**Comparative Regionalisms for Development in the 21st Century** Aug 19 2021 The global 'financial' crisis at the turn of the decade has accelerated changes in the relative standing of major regions. As both the US and Eurozone economies have confronted a series of setbacks and struggles to find their second breath, so Asia, Latin America and even Africa have picked up the slack and have been able to maintain high levels of growth. The resilience of the Global South questions whether we are witnessing an evolution towards a regional rebalancing or even global restructuring. This responding volume has four interrelated topics. It explores the transformation taking place in/with regard to the financing of development in the Global South and the apparition of new players in the field. The emergence of 'New Regionalisms' in the South and the usefulness of these experiences for comparative studies of regional relationship is explicated. It turns its attention to new forms of transnational governance that are emerging and the role that a novelty of actors play in this 'new multilateralism'. Finally, it looks into the implications of this trio of novel directions and players for analyses and policies.

*Trying to Score* Sep 27 2019 Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to annoy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets have a way of getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me. Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey player who wants a second chance. She's a tough as nails attorney intent on making partner. Friemies to lovers. No cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series is perfect for you!

**The Widow Waltz** Mar 02 2020 "This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom

and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. *This Is War* Aug 26 2019 Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game—and lose. Checkmate.

Refiguring the Postmaternal Aug 31 2022 This book explores the concept of the 'postmaternal' as a response to changing cultural, political and economic conditions for motherhood and responds to Julie Stephens' contention that gender-neutral feminism has led to a forgetting of the maternal within feminist memory. In *Confronting Postmaternal Thinking: Feminism, Memory, Care* (2011) Stephens identifies a significant cultural anxiety about care-giving, nurturing and human dependency she calls 'postmaternal' thinking. Stephens argues that maternal forms of care have been rejected in the public sphere and marginalised to the private domain through an elaborate process of cultural forgetting, in turn contributing to the current dominance of a degendered form of feminism. This book argues that refiguring postmaternalism requires opening up the maternal beyond the category of mothers and the nuclear family. The chapters in this edited volume contribute to the field of maternal studies by investigating the connections between maternalism, feminism and neoliberalism through diverse feminist theories, cases and methodologies. We challenge Stephens' diagnosis of the 'forgetting' of certain forms of maternal practices from feminism's history by highlighting the ongoing contested place of the maternal in feminist scholarship and activism for the last five decades. We argue that the memorializing of the maternal in feminist scholarship needs to reflect its diverse legacies in the analyses of black feminism, socialist feminism and ecofeminism in order to destabilise the association of the maternal with neoliberalism and the depoliticization of feminism. This book was originally published as a special issue of *Australian Feminist Studies*. *Teaching Abby* Dec 11 2020 It's a summer internship. Never mind that the owners are hot.
