks the significant role that the "Arab street"—in this case, ordinary Jordanians and Palestinians—played and continues to play in defining national identity in Jordan and the Fertile Crescent as a whole. Indeed, as this pathfinding study makes clear, "the street" no less than the state has been a major actor in the process of nation building in the Middle East during and after the colonial era. In this book, Betty Anderson examines the activities of the Jordanian National Movement (JNM), a collection of leftist political parties that worked to promote pan-Arab unity and oppose the continuation of a separate Jordanian state from the 1920s through the 1950s. Using primary sources including memoirs, interviews, poetry, textbooks, and newspapers, as well as archival records, she shows how the expansion of education, new jobs in the public and private sectors, changes in economic relationships, the establishment of national militaries, and the explosion of media outlets all converged to offer ordinary Jordanians and Palestinians (who were under the Jordanian government at the time) an alternative sense of national identity. Anderson convincingly demonstrates that key elements of the JNM's pan-Arab vision and goals influenced and were ultimately adopted by the Hashemite elite, even though the movement itself was politically defeated in 1957.

Michael Jordan Aug 01 2022 The definitive biography of a legendary athlete. The Shrug. The Shot. The Flu Game. Michael Jordan is responsible for sublime moments so ingrained in sports history that they have their own names. When most people think of him, they think of his beautiful shots with the game on the line, his body totally in sync with the ball -- hitting nothing but net. But for all his greatness, this scion of a complex family from North Carolina's Coastal Plain has a darker side: he's a ruthless competitor and a lover of high stakes. There's never been a biography that encompassed the dual nature of his character and looked so deeply at Jordan on and off the court -- until now. Basketball journalist Roland Lazenby spent almost thirty years covering Michael Jordan's career in college and the pros. He witnessed Jordan's growth from a skinny rookie to the instantly recognizable global ambassador for basketball whose business savvy and success have millions of kids still wanting to be just like Mike. Yet Lazenby also witnessed the Michael Jordan whose drive and appetite are more fearsome and more insatiable than any of his fans could begin to know. *Michael Jordan: The Life* explores both sides of his personality to reveal the fullest, most compelling story of the man who is Michael Jordan. Lazenby draws on his personal relationships with Jordan's coaches; countless interviews with Jordan's friends, teammates, and family members; and interviews with Jordan himself to provide the first truly definitive study of Michael Jordan: the player, the icon, and the man.

Green Lantern Mar 28 2022 Classic stories of the greatest Green Lantern, Hal Jordan, are collected in this new edition for the first time ever! Only the fearless can be entrusted with a Green Lantern's power ring, the universe's most powerful weapon. When Abin Sur, the Green Lantern of Space Sector 2814, crash-landed on Earth, he knew it was time to pass the emerald mantle to a deserving human. After quickly studying billions of people, the ring selected test pilot Hal Jordan, who was busy making a mess of his life. Now gifted with an incredible trust, Jordan needs a crash course in both using the ring and what it means to be a Green Lantern. And he had better learn fast. Legion, the alien marauder who has already killed four Green Lanterns, has arrived on Earth to hunt down his fifth. Witness the beginning of Hal Jordan's heroic career post-Crisis on Infinite Earths, with legendary comics creators Gerard Jones, Keith Giffen, M.D. Bright and Romeo Tanghal, in GREEN LANTERN: EMERALD DAWN: HAL JORDAN VOL. 1, collecting GREEN LANTERN: EMERALD DAWN #1-6 and GREEN LANTERN: EMERALD DAWN II #1-6 for the first time in chronological order."

Michael Jordan Nov 04 2022 Learn about the incredible life of Michael Jordan, one of the greatest basketball players of all time, in this book from the best-selling Little People, BIG DREAMS series.

Competitive Archaeology in Jordan Feb 12 2021 An examination of archaeology in Jordan and Palestine, *Competitive Archaeology in Jordan* explores how antiquities have been used to build narratives and national identities. Tracing Jordanian history, and the importance of Jerusalem within that history, Corbett analyzes how both foreign and indigenous powers have engaged in a competition over ownership of antiquities and the power to craft history and geography based on archaeological artifacts. She begins with the Ottoman and British Empires—under whose rule the institutions and borders of modern Jordan began to take shape—asking how they used antiquities in varying ways to advance their imperial projects. Corbett continues through the Mandate era and the era of independence of an expanded Hashemite Kingdom, examining how the Hashemites and other factions, both within and beyond Jordan, have tried to define national identity by drawing upon antiquities. *Competitive Archaeology in Jordan* traces a complex history through the lens of archaeology's power as a modern science to create and give value to spaces, artifacts, peoples, narratives, and academic disciplines. It thus considers the role of archaeology in realizing Jordan's modernity—drawing its map; delineating sacred and secular spaces; validating taxonomies of citizens; justifying legal frameworks and institutions of state; determining logos of the nation for display on stamps, currency, and in museums; and writing history. Framing Jordan's history in this way, Corbett illustrates the manipulation of archaeology by governments, institutions, and individuals to craft narratives, draw borders, and create national identities.

West of the Jordan Jul 28 2019 This is a brilliant and revelatory first novel by a woman who is both an Arab and an American, who speaks with both voices and understands both worlds. Through the narratives of four cousins at the brink of maturity, Laila Halaby immerses her readers in the lives, friendships, and loves of girls struggling with national, ethnic, and sexual identities. Mawal is the stable one, living steeped in the security of Palestinian traditions in the West Bank. Hala is torn between two worlds—in love in Jordan, drawn back to the world she has come to love in Arizona.

Khadija is terrified by the sexual freedom of her American friends, but scarred, both literally and figuratively, by her father's abusive behavior. Soraya is lost in trying to forge an acceptable life in a foreign yet familiar land, in love with her own uncle, and unable to navigate the fast culture of California youth. Interweaving their stories, allowing us to see each cousin from multiple points of view, Halaby creates a compelling and entirely original story, a window into the rich and complicated Arab world.

Dr. Jordan Metz's Running Strong May 30 2022 Step into my office if you want to run faster, stronger, and pain-free. Whether you're a new runner training for your first race or an experienced marathoner, this cutting-edge book will keep you on the road and running faster. With comprehensive, illustrated information on running health and injury prevention, this book also includes access to videos addressing such issues as shin splints, plantar fasciitis, stress fractures, and runner's knee. Not only will runners be able to read about how they can treat and prevent hundreds of medical and nutritional issues, they'll be able to walk into a top-level video consultation 24 hours per day, 7 days per week, from anywhere in the world!

Water Resources in Jordan Jun 18 2021 This is the first comprehensive, multi-disciplinary book to address water policy in Jordan. Edited by the former Minister of Water and Irrigation of Jordan, with contributions by other prominent Jordanian and international water professionals, this volume covers such areas as the population-water resources equation in Jordan; institutional and legal frameworks; the data systems used for the assessment and formulation of water policy; water allocations and uses in municipal, industrial, and agricultural sectors; social and environmental issues; and water conflict with Jordan's neighbors. The book is a must for readers interested in Middle East politics and the critical nature of water issues in the region. The book notes the importance of interaction with the outside world to augment water resources through trade, making the experience of Jordan relevant to other developing regions where water is scarce. It introduces the term 'shadow water' to mean the scarce indigenous water resources that the import of agricultural and industrial commodities saves or replaces. The book shows how financially profitable it can be to treat water as a tradable commodity, to be exchanged peaceably across international borders. Haddadin and his distinguished contributors bring the water conflicts between Jordan and its neighbors, Israel and Syria, into sharp focus. The book includes a historical perspective on the development of water policies in Jordan and explores the significance of water in the religious, social, and political life of the country.

Defying Gravity Aug 28 2019 The image of Jordan with her white shards of beehive and Mondrian make-up is one of the most iconic in pop culture. From the counter of Malcolm McLaren and Vivienne Westwood's taboo-busting shop on 240 King's Road, she helped shape a revolution. But who was the woman behind it all? How did a ballet-mad girl from Sussex make her way, via the clandestine gay clubs of Brighton and London, to the eye of punk's storm? What happened after she shared so many hair-raising adventures with the Sex Pistols, Adam and his Ants, Derek Jarman and Andy Warhol - and then just disappeared? With commentary from key players and close friends including Vivienne Westwood, Paul Cook, Marco Pirroni, Holly Johnson, and her partner behind the SEX counter, Michael Collins - plus a wealth of never-before-seen images - Jordan reveals her outrageous life story. Buckle up for a masterclass in true punk spirit.

Jordan, the United States and the Middle East Peace Process, 1974-1991 Nov 23 2021 Madiha Madfai explores Jordan's role in the USA's peacemaking efforts during the Carter, Reagan and Bush administrations.

Roll, Jordan, Roll Dec 01 2019 A definitive account of slave life in the Old South and the role of the slaves in fashioning a Black national culture.

Jordan Apr 28 2022 Jordan is an enticing, curious mix of new and old. With glass-and-steel high rises of Amman and goat hair tents of the Bedouin in Wadi Rum, this tiny country also abounds in ancient ruins. From the shimmering blue blaze of world's saltiest lake to the soft rose hues of Petra's mighty Treasury, this concise Footprint Handbook will show you the best of Jordan without weighing you down.

Jordan Jan 26 2022 This evaluation, prepared in collaboration with the Islamic Development Bank, looks at the effectiveness of World Bank assistance to Jordan during the 1990s, from three perspectives: an analysis of the World Bank's services and products, development impact, and the contribution of the Bank and its development partners to development outcomes. The World Bank's strategy since 1990, based on wide-ranging and influential analytic and advisory activities, was to support macroeconomic stabilization and pro-market structural reforms to foster growth. The increased focus on the social sectors was aligned with the Millennium Development Goals (MDGs). The strategy was relevant to the government's priorities outlined in a series of five-year economic and social development plans. The Bank's programs, in particular, were successful in promoting policy reforms. Substantial tariff, trade and financial sector reforms, together with the removal of disincentives for investment and the privatization of government enterprises, were achieved. Bank assistance also contributed to significant progress in the agriculture, water and social sectors. With Bank support, Jordan made excellent progress in almost all areas covered by the MDGs, and is likely to meet the target levels by 2015. However, these gains have been achieved in an inefficient manner and the cost in terms of public expenditures has been relatively high. Recommendations outline much needed public sector reform, for despite some public expenditures being curtailed, the country's vulnerability to external shocks remains high, and the potential for regional instability is also considerable. Future Bank assistance should focus on public expenditure restructuring, enhanced water management and conservation, and poverty reduction.

Primeval Saints May 06 2020 James Jordan reveals the fascinating weave of lives that bind together the heroes and villains of Genesis. Progressively, these lives image and reverse one another in an ascending narrative of action, a narrative all too commonly broken apart and missed. These heroes of the city of God -- Adam, Noah, Abraham, Isaac, Jacob, Joseph, and others -- come to flesh and blood in ways that undo our normal assumptions. In stark contrast to the selfish heroism of pagan literature, the heroism of Genesis triumphs by breaking all the standard rules. Jordan inverts so many of the traditional negative judgments against these patriarchs' alleged weaknesses and "sins" of deception, struggle, and tyranny that they stand forth as heroes rather than scoundrels. And yet this book is not just about the heroes of Genesis. Throughout, Jordan draws a picture of how Christian culture should be imagined and lived in our own day, from creativity and work to tyranny and freedom. You will never be able to read Genesis the same way again.

Do No Harm Oct 11 2020 'Thriller fans will be in heaven' Louise Candlish 'Chilling and perfectly paced, one to put on the very top of your TBR!' Sarah Pearse 'Gripping and tense' Observer 'A corker of a thriller' Kate Riordan MY CHILD HAS BEEN TAKEN. AND I'VE BEEN GIVEN A CHOICE . . . The Making of Jordan Feb 24 2022 At the beginning of the 20th Century Jordan, like much of the Middle East, was a loose collection of tribes. By the time of its independence in 1946 it had the most firmly embedded state structures in the Arab world. Drawing on previously untapped sources, Yoav Alon examines how the disparate clan networks of Jordan were integrated into the Hashemite monarchy, with the help of the British colonial administrators. Looking at the growth of key state institutions from a grassroots perspective, Alon shows how they co-opted the structures of tribal society, and produced a distinctive hybrid between modern statehood and tribal confederacy which still characterizes Jordan to this day. Alon's innovative approach to the origins of modern Jordan provides fresh insights not only into Jordan itself but into colonialism, modernity and the development of the state in the Middle East.

Lonely Planet Jordan Sep 02 2022 Lonely Planet's Jordan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Competitive Archaeology in Jordan Mar 16 2021 An examination of archaeology in Jordan and Palestine. Competitive Archaeology in Jordan explores how antiquities have been used to build narratives and national identities. Tracing Jordanian history, and the importance of Jerusalem within that history, Corbett analyzes how both foreign and indigenous powers have engaged in a competition over ownership of antiquities and the power to craft history and geography based on archaeological artifacts. She begins with the Ottoman and British Empires—under whose rule the institutions and borders of modern Jordan began to take shape—asking how they used antiquities in varying ways to advance their imperial projects. Corbett continues through the Mandate era and the era of independence of an expanded Hashemite Kingdom, examining how the Hashemites and other factions, both within and beyond Jordan, have tried to define national identity by drawing upon antiquities. Competitive Archaeology in Jordan traces a complex history through the lens of archaeology's power as a modern science to create and give value to spaces, artifacts, peoples, narratives, and academic disciplines. It thus considers the role of archaeology in realizing Jordan's modernity—drawing its map; delineating sacred and secular spaces; validating taxonomies of citizens; justifying legal frameworks and institutions of state; determining logos of the nation for display on stamps, currency, and in museums; and writing history. Framing Jordan's history in this way, Corbett illustrates the manipulation of archaeology by governments, institutions, and individuals to craft narratives, draw borders, and create national identities.

Jordan Business Law Handbook Volume 1 Strategic Information and Basic Laws Jul 20 2021 Jordan Business Law Handbook - Strategic Information and Basic Laws

Catching Jordan Aug 21 2021 Jordan Woods, captain and quarterback of her high school football team, seeks an athletic college scholarship, but when Ty Green joins the team and takes her position, her scholarship chances and her camaraderie with the team are threatened.

Jordan's Proverbs as a Window into Arab Popular Culture Jan 02 2020 This book offers an insightful account of Arab popular culture through the lens of about four hundred annotated Jordanian proverbs. The collection touches on almost every aspect of daily life (including animals, kinship, religion, weather, generosity, money, food, and love). The proverbs cover a wide spectrum of morals related to competence, appearance, ignorance, naivety, corruption, wisdom, experience, courage, and kindness, among many others. Specialized readers, including linguists, translators, anthropologists, psychologists, diplomats, and military persons, among others, will find significant material and insights relevant to their work in this book. It serves to provide the reader with a better, deeper understanding of Jordanian/Arab mentality and behaviour, which will encourage intercultural communication and help remove several socially-biased stereotypes, in addition to enriching the culture of proverbs in human language.

Women and the Media in Jordan Sep 29 2019 This book provides a feminist, critical study of how gender power relations are played out through and across multiple mediated arenas in

contemporary Jordan. It departs from an understanding of women's status in Jordan as a highly charged subject, and a view of the media as not just a locale where tensions play out, but also an important arena for contestation and resistance. The book examines the dynamic relationship between women and the media in Jordan as it manifests at three key levels: labour, representation, and activism. To do so, it engages with wider issues: the political economy of the media, regulatory and legal frameworks, Jordanian women's economic participation, the history of Jordanian feminist activism, gender-based violence, and the political context of the Arab Spring in Jordan. Through choice case studies, the book unpacks the complex role of legal, political, and social factors in shaping women's relationship to the media. It centres women's experiences and highlights their agency, disobedience, and efforts to negotiate and resist the limitations imposed by Jordanian patriarchy and, in doing so, it illustrates how gender, power, and resistance interplay through and within Jordanian media.

Jordan in the Middle East Dec 25 2021 This collection of articles attempts to assess Jordan's position in the region in the light of its long quest for legitimacy, both as a state and as a Hashemite monarchy. The editors of the volume feel that developments since 1967 and particularly during the last decade have weakened the tendencies previously prevailing among various elements in the Arab world to question Jordan's legitimacy. Moreover, it is suggested that Jordan's position in the inter-Arab system has considerably improved.

Diplomacy on the Jordan Nov 11 2020 This interdisciplinary volume reviews the roots of conflict over the Jordan between Arabs and Jews and the development of that conflict over the past 150 years, analyzing the positions of Arabs and Israelis and the role of the United States in promoting a settlement.

Modern Jordan Dec 13 2020 This book, first published in 1961, covers the whole range of the Hashemite kingdom, its king, its government, the people, the land, industry, the armed forces and the rich history of the country. The aim of this book is to present a living picture of a live and virile people linked by language, blood and faith to the other Muslim lands, and in doing so present a snapshot of the country in the middle of the twentieth century.

The Jordan River and Dead Sea Basin Mar 04 2020 The 21st century will present unprecedented challenges. Already in its first decade we have seen the dramatic impact of two systemic risks, that of climate change and that of the financial crisis. The cause but also the solution to these crises lies in a deeper understanding of the underlying factors and inter-dependencies. New ways must be found to overcome deep obstacles and find common solutions to seemingly intractable problems. The water crisis in the Middle East is a central challenge of the 21st century. The future of the people of the region depends on finding lasting solutions. Due to the exhaustion and pollution of available sources, compounded by climate change, demographic change and economic development, the pressures of water resource management will grow. New solutions must urgently be found as business as usual is not sustainable. This book provides vital new insights into possible elements of a sustainable future in one key area, that of the Jordan River and Dead Sea Basin. The future development of the Jordanian, Palestinian and Israeli people depends on finding a just and sustainable system of water resource management in this Basin. Given the potential for regional and other conflicts arising out of tensions over water, the ramifications are wider and even global in significance. This volume provides fresh regional and international perspectives which greatly assist in our understanding of the issues and their possible resolution.

Jordan Jul 08 2020 DA Pam 550-34. Area Handbook Series. 4th edition. Edited by Helen Chapin Metz. Prepared by Library of Congress, Federal Research Division. Research completed Dec. 1989. Discusses and analyzes the history, society, economy, and national security of Jordan. Also contains a glossary, a bibliography, and an index.

Mid-Jordan Transit Corridor Jan 14 2021

The Jewish Jordan's Triple Threat Feb 01 2020 Reminiscent of Phil Jackson's SACRED HOOPS, Tamir Goodman's Triple Threat explores physical, mental, and spiritual lessons, on and off the court. Tamir Goodman was dubbed "The Jewish Jordan" by SPORTS ILLUSTRATED for the unorthodox combination of basketball prowess and devout faith that he brought with him onto the court as a top-ranked high school recruit, D-I and professional basketball player. Goodman's book features practical basketball training tips, strategies to contend with the mental side of the game, and game-like scenarios to demonstrate how this advice will pay off on the court. The book also takes readers on a fascinating journey through Goodman's career, a highlight of which includes Goodman making history as the first Jewish player to play D-I and professional basketball while wearing a yarmulke and refraining from playing on the Jewish Sabbath. By weaving the hands-on advice with the intriguing personal stories, Goodman examines the basketball fundamentals of shooting, ball-handling and passing from the physical, mental and spiritual perspectives and assigns each of these moves a deeper meaning. Goodman uses examples from his career to make the point that adding an individualized spiritual element to physical and mental training can help athletes take their game to the next level, while also helping them to identify and achieve meaningful success on the court and in life. "The nickname 'Jewish Jordan' might roll off the tongue, but Tamir Goodman's journey to realize his basketball dreams was no breeze. I thoroughly enjoyed reliving all the twists and turns through HIS eyes—one of the finest sportsmen and ambassadors that our people have ever known – in this captivating book." —Marc Stein, ESPN NBA Reporter "... an inspiring book with expert basketball advice that is great for players of all levels." —Omri Casspi, Small Forward for the NBA's Cleveland Cavaliers "... a fascinating look at one man's talents on the court, in his soul, and with an ultimate higher purpose. This book is for anyone interested in the skills of serious sportsmanship and the nuances of living an integrated and rich religious life. Tamir takes the concept of athleticism as a meaningful pursuit to the highest and most profound level. What a wonderful, joyful and superbly elegant exploration into the worlds of sports, religion, and life's purpose." —Mayim Bialik, Ph.D., CLEC, Actress—The Big Bang Theory "As a DC area native, I have crystal clear memories of the Jewish Jordan phenomena and the national attention his story created. While he was obviously an exceptional basketball player, it was his unparalleled commitment to his faith that made him so impressive. This book is a refreshing look at what it takes to be successful on and off the court. It is a must read for all players and coaches. I couldn't put it down." —Alan Stein, Professional Basketball Strength & Conditioning Coach "I have had the honor and privilege of watching Tamir Goodman conduct a basketball camp for children, so I have seen him put these words into action. For all the wonderful advice included in Triple Threat, it is his combined love affair with basketball and Judaism, and his spiritual devotion to both that stands out for me. His playing career was far too short, but his passion for his game—and his God—endures." —Mary Schmitt Boyer, sportswriter and President of the Professional Basketball Writers Association

Betrayal Jun 06 2020 Washington, DC. Former soldier and elite CIA operative Ryan Drake is heading out for dinner when he witnesses a sniper attack on a crowded freeway. A motorcade full of Russian Federal Security Force members - in Washington for a top level conference with their US counterparts - has been ambushed. Many have been killed and worst of all, Drake discovers that the leader of the strike team was Anya - the dangerous and enigmatic woman he once risked everything to protect.

On the Role of Division, Jordan and Related Algebras in Particle Physics Sep 09 2020 This monograph surveys the role of some associative and non-associative algebras, remarkable by their ubiquitous appearance in contemporary theoretical physics, particularly in particle physics. It concerns the interplay between division algebras, specifically quaternions and octonions, between Jordan and related algebras on the one hand, and unified theories of the basic interactions on the other. Selected applications of these algebraic structures are discussed: quaternion analyticity of Yang-Mills instantons, octonionic aspects of exceptional broken gauge, supergravity theories, division algebras in anyonic phenomena and in theories of extended objects in critical dimensions. The topics presented deal primarily with original contributions by the authors.
