Brat Farrar Oct 03 2022 What begins as a ploy to claim an inheritance ends with the impostor's life hanging in the
balance. In this tale of mystery and suspense, a stranger enters the inner sanctum of the Ashby family posing as
Ashby, the heir to the family's sizable fortune. The stranger, Brat Farrar, has been carefully coached on Patrick's
mannerism's, appearance, and every significant detail of Patrick's early life, up to his thirteenth year when he disappeared
and was thought to have drowned himself. It seems as if Brat is going to pull off this most incredible deception
secrets emerge that jeopardize the impostor's plan and his life. Culminating in a final terrible moment when all is
revealed, Brat Farrar is a precarious adventure that grips the reader early and firmly and then holds on until the
conclusion.

The Right to Sex Jun 06 2020 A SUNDAY TIMES BESTSELLER BLACKWELL'S BOOK OF THE YEAR 2021
SHORTLISTED FOR THE ORWELL PRIZE 2022 Essential lessons on the world we live in, from one of our greatest
young thinkers - a guide to what everybody is talking about today 'Unparalleled and extraordinary . . . A bracing
revivification of a crucial lineage in feminist writing' JIA TOLENTINO 'I believe Amia Srinivasan's work will change the
world' KATHERINE RUNDELL 'Rigorously researched, but written with such spark and verve. The best non-fiction
book I have read this year' PANDORA SYKES ----- How should we talk about sex? It is a thing we think about
and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by our
forces; a place where pleasure and ethics can pull wildly apart. Since #MeToo many have fixed on consent as the
framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity - its deep
ambivalences, its relationship to gender, class, race and power - we need to move beyond 'yes and no', wanted and
unwanted. We need to interrogate the fraught relationships between discrimination and preference, pornography,
freedom, rape and racial injustice, punishment and accountability, pleasure and power, capitalism and liberation. We
need to rethink sex as a political phenomenon. Searching, trenchant and extraordinarily original, The Right to Sex
landmark examination of the politics and ethics of sex in this world, animated by the hope of a different one.
The Handy Mythology Answer Book Dec 13 2020 Stories centuries in the making, and many centuries worth of stories
are an integral part of modern society. Whether modern or ancient, every culture has its myths. Mythology forms

understanding of our origin, history, and traditions. They tell of our heroes and deities. Myths are vehicles for understanding religion, for learning language, and for understanding society, but they can often be difficult to understand and confusing. The Handy Mythology Answer Book examines and explains, in plain English, numerous myths and legends from the ancient Greek and Roman to Egypt and Babylon, from Native North American Indian to Celtic, Middle Eastern, Indian, Asian, African, and the lesser known myths from around the world. The Handy Mythology Answer Book has them covered. Whether it is the modern retelling of a classic myth or an ancient story about a hero or god, this helpful resource demystifies the myth, looks at different archetypes and motifs, and even shows how myths explain our existence and institutions. It answers nearly 600 questions and offers fun facts about the treachery and violence, the inspirational and epic, the supernatural monsters and heroic mortals found in mythology, such as Hercules. When did myths originate? What are the three primary myth types? What is the nature of Creation Myths? How can myths be compared to dreams? Why do humans tell myths? What was the Egyptian Book of the Dead? How is the epic of Gilgamesh like later epics? Why is the biblical flood story so like the Babylonian flood myth? What was the myth of Theseus, the Labyrinth, and the Minotaur? What are the Homeric Hymns? How and why are the Odyssey and the Iliad different from each other? What is the popular appeal of the Odyssey? Did the Greeks see these myths as religious or entertainment? What was the background myth of the Oedipus plays? What was the nature of Roman mythology? How did the Roman Republic fit into the myth? What was the Metamorphosis? How did Christian narrative and tradition fit into and come to dominate the Roman mythological tradition? How is Celtic culture and mythology related to the culture and myth of Greek, Roman, and other cultures? How did the Vedas contribute to Hindu mythology? Who invented Chinese writing? What was the Aztec pantheon? What is the story of the Cherokee Grandmother Sun? Who are some Native American tricksters? What is the story of Schrödinger's Cat? How did Freud use myths? How is myth used in politics? A glossary of commonly used terms and an appendix of parallel mythology exploring universal themes, motifs, and archetypes across various cultures further explains the world of mythology.

Houses Divided Nov 23 2021 Houses Divided provides new insights into the significance of the nineteenth-century evangelical schisms that arose initially over the moral question of African American bondage. Volkman examines the fractures in the Baptist, Methodist, and Presbyterian churches of the slaveholding border state of Missouri. He shows that congregational and local denominational ruptures before, during, and after the Civil War were central to the development of the Union in that state from 1837 to 1876. The schisms were interlinked religious, legal, constitutional, and political developments rife with implications for the transformation of evangelicalism and the United States from the late antebellum to the end of Reconstruction. The evangelical disruptions in Missouri were grounded in divergent moral and political understandings of slavery, abolitionism, secession, and disloyalty. Publicly articulated by factional litigation over church property and a combative evangelical print culture, the schisms were complicated by the race, class, and gender politics that marked the contending interests of white middle-class women and men, rural church-goers, and African American congregants. These ruptures forged antagonistic northern and southern evangelical worldviews that increased sectarian strife and violence, energized the notorious guerilla conflict that gripped Missouri through the Civil War, and fueled post-war vigilantism between opponents and proponents of emancipation. The schisms produced the intense religious, legal and constitutional controversies that shaped pro-and anti-slavery evangelical contention before 1861, wartime Radical rule, and the rise and fall of Reconstruction.

Foxe's Book of Martyrs Mar 28 2022

A Question of Being Mar 16 2021 James Douglass's writings have been recognized as among the most challenging and inspiring explorations of nonviolence and Christian discipleship in the last century. Throughout his career, Douglass argued forcefully for the integration of contemplation and resistance, theology and cultural critique, spirituality and prophetic involvement. His work has inspired many of the key figures in recent debates regarding just war, Christian nonviolence, and radical discipleship and continues to be highly relevant in our contemporary situation. In *A Question of Being*, the first book-length treatment published on Douglass's writings, Karin Holsinger Sherman provides an introduction to and engagement with this important body of work through an exploration into its contextual influences, and main themes. Moreover, the author argues that these themes work together to create an Ontology of nonviolence, an ontology that integrates the forces of resistance and contemplation so important to Douglass. The book begins by examining Douglass's biography and three broad historical trajectories that give context to his thought: the fusion of Christianity and American nationalism in the early Cold War period; the emergence of cultural critique in the late fifties and early sixties, and the Catholic pacifist tradition; and the post-1972 period of disillusionment. Holsinger Sherman then considers the lives and thought of Dorothy Day, Mahatma Gandhi, and Thomas Merton, as well as the unique intellectual and exemplary influence on Douglass's ideas. After explicating the themes of the cross and the

kingdom as they developed chronologically in Douglass's writing career, this book draws together Douglass's thought to reveal an ontology of nonviolence. In her conclusion, Holsinger Sherman argues that this ontology of nonviolence is the key to understanding Douglass's integral theology of contemplation and resistance.

Sensing the Scriptures Jan 14 2021 This book explores the ways that Christians, from the period of late antiquity to the Protestant Reformation, interpreted the Bible according to its several levels of meaning. Using the five bodily senses as an organizing principle, Karlfried Froehlich probes key theological developments, traditions, and approaches across a broad period, culminating in a consideration of the implications of this historical development for the contemporary church. Distinguishing between "principles" and "rules" of interpretation, Froehlich offers a clear and useful way of discerning the fundamental difference between interpretive methods (rules) and the overarching spiritual goals (principles) that must guide biblical interpretation. As a study of roots and reasons as well as the role of imagination in the development of biblical interpretation, Sensing the Scriptures reminds us how intellectually and spiritually relevant the pursuit of a historical perspective is for Christian faith and life today.

The Handy Literature Answer Book Sep 21 2021 From the epic of Gilgamesh to Aristotle and Cicero, and from Shakespeare and the King James Bible to Wuthering Heights, War and Peace, The Adventures of Huckleberry Finn, and the Nobel-winning lyrics of Bob Dylan, the world of literature is an integral part of our lives. Great literature can inspire and form thoughts and opinions as well as influence politics and predict the future. Reading can truly enrich our lives, but it can sometimes be daunting to get the most out of a great work of literature. The Handy Literature Answer Book Understand and Enjoy Meanings, Symbolism, and Signs in Great Works is an engaging, easy-to-read look at literary basics such as themes, symbols, context, and other literary devices. Different literary forms, including novels, poems, plays, short stories, memoirs, and literary nonfiction are analyzed. Hundreds of important stories and great works are used as illustrative examples. Learn about the five basic questions for any work of literature, including "What is the significance of a title?" "What is conflict?" "What is character development?" "What is point of view?" "How does setting affect a story?" "What are the different schools of literary criticism?" and many more. Bringing the most of the reading experience, The Handy Literature Answer Book deciphers and analyzes stories, novels, and verses through insightful in-depth answers to nearly 400 common questions. You will also read about such fascinating tidbits as: What are the key components of literature? • How is reading literature different from other kinds of reading? • Why is artful reading so hard? • What do poems do? • How should a poem be read for its comparisons—metaphors and similes? • What, according to Poe, should be the method of the short story writer? • How do you recognize the difference between story and plot in a short story? • How can you recognize a symbol? • What are the defining characteristics of the novel? • How did the novel evolve from a popular literary entertainment to the modern novel? • What is the difference between drama and theater? • What is the best way to understand and appreciate Shakespearean drama? • What approach should you take in reading an essay? • What are characteristics of a memoir? This handy primer also includes a glossary of essential literary terms, a timeline, a helpful bibliography, and an extensive index, adding to its usefulness. Making reading more enriching, rewarding, and enjoyable, The Handy Literature Answer Book is a wonderful, eye-opening guide.

SCIENCE BOOK OF THE YEAR A GUARDIAN BEST POLITICS BOOK OF THE YEAR A TOP 5 SUNDAY TIMES

BESTSELLER *Revised and updated edition with new chapter reflecting on the impact of Covid-19 two years on, what come next* Did the UK government really 'follow the science' throughout the Covid-19 pandemic, as it claimed? Head of the Wellcome Trust, Jeremy Farrar was one of the first people in the world to hear about a mysterious disease in China - and to learn it could readily spread between people. A member of the SAGE emergency committee, Farrar was a key figure in both the UK and the World Health Organization at the onset of the Covid-19 pandemic. This book tells the story of the great uncertainty, fast-moving situations and missed opportunities. Spike is his widely acclaimed inside story. His book casts light on the UK government's claims to be 'following the science' and is informed not just by Farrar's views but also by interviews with other top scientists and political figures.

The Christian Review May 18 2021

The Ante-Nicene Fathers Jan 26 2019 "One of the first great events in Christian history was the Council of Nicaea in 325 AD, convened to organize Christian sects and beliefs into a unified doctrine. The great Christian clergymen who wrote before this famous event are referred to as the Ante-Nicenes and the Apostolic Fathers, and their writings are collected here in a ten-volume set. The Ante-Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices. But they are also real and flawed men, who were more like their fellow Christians than they are like the Apostles, making their words echo in the ears of spiritual seekers. Volume IV of the 10-volume collected works of the Ante-Nicenes first published between 1885 and 1896, reads the writings of: Tertullian, a Christian apologist and influential Latin Christian thinker Minucius Felix, known for his dialog Octavius Commodianus, a Latin poet who converted to Christianity Origen, a prolific writer and theologian. An universal history of Christian martyrdom, being a complete and authentic account of the lives, sufferings, and triumphant deaths of the primitive as well as Protestant martyrs ... In Search of Universal Grammar Apr 16 2021 This volume in honor of Jan Terje Faarlund covers the areas in which linguistics has contributed to linguistic theorizing, ranging from in-depth studies of Norwegian and Scandinavian grammar both synchronically and diachronically, to work on the Indian language Chiapas Zoque. The book is organized thematically with two chapters on each topic: The grammar of the Scandinavian languages (Tor A. Åfarli and Christer Platzack); language policies and sociolinguistics (Unn Røyneland and Peter Trudgill); French (Hans Petter Helland and Christoffer Meklenborg Salvesen); language change (Werner Abraham and Elly van Gelderen); lesser-studied languages (Alice Harris and Jerry Sadock); language acquisition (David Lightfoot and Marit Westergaard); and language evolution (Hagelberg and Salikoko Mufwene). This book will be of interest to a wide range of readers, from students to scholars working on any of the areas covered.
