[Outlaw Choppers -ECS](#) Dec 22 2021 Choppers, originally the favored rides of outlaw bikers, represent the pinnacle of today's motorcycling chic. Choppers designed by top builders routinely command six-figure prices. Once relegated to the scrap heap of pop-culture history along with wide lapels, mutton-chop sideburns, and macramé vests, the chopper has returned to the cultural forefront. Today's choppers, rigid-framed, 125-horsepower steeds thrusting their extended forks down America's public highways, violate our sensibilities with their sheer outrageousness. [Outlaw Choppers](#) tells the story of these wild machines, where they came from, what's going on today, and where they're going in the future.

[Promise of Departure](#) Jul 17 2021 Jobless and adrift in a workaday society he no longer recognizes, Greg is rattled in unexpected ways by the heartbreak in Haiti that clear January morning when he spots an unusual opportunity in the looped nightly news, something he can do - a small way he just might be able to help. Facing divorce and an anesthetized hereafter, Greg shucks tradition and packs his motorcycle, headed to a shattered country to unexpectedly find the one thing he's abandoned. "Refreshing stuff for us bookish riders ... A little Zen [and the Art of Motorcycle Maintenance], a little Jupiter's Travels, fans of Pirsig and Simon will feel right at home." -Cycle Gurus "Montgomery's debut recalls aspects of Laurence Sterne, with an introspective protagonist both pursued and pursuing some great intangible, the destination secondary to the many digressions along the way ... The colloquial manner that Greg engages with his own challenges, from dropped bikes to sleepless nights, steers the book clear of heavy-handedness. Engrossing prose..." -Kirkus Readers may also enjoy the following: [Jupiter's Travels](#) | [The Sea Wolf](#) | [Ghost Rider: Travels on the Healing Road](#) | [The Bell Jar](#) | [The Great Gatsby](#) | [The Road](#) | [Shop Class as Soulcraft: An Inquiry Into the Value of Work](#) | [The Motorcycle Diaries: Notes on a Latin American Journey](#) | [Gravity's Rainbow](#) | [Zen and the Art of Motorcycle Maintenance](#)

Roar and Thunder Sep 18 2021 From Cushman motor scooters to four-cylinder Hondas, Roar and Thunder is a personal lifetime journey of owning and riding motorcycles. Solo or two-up it tells of riding adventure through five Western states and Mexico, what was going on in the world at the time, and the changes in motorcycles and attitudes about them. There are twisty open roads, mud trails, quick boring freeways, traffic jams, high desert winds, pouring rain and blinding blizzards. The big motorcycle rides of the past are there - Death Valley Run, Indio, Lone Pine, Yuma Prison Run, Sunday poker runs, and just rides for burger and beers. Absent are Harley Davidson only events. If motorcycles are part of your life, come along for the ride

No le digas a la mama que me he ido a Mongolia en moto Dec 30 2019 Un gran viaje en moto a uno de los lugares más remotos del planeta. Acompaña a Ricardo Fité hasta Mongolia en una aventura sin parangón. Edición con fotos y mapa. Un día, el autor vio en Internet un vídeo sobre una loca competición llamada Mongol Rally, que cruza Europa y Asia para acabar en Mongolia. Decidió participar y, para que fuera un reto mayor, lo haría con su antigua Yamaha de 250. Así inició un viaje a Ucrania, Rusia y el corazón de Asia Central hasta la patria de Gengis Kan. Desiertos y aventuras, pero también policías corruptos, tatuadores inmisericordes y chicas pasadas de rosca. Esta es la narración de una emocionante aventura por el Lejano Este del siglo XXI, la nueva frontera. "Libertad, aventura no exenta de riesgo y un gran sentido del humor. Un libro de viajes ameno, divertido y, en ocasiones, inquietante" (Sito Pons, bicampeón del mundo de motociclismo). "Viajero de estos tiempos, el libro de Ricardo te divertirá y ayudará a emprender tu propia ruta" (Emilio Scotto, récord Guinness por el viaje más largo en moto). "La vida sólo se vive una vez, el mundo es para disfrutarlo y la aventura la llevamos dentro por todos nuestros antepasados, que eran aventureros y guerreros. Muy bueno el libro, el documental y la experiencia. Te felicito" (Jordi Arcarons, participante del Rally París-Dakar en 16 ediciones). "Una aventura con mayúsculas, disfrazada de hecho mundano, un viaje como los de antes, perlado de peripecias y situaciones rocambolescas" (Roberto Naveiras, director del programa 'Viajo en moto').

Restauración de motos antiguas Aug 18 2021 Motor, chasis, electricidad, accesorios... Los héroes también se cansan, y las motos de ensueño de antaño poco a poco pierden su esplendor. Las arañas decoran con su trabajo las bocas de los tubos de escape, los depósitos se van oxidando bajo capas de polvo de varios centímetros, el cromo se llena de perforaciones, el faro se apaga y con bastante frecuencia, la última estación de este viaje se llama chatarrería. Pero, a veces, aparece algún entusiasta del motor que vuelve a despertar la belleza dormida. Para él los consejos son oro puro: ¿dónde puedo encontrar repuestos? ¿Qué trampas acechan a la galvanización?. ¿cómo se puede hacer funcionar de nuevo unos pistones requemados? Y ¿cómo se limpian los tubos de escape llenos de hollín? En este libro, Jürgen Gafßner responde a estas preguntas y muchas más. Él ha restaurado numerosas motos con sus propias manos, laminando carenados, puliendo con chorro de arena, cromando y pintando al polvo, y ha escrito una obra que es muy útil para todos los apasionados de este arte: Restauración de motos antiguas es un libro de instrucciones generosas, explicadas paso a paso y profusamente ilustradas, que pretende ayudar a todo aquel que quiera recuperar el esplendor de las motos alemanas, italianas, inglesas y japonesas, antiguas y no tan antiguas. Modelos de restauración que trata este libro: AJS 7R Ardie TM 500 BMW R 51/2 Honda CB 350 Four Ecker-Honda CB 750 K1 Horex Regina 350 Kawasaki KH 400 Laverda 750 SFC NSU 251 OSL NSU Lux Suzuki GT 380.
