Mazda MX-5 Miata 1.8 1993 to 1999 Jul 25 2019 Following the success and critical acclaim of Veloce's original manual for the

MX-5 1.6 (Miata 1.6 in USA), we've once again got our hands oily to bring the reader a new manual on the 1.8 model. Just like its predecessor this new book is phenomenally detailed, covering the car from front bumper to rear tailpipe in an informative, helpful and easy to understand manner. Every detail of important repair and maintenance jobs is covered, including how to overcome problems without resorting to special tools. Packed with step-by-step photographs and useful line drawings. No owner can afford to be without his unique manual.
