Shadow Princess Oct 01 2022 Critically acclaimed author Indu Sundaresan picks up where she left off in *The Twentieth Wife* and *The Feast of Roses*, returning to seventeenth-century India as two princesses struggle for supremacy of their father's kingdom. Trapped in the shadow of the magnificent tomb their grief-stricken father is building for his beloved deceased wife, the emperor's daughters compete for everything: control over the imperial harem, their father's affection, and the future of their country. different brothers in the fight for ultimate power over the throne. But only one of the sisters will succeed. With an enthusiasm for history and a flair for rich detail, Indu Sundaresan brings readers deep into the complicated lives of Indian women of the time period and highlights the profound history of one of the most celebrated works of architecture in the world, the Taj Mahal.

The Feast of Roses Nov 09 2020 The love story of Emperor Jahangir and Mehrunnisa, begun in the critically praised debut novel *The Twentieth Wife*, continues in Indu Sundaresan's *The Feast of Roses*. This lush new novel tells the story behind one of the great tributes to romantic love and one of the seven wonders of the world -- the Taj Mahal. Mehrunnisa, better known as Empress Nur Jahan, comes into Jahangir's harem as his twentieth and last wife. Almost from the beginning of her royal life she fits none of the established norms of womanhood in seventeenth-century India. Mehrunnisa is the first woman Jahangir marries for love, at the "old" age of thirty-four. He loves her so deeply that he eventually transfers his powers of sovereignty to her. Power and wealth do not come easily to Mehrunnisa -- she has to fight for them. She has a formidable rival in the imperial harem, Empress Jagat Gosini, who has schemed and plotted against Mehrunnisa from early on. Mehrunnisa's problems do not just lie within the harem walls, but at court, too, as she battles powerful ministers for supremacy. These ministers, who have long had Emperor Jahangir's confidence and trust, consider Mehrunnisa a mere woman who cannot have a voice in the outside world. Mehrunnisa combats all of this by forming a junta of sorts with three men she can rely on -- her father, her brother, and Jahangir's son Prince Khurram. She demonstrates great strength of character and cunning to get what she wants, sometimes at a cost of personal sorrow when she almost loses her daughter's love. But she never loses the love of the man who bestows this power upon her -- Emperor Jahangir. *The Feast of Roses* is a tale of this power and love, the story of power behind a veil.

Zodiac Academy Aug 31 2022 You have been selected to attend Zodiac Academy, where your star sign defines your destiny. If you're one of the Fae, elemental magic is in your blood. And apparently it's in ours. As twins born in the month of Gemini, we're a rare breed even in this academy of supernatural a-holes. Changelings were outlawed hundreds of years ago but I guess our birth parents didn't get the memo. Which means we're totally unprepared for the ruthless world of Fae. Air. Fire. Water. Earth. No one has ever harnessed all four of them, until we

arrived. And it hasn't made us any friends so far. As the rarest Elementals ever known, we're already a threat to the four celestial heirs; the popular, vindictive bullies who happen to be some of the hottest guys we've ever seen. It doesn't help that they're the most dangerous beasts in the Academy. And probably on earth too. Our fates are intertwined, but they want us gone. They've only got until the lunar eclipse to force us out and they'll stop at nothing to succeed. We never knew we had a birthright to live up to but now that we do, we intend to claim our throne. We can't expect any help from the faculty when it comes to defending ourselves. So if the dragon shifters want some target practice, the werewolves want someone to hunt or the vampires fancy a snack then we have to be ready. But we've been looking after each other for a long time and fighting back is in our blood. Today's horoscope: totally screwed. This is a full-length medium burn novel that is the first in a university-age academy series. Expect forbidden teacher romance and bully romance with mature content suitable for upper YA readers and onwards.

Princess: Stepping Out Of The Shadows Jul 06 2020 In the international bestseller, *Princess: The True Story of Life Behind the Veil in Saudi Arabia*, Princess Al-Sa'ud and the acclaimed author Jean Sasson began a remarkable series of books. Now, more than twenty-five years later, this compelling journey continues as we follow the fortunes and the dazzling life of the Princess, her friends and her family. But, of course, there is a less glamorous, much darker side to this engaging series, and in *Stepping Out of the Shadows* Jean and the Princess focus their attention on how, despite positive news on civil rights reforms, Saudi women still suffer physical and psychological abuse and have

little legal protection due to the archaic guardianship laws of the land. So, although this is a kingdom on the threshold of revolutionary change – change spearheaded by the young Saudi Crown Prince who is keen to modernize his country – any thoughts of equal rights and the chance to lead an independent life remain little more than dreams for most Saudi women. Whilst the Princess acknowledges and welcomes the reforms that are on the horizon, through stories of joy and sorrow, we see how she is determined to continue to fight for equal rights for women in this, her beloved kingdom.
