Wherever Sean Drummond goes, it seems that the JAG officer leaves a trail of political fallout in his wake. So when his superiors get an opportunity to loan him to a prestigious law firm, they jump on it, hoping he'll soak up the nuances of civilian lawyering. But almost immediately, dark clouds appear when Sean's predecessor in the loan-out program is murdered. Then Sean begins to sense something amiss with the firm's biggest client, a telecom behemoth with large defense contracts. Rough Country Sep 15 2021 **Don't miss John Sandford's brand-new thriller Masked Prey, available now** The third Virgil Flowers novel by internationally bestselling author John Sandford While competing in a fishing tournament in a remote area of northern Minnesota, Virgil Flowers gets a call from his old friend Lucas Davenport to investigate a murder at a nearby resort, where a woman has been shot while kayaking. The resort is for women only: a place to relax, get fit, recover from plastic surgery, commune with nature, and sometimes get to know each other a little better. As Flowers begins investigating, he finds a web of connections between the people at the resort, the victim, and some local women: notably a talented country singer. And the more he digs, the more he discovers a multitude of motivations for murder: jealousy, greed, anger, and blackmail. And then Flowers learns that this is not the first death at this particular resort. Someone else died there, a year ago. And that there's about to be a third, definitely related death, any time now. And as for the fourth... well, Virgil better hope he can catch the killer before that happens. Because it could be his own. * * * Praise for John Sandford and the Virgil Flower novels * * * 'Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character' Publishers Weekly on Deep Freeze 'A knowing portrait of small-town life layered into a very well plotted mystery. Each carries their views to extremes that may seem absurd, but highly educated people of sound mind and good intentions can reasonably disagree, right? Then a renowned and confrontational scholar winds up dead, and Virgil Flowers is brought in to investigate. . . . and as he probes the recent ideological unrest, he soon comes to realize he's dealing with people who, on this one particular issue, are functionally crazy. Among this group of wildly impassioned, diametrically opposed zealots lurks a killer, and it will be up to Virgil to sort the murderer from the mere maniacs.

Silken Prey Sep 22 2019 Murder, scandal, political espionage and an extremely dangerous woman. Lucas Davenport's going to be lucky to get out of this one alive. A Minnesota political fixer has hit the jackpot - or so he thinks. Hired to take down the incumbent U.S. senator with a vicious smear, to open the way for an ambitious, take-no-prisoners heiress who sees the Senate as merely a stepping-stone, he decides his payoff should be larger. The blackmail demand should yield some pretty large numbers, he thinks. Instead, he gets only a small one - 9 millimeters, to be exact. In the heart. Davenport is investigating the smear when the trail leads to the man's disappearance, then - very troublingly - to the Minneapolis police department, then - most troublingly of all - to a woman who could give Machiavelli lessons. She has very definite ideas about the way the world should work, and the money, ruthlessness and sheer will to make it happen. No matter who gets in the way.

Deep Freeze Apr 22 2022 **Don't miss John Sandford's brand-new, pulse-pounding thriller, *Bloody Genius*. Out now in eBook, out in paperback April 2020** The tenth Virgil Flowers novel by internationally bestselling author John Sandford *Class reunions*: a time for memories. Good, bad and – as Virgil Flowers is about to find out – deadly. Virgil knows the town of Tripton, Minnesota, a little too well. A few years back, he investigated the corrupt – and as it turned out, homicidal – local school board, and now the town's back in view with more alarming news: A woman's been found dead, frozen in a block of ice. There's a possibility that it might be connected to a high school class of twenty years ago that has a mid-winter reunion coming up, and so, wrapping his coat a little tighter, Virgil begins to dig into twenty years' worth of traumas, feuds, and bad blood. In the process, one thing becomes increasingly clear to him. It's true what they say: High school is murder. * * * Praise for John Sandford and the Virgil Flower novels * * * 'Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character' Publishers Weekly on *Deep Freeze* 'A knowing portrait of small-town life layered into a very well plotted mystery. Virgil understands that, in small towns, no one ever outgrows high school... The Investigator Jan 27 2020 Letty Davenport, the brilliant and tenacious adopted daughter of Lucas Davenport, takes the investigative reins in the newest thriller from #1 bestselling author John Sandford. "Sandford fans rejoice! Davenport next generation has arrived and Letty is exactly the kind of cool-eyed, smart-mouthed, lethally dangerous heroine we've been waiting for." --Lisa Gardner, author of *One Step Too Far* By age twenty-four, Letty Davenport has seen more action and uncovered more secrets than many law enforcement professionals. Now a recent Stanford grad with a master's in economics, she's restless and bored in a desk job for U.S. Senator Colles. Letty's ready to quit, but her skills have impressed Colles, and he offers her a carrot: feet-on-the-ground investigative work, in conjunction with the Department of Homeland Security. Several oil companies in Texas have reported thefts of crude, Colles tells her. He isn't so much concerned with the oil as he is with the money: who is selling the oil, and what are they doing with the profits? Rumor has it that a fairly ugly militia group might be involved. Colles wants to know if the money is going to them, and if so, what they're planning. Letty is partnered with a DHS investigator, John Kaiser, and they head to Texas. When the case quickly turns deadly, they know they're on the track of something bigger. The militia group has set in motion an explosive plan . . . and the clock is ticking down.

Deadline Feb 20 2022 From the Pulitzer Prize-winning author comes a brand new Virgil Flowers thriller that will keep you gripped until the very last page. "Barns, the chairman, looked around the room and said, 'Okay. We can do this. Let's see a show of hands. It's unanimous, or it's prison. Do we kill Clancy Conley?' "They all looked around at each other, each of them reluctant to go first. Then the fat man raised his hand, and then Kerns, and then the rest of them. "It's unanimous,' Barns said." In southeast Minnesota, down on the Mississippi, a school board meeting is coming to an end. The board chairman announces that the rest of the meeting will be closed, due to personnel issues. "Issues" is correct. The proposal up for a vote before them is whether to authorize the killing of a local reporter. There are no votes against. Meanwhile, not far away, Virgil Flowers is helping out a friend by looking into a dognapping, which seems to be turning into something much bigger and uglier -- a team of dognappers supplying medical labs -- when he gets a call from Lucas Davenport. A murdered body has been found -- and the victim is a local reporter...

Secret Prey Mar 09 2021 **Don't miss John Sandford's brand-new thriller *Masked Prey*, available now** A Lucas Davenport thriller by internationally bestselling novelist John Sandford Five men go hunting. Only four come back alive. It's up to Lucas Davenport to untangle the secrets that bind these men together and uncover his prey... The company chairman lay on the cold ground of the woods, his eyes unseeing, his orange hunting jacket punctured by a rifle bullet at close range. Around him stood the four executives with whom he had been hunting, each with his or her own complicated agenda, each with a reason not to be sorrowful about the man's death. If he read it in a book, Lucas Davenport thought, it would seem like one of those classic murder mysteries, the kind where the detective gathers everyone together at the end and solves the case with a little speech. But it wasn't going to be that easy, he knew. There were currents running through this group, hints and whispers of something much greater than the murder of a single man. He had felt this way not long before, sensed the curling of an indefinable evil, and not only had it nearly gotten him killed, it had lost him the woman he loves. Sometime soon, unless he could stop it, there would be another death, and then still another, and Davenport couldn't help but wonder if maybe this time, the final death might not be his own. . . . The ninth *Prey* novel may well be the best, and that's high praise in the context of such a consistently entertaining body of work' Booklist 'Events from earlier *Prey* novels weave intriguingly through this one, inviting the reader to plunge into the entire series' Kirkus
