Reining Her In Oct 19 2021 The last time I saw Declan St. James was at our rehearsal dinner. That was shortly before he jilted me at the altar. To avoid the swarm of whispers and finger pointing every time I dared to show my face in public, I fled two hours south to Atlanta and never looked back. Over the last decade, I'd planned hundreds of scenarios about how our next meeting would go down. The expletives I'd hurl at him. Which knee I might use to annihilate his balls. Which dimpled cheek on his ridiculously handsome face I would send a stinging slap across. But being elbow deep in a cow's ass was not one of them. Normally, I didn't get up close and personal to a bovine's rectum. At least not since veterinarian school. But desperate times found me back home to attend my grandfather's funeral, who happened to be the town's large animal vet. Those two facts had left me wading through manure in Roy Wallace's pasture to care for a distressed heifer. While time and maturity seemed to have changed him from the boy I knew, I still wasn't falling for his charm. Or his hard, chiseled body. Or ass you could eat dinner off of. No, I wasn't going back down that street again. Unfortunately, Declan didn't seem to get the message. Instead, he seemed as stubborn as he ever was and ready for a fight. It'll be the fight of his life for me to let him back in my heart.

Office Mate Jan 22 2022 Thorn From the first time I played army as a kid, the military has been my life. As an Airborne Major, I'd led my men through two tours in Afghanistan. But when my father was elected president, I became an even greater target for the enemy—a prize for someone to take out. To ensure not only the safety of myself, but of my men, I got stripped of my cammies, shoved into an Armani suit, and placed into a management position at my father's company. After years of trekking through the desert with an assault rifle, I was way out of my area of expertise, which my transition coordinator was more than happy to let me know on a daily, if not hourly basis. The brunette bombshell would be the death of me in more ways than one, especially since I hadn't been with a woman since my last deployment. She's turning out to be one of the greatest foes I've ever done battle with. Isabel In the

backwoods Georgia town I was born in, you either married right out of high school or got the hell out of town. I chose the second and never looked back. After graduating top in my class, I started working for The Callahan Corporation. Fast forward five years and I was about to become the youngest female manager in the history of my department. And then all the blood, sweat, and tears I'd put into my career were for nothing when the boss's billionaire son was handed my position on a silver platter. Not only that, I was expected to help transition him into the job that was supposed to be mine. Sure, he's easy on the eyes with his chiseled good-looks and impossibly built physique, but I'm not going to let that distract me. I hope soldier boy is good at military strategy because sabotage is the name of the game I'll be playing.

Room Mate Sep 17 2021 From the time I was a kid, I knew I wanted a job helping people. After serving in the Rifles regiment of the British Army, I focused my civilian career on becoming a bodyguard to the rich and famous. For a Cockney Brit, I never imagined a twist of fate landing me a position in the United States

Secret Service and protecting the President's son. But then my boss made an unexpected request: leave my current placement to move in with his only daughter to give an added layer of protection against the threats she had been receiving. I'd never lived with a woman who was off-limits to me. It wasn't just that Caroline had a boyfriend. She was my best friend's sister, and my boss's daughter. But the longer we're in such close quarters together, the greater the temptation grows, but I know I'll lose everything if I pursue her. Growing up as the only girl with two overbearing older brothers, I'm no stranger to being overprotected. Just as I finished up college and prepared to truly dip my toes into the adult world, my father was elected President of the United States, which added a whole new level of protection with the Secret Service team attached to me. Just when I thought I couldn't possibly be more smothered, I began receiving threats, and my family decided it wasn't enough to just have an agent living down the hall from me. Nope, I was to have one move in with me, and not just any agent, but Ty Frasier-my brother, Barrett's best friend, and my brother, Ty's, head agent. While most women would enjoy living with a sexy, buff Brit, having a roommate threw a wrench into all my plans. Especially when I began noticing Ty was so much more than a hot guy-he was someone I could fall for.**Stand-alone set in the world of Running Mate and Office Mate**

[Outraged](#) Aug 24 2019 "Funny, nuanced and wonderful" -Jon Ronson, bestselling author of *SO YOU'VE BEEN PUBLICLY SHAMED* and *THE PSYCHOPATH TEST* "Outraged is as hilarious as it is smart, and as insightful as it is provocative. A book that had me hollering, nodding and questioning at the same time." -Candice Carty-Williams, author of *Queenie* A candid exploration of the state of outrage in our culture, how it debases our civil discourse, and how we can channel it back into the fights that matter, from radio host Ashley "Doty" Charles. We're living in a post-modern utopia of sorts, where thanks to our resolute predecessors, we've checked a bunch of items off our outrage shopping list. Slavery? Abolished. Apartheid? Not anymore buddy. Women's suffrage? Nailed it. But what do you do when you keep winning your battles? Well, you pick new ones, of course. Ours is a society where many get by on provocation, the tactless but effective tool of peddling outrage--and we all too quickly take the bait. If outrage has become abundant, activism has definitely become subdued. Are we so exhausted from our hashtags that we simply don't have the energy to be outraged in the real world? Or are we simply pretending to be bothered? There is still much to be outraged by in our final frontier--the gender pay gap, racial bias, gun control--but in order to enact change, we must learn to channel our responses. Passionate, funny and unrelentingly wise, this is the essential guide to living through the age of outrage.

Running Mate Nov 19 2021 Barrett The name's Barrett Callahan. Yeah, that Barrett Callahan—the one the press dubbed “Bare” after those naked sexting pictures surfaced. At twenty-five, I was armed with an MBA from Harvard, an executive position at my father's Fortune 500 company, a penthouse, and a different piece of delectable eye candy in my bed every weekend. I had a life most men dreamed of. But then my father decided to run for president, and my playboy lifestyle became a liability to his campaign that was built on family values. My “makeover” comes in the form of a fake fiancée who I don't even get to choose—one who is an uptight, choirgirl acting priss but also sexy-as-hell. Addison My latest relationship had gone down in flames, and I was drowning in a sea of student loans when in true Godfather

status, James Callahan made me an offer I couldn't refuse. Seven figures for seven months on the campaign trail pretending to be the adoring fiancée of his son, Barrett. As soon as he won the election, our engagement would be dissolved amicably for the press, I was free to ride off into the sunset a million dollars richer, and because of the NDA, no one would be the wiser. Sure, I'd never met the guy, but I'd been a theater nerd in high school. I could pull off any role from Lady Macbeth to Maria Von Trapp. But that was before I met my fake fiancé—the infuriating, self-absorbed, egotistical, drop-dead-sexy King of the Manwhores. The race will be a fight to the death finish, and that's not even the actual campaign.
