[Home By Seven](#) Dec 31 2019 One woman's solo journey to ride all seven continents on two wheels  
Welsh girl Steph Jeavons wanted to see the world. She wanted to see the sunset from every angle. She wanted to see an orangutan and a baobab tree. She wanted to become the first person to circumnavigate the globe and ride a motorcycle on all seven continents - and to sing on the way. Steph's cravings for escapism manifest themselves in many ways throughout her life. The book begins in her late teens where she finds herself in prison by the age of twenty. She knows there is a whole world beyond that razor wire just calling to be explored. Twenty years later, and armed only with a stern tone of voice she reserves for naughty dogs, drunk Turks, Iranian drivers, semi-conscious British soldiers and Saudi truckers, she rides her trusty steed Rhonda the Honda solo around the world to the highest, driest, wettest, hottest and coldest corners of the earth. This is a powerful and honest memoir written from the perspective of a liberated single woman taking on the world with a dogged determination to complete her mission at all costs. [Home By Seven](#) is told with honesty and wit and from a unique perspective.

Lois on the Loose! 06 2020 Young and beautiful, Lois Pryce was a rising star at the BBC. Unbeknownst to her co-workers, she lived a parallel life as a biker babe with an overwhelming sense of wanderlust. So she packed in her career to ride her motorbike on her own from the northernmost tip of Alaska to the southernmost tip of South America. Alone. Armed only with the Spanish words for 'caution' and 'cheese', Lois was rather under-prepared for multiple bear sightings, bribing her way through borders, spending a night in a Mexican brothel and crashing her bike in the wilds of Patagonia. She most certainly got the adventure she craved, and her pulse-pounding, soul-searching adventure has already attracted fans worldwide - a weblog that she kept while her travels was receiving more than two-thousand hits a day. Her hilarious, brilliantly written travelog will appeal to anyone who has ever dreamt of jacking-it-all-in and running away to see the world.
