The Law of Business Organisations Mar 24 2022 This highly accessible text provides both a legal and practical examination of the law of business organisations. It places the law in context by examining the changing legal and business problems encountered during the life of a fictional business from its formation through to the problems of the company's insolvency and finally its dissolution. This book is ideal for students studying law as part of a business degree as well as for students on the Legal Practice Course.

Law | Book | Culture in the Middle Ages Feb 20 2022 Law | Book | Culture in the Middle Ages takes a detailed view on the role of manuscripts and the written word in legal cultures, spanning the medieval period across western and central Europe.

Constitutional and Administrative Law Feb 08 2021 The fourth edition of Constitutional and Administrative Law: Text with Materials provides a wealth of essential materials drawn from a wide range of sources and integrated with lively commentary. It enables students to gain a full understanding of public law by explaining the context of its historical development and current political climate.

Education Law Handbook Nov 19 2021 The Education Law Handbook is a comprehensive textbook for legal practitioners covering all areas of education law from pre-school to university. It has been written by a team of specialist education law barristers at 11KBW in London, the leading education law Chambers in the country. It is structured according to the four main phases of education: (1) pre-school and nurseries (2) schooling for children of compulsory school age (3) sixth-form and further education (4) higher education The law applicable to all types of schools, colleges and universities is explained, and themes such as special educational needs, transport, negligence, discrimination and human rights are all dealt with in detail, as is the law applicable to teaching staff and governing bodies. This book is quite simply the most comprehensive and detailed book on education law available. [Subject: Education Law, Public Law & Regulation, Legal Education]

Tolleys Taxwise 2021-22 Feb 29 2020

The Rule of Laws May 02 2020 'A fascinating, comprehensive study that forces us to think again about what law is, and why it matters ... For those who want to understand why human society has emerged as it has, this is essential reading' Rana Mitter, author of China's Good War The laws now enforced throughout the world are almost all modelled on systems developed in Europe in the eighteenth and nineteenth centuries. During two hundred years of colonial rule, Europeans exported their laws everywhere they could. But they weren't filling a void: in many places, they displaced traditions that were already ancient when Vasco Da Gama first arrived in India. Where, then, did it all begin? And what has law been and done over the course of human history? In The Rule of Laws, pioneering anthropologist Fernanda Pirrie traces the development of the world's great legal systems - Chinese, Indian, Roman, and Islamic - and the innumerable smaller traditions they inspired.

Human Rights Law Aug 29 2022 This textbook comprehensively examines and analyses the interpretation and application of the United Kingdom's Human Rights Act 1998. The third edition has been fully updated to include the last seven years of case law. Part I covers key procedural issues including: the background to the Act; the relationship between UK courts and the European Court of Human Rights; the definition of victim and public authority; determining incompatibility including deference and proportionality; the impact of the Act on primary legislation; and damages and other remedies for the violation of Convention rights. In Part II of the book, the Convention rights, as interpreted and applied by United Kingdom courts, are examined in detail. All of the key Convention rights are discussed including: the right to life; freedom from torture and inhuman or degrading treatment or punishment; the right to liberty; fair trial; the rights to private life, family life and home; freedom of religion and belief; freedom of expression; the right to peaceful enjoyment of possessions; and the right to freedom from discrimination in the enjoyment of Convention rights. The third edition of Human Rights Law will be invaluable for those teaching, studying and practising in the areas of United Kingdom human rights law, constitutional law and administrative law.

Steiner & Woods EU Law Sep 05 2020 'EU Law' covers both the institutions of the EU and the substantive law they produce. The new constitution is introduced, its aims and the reasons for its negotiation. Pedagogical features have been incorporated into this edition making the text easier to navigate.

Politics and International Law Apr 12 2021 Teaches how and why states make, break, and uphold international law using accessible explanations and contemporary international issues.

Textbook on Land Law Mar 12 2021 Relied upon by students for over 25 years, this book continues to bring an innovative, practical focus to modern land law, guiding the reader through real-life situations to illustrate rules and highlight problem areas. Clear diagrams, sample documents and further reading help students understand the law in context.

Textbook on Immigration and Asylum Law Jul 28 2022 This volume examines the law and system of control which govern immigration and asylum in the UK. It begins with the historical and legal context, explains who is subject to immigration control, and describes the legal and administrative structure of the system.

Law Books in Action Dec 09 2020 'Law Books in Action: Essays on the Anglo-American Legal Treatise' explores the history of the legal treatise in the common law world. Rather than looking at treatises as shortcuts from 'law in books' to 'law in action', the essays in this collection ask what treatises can tell us about what troubled legal professionals at a given time, what motivated them to write what they did, and what they hoped to achieve. This book, then, is the first study of the legal treatise as a 'law book in action', an active text produced by individuals with ideas about what they wanted the law to be, not a mere stepping-stone to codes and other forms of legal writing, but a multifaceted genre of legal literature in its own right, practical and fanciful, dogmatic and ornamental in turn. This book will be of interest to legal scholars, lawyers and judges, as well as to anyone else with a scholarly interest in law in general, and legal history in particular.

Tort Law Textbook May 26 2022 This second edition of Tort Law textbook provides a clear, accessible, and up-to-date introduction to all areas of tort law found in introductory law classes. The text has been extensively revised and re-structured to create an independent textbook resource. End-of-chapter questions, assessment exercises, and chapter summaries, as well as summaries of the key cases referred to throughout the text enable students to test their knowledge and check their understanding of tort law. A companion web site is an additional source of information for students, containing further cases as well as the answers to the end of chapter questions.

Law Made Simple Jun 22 2019 This fourteenth edition of Law Made Simple marks the fiftieth year of the publication for one of the best-selling UK law books. It is the perfect introduction to the English legal system, and combines an overview of both the legislation and case law relating to all the foundation subjects, including Contract, Torts, Land, Trusts, Criminal, Public and EU. Fully updated, this book acts as a clear and concise guide for students studying law at any level, and takes into account developments across the curriculum. It is suitable for students studying law at A-Level, or as an excellent background for students thinking of embarking on the study of law or related course at degree level.

Textbook on Criminal Law Jun 14 2021

Business Law I Essentials Jan 28 2020 A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

The Law in 60 Seconds Sep 25 2019 'An indispensable guide to the law and your rights, giving you a lawyer in your pocket for a multitude of legal questions and problems that crop up in everyday life. ... Exceptional' - The Secret Barrister 'Brilliant and generous and very necessary' - Sarah Langford, author of In Your Defense 'A triumph of a book. It should form the basis for a national curriculum in law.' - Joanna Hardy-Susskind From junior barrister Christian Weaver comes an indispensable guide to your basic legal rights. We engage with the law every day: when we leave the house, and even when we don't, we're bound by rules we don't even notice. Until they're used against us. Knowing our rights means taking control of our lives. In this handbook, lawyer Christian Weaver brings together everything you need to know to claim your space in the world. Whether you are arguing with your landlord, looking for a refund, going to a protest or being harassed, this essential guide illuminates the full power of the law, and arms you with your rights, including: - in a relationship - at home - out on the street - when you've spent money, owe it or are owed it From housing to relationships, police conduct to travel, this guide will give you the confidence and clarity to take control in any situation.

A Textbook of Company Law, 11th Edition Apr 24 2022 The eleventh edition of this essential textbook captures the changing landscape of Company Law. The book has been revised to include the notable changes brought about by the Companies (Amendment) Act, 2015. It provides an incisive analysis of the strategic shift brought by the Companies Act, 2013 and the dimensions of the enabling provisions of the new law. Interesting and easy to understand, this book is a concise text on company law. It discusses the core features of company law, the regulations binding the relationships, the legal strategies to address the ascending problems and the legal trade-offs. Besides focus on the core topics, all the judicial and statutory developments, taken place so far, have been taken into account. Case laws are integrated throughout the book to illustrate key topics. Students preparing for Company Law or Corporate Law paper of respective examinations will find this book immensely useful.

Textbook on Legal Language and Legal Writing Oct 26 2019

Law 101 Jan 10 2021 A solid reference for both the everyday and the unexpected legal issues, written by practicing attorneys Law 101 is an essential reference that explains: How laws are made How the court system works How each area of the law impacts your daily life Key information for important questions: How does a lawsuit begin? How do civil and criminal law differ? When do state laws trump federal laws? What makes a contract solid? What can you expect if called as a juror? What can you expect if called as a witness? And other complex areas of the law that you need to know. No home reference shelf is complete without this indispensable guide. The new edition also includes information on legal subjects that have become more important recently, including alternative dispute resolution, privacy rights, and Internet

law.

European Union Law Textbook Nov 27 2019 Deards and Hargreaves' popular Blackstone's Study Pack has been fully updated and revised and now takes the form of an introductory EU Law text. The text provides a clear and comprehensive analysis of the key issues in this important area of law. It is designed in particular to make the study of EU Law, an area that students often find complex and abstract, more accessible and user-friendly and makes frequent use of self-assessment questions and activities. A fully cross-referenced companion website contains all the cases and materials discussed in the text. The book now details the vertical restraints block exemption (EC competition law), the latest developments on EC competition law enforcement, and proposed legislation on free movement of persons as well as recent case law in all areas covered by the text. Chapter 4 has been reorganised and now includes an analysis of each Treaty, including the Treaty of Nice, followed by analyses of each major topic area, such as subsidiarity, common foreign and security policy.

General Principles of Law and International Due Process Sep 17 2021 Article 38 of the Statute of the International Court of Justice defines "international law" to include not only "custom" and "convention" between States but also "the general principles of law recognized by civilized nations" within their municipal legal systems. In 1953, Bin Cheng wrote his seminal book on general principles, identifying core legal principles common to various domestic legal systems across the globe. This monograph summarizes and analyzes the general principles of law and norms of international due process, with a particular focus on developments since Cheng's writing. The aim is to collect and distill these principles and norms in a single volume as a practical resource for international law jurists, advocates, and scholars. The information contained in this book holds considerable importance given the growth of inter-state intercourse resulting in the increased use of general principles over the past 60 years. General principles can serve as rules of decision, whether in interpreting a treaty or contract, determining causation, or ascertaining unjust enrichment. They also include a core set of procedural requirements that should be followed in any adjudicative system, such as the right to impartiality and the prohibition on fraud. Although the general principles are, by definition, basic and even rudimentary, they hold vital importance for the rule of law in international relations. They are meant not to define a rule of law, but rather the rule of law.

Textbook on Administrative Law Jan 22 2022 The seventh edition of Textbook on Administrative Law continues to provide students with an accessible and stimulating guide to the subject. Practical in approach, the authors concentrate on fully analysing core topics, while at the same time setting them within a contextual and thematic framework.

Textbook on Contract Law May 14 2021 The 13th edition of this established and popular text provides a clear and commercially-focused exposition of contract law. Case-driven content and succinct explanations are combined with summaries, questions, and examples to allow students to gain a sound understanding of the theory and application of contract law principles.

What About Law? Aug 17 2021 "What About Law?" succeeds where so many legal guidebooks fail ... [it] skilfully demystifies the law and ably proves its argument. The law is, indeed, all around us - and this book will whet your appetite to find out how and why." - Alex Wade, The Times (of the previous edition) Law is one of the few subjects that the school leaver, choosing a degree course, will have very little real understanding of. This book comes to the rescue by clearly setting out what a prospective law student can expect and why a student should choose to study law. This new edition is updated to reflect the reality of studying law today, highlighting changes due to Brexit and reforms to constitutional law. The book covers the compulsory subjects every law student has to study: contract, criminal, property and trusts law, and brings them up to date. With a clear core structure and approach it takes a case from each of these subjects to illustrate legal issues and methodology. The writing style is accessible and has the audience - novices to law - firmly in mind. What About Law? shows how the study of law can be fun, intellectually stimulating and challenging. It introduces prospective students to the legal system, legal reasoning, critical thinking and argument. Written by a team of experienced teachers, this book should be read by every student about to embark on the study of law.

The Law of Privilege Mar 31 2020 Providing solutions to specific issues which regularly arise in practice, this practical guide gives detailed and up to date coverage of all key aspects of privilege including legal advice privilege, joint and common interest privilege, and the privilege against self-incrimination as they apply to litigation and non-litigation situations.

Legal Skills Dec 21 2021 'Legal Skills' encompasses all the academic and practical legal skills vital to a law degree in one manageable volume. It is an ideal text for the first year law student and a valuable resource for those studying law at any level.

Legal Skills Aug 24 2019 The best-selling legal skills textbook in the market, Legal Skills is the essential guide for law students, encompassing all the academic and practical skills in one manageable volume. It is an ideal text for students new to law, helping them make the transition from secondary education and giving them the skills they need to succeed from the beginning of their degree, through exams and assessments and into their future career. The first part covers 'Sources of Law' and includes information on finding and using legislation, ensuring an understanding of where the law comes from and how to use it. The second part covers 'Academic Legal Skills' and provides advice on general study and writing skills. This part also includes a section on referencing and avoiding plagiarism amongst a number of other chapters designed to help students through the different stages of the law degree. The third and final part is dedicated to 'Practical Legal Skills'; a section designed to help develop transferable skills in areas such as presentations and negotiations that will be highly valued by future employers. The text contains many useful features designed to support a truly practical and self-reflective approach to legal skills including self-test questions, diagrams and practical activities. Students are given the opportunity to take a 'hands on' approach to tackling a variety of legal skills from using cases to negotiation. Each skill is firmly set in its wider academic and professional context to encourage an integrated approach to the learning of legal skills. Legal Skills is accompanied by an innovative Online Resource Centre offering a full range of resources including: - Video clips of good and bad 'real life' moots in action bring the subject to life - Guidance on practical exercises and questions from the book so students can test themselves on essay writing, problem solving, revision and exam skills and compare against example answers with commentary - Lecturers can track student progress using an online bank of 200 multiple choice questions offering immediate answers and feedback that can be customised and loaded on to a university VLE

The Rule of Law Aug 05 2020 'The Rule of Law' is a phrase much used but little examined. The idea of the rule of law as the foundation of modern states and civilisations has recently become even more talismanic than that of democracy, but what does it actually consist of? In this brilliant short book, Britain's former senior law lord, and one of the world's most acute legal minds, examines what the idea actually means. He makes clear that the rule of law is not an arid legal doctrine but is the foundation of a fair and just society, is a guarantee of responsible government, is an important contribution to economic growth and offers the best means yet devised for securing peace and co-operation. He briefly examines the historical origins of the rule, and then advances eight conditions which capture its essence as understood in western democracies today. He also discusses the strains imposed on the rule of law by the threat and experience of international terrorism. The book will be influential in many different fields and should become a key text for anyone interested in politics, society and the state of our world.

Textbook on Medical Law Jul 24 2019 Medical law is now a distinct and important legal subject. The rights and duties of the medical profession and the increasing human rights demands of patients ensures medical law continues to be one of the most dynamic and challenging subjects for study and debate. Since the publication of the first edition of this book, medical law has had to confront a series of cases concerning one of the most intractable issues of our time, the termination of patients' lives in distressing conditions. Since the momentous House of Lords' decision in the case of Anthony Bland, a victim of the Hillsborough Stadium disaster, the medical law courts have had to react to changes in medical technology which can increase a patient's life-span whilst inspiring strong ethical dilemmas. Medical research has recently pioneered the technology to clone the human species as well as transplant organs from animals to humans. These are just a sample of current matters considered in the second edition of Textbook on Medical Law, which remains both a description and an evaluation of the law as it stands and is an aid to understanding the core principles which guide the future development of that law.

Textbook on Criminal Law Sep 29 2022 'Textbook on Criminal Law' has been revised to incorporate all significant case law and statutory material since the last edition. Bringing clarity to this subject, the author clearly states the general principles of criminal law and the current state of the law, guiding students through areas of complexity.

Tort Law Jul 04 2020 This book modernizes the traditional tort law textbook by combining in-depth analysis of policy with detailed discussion of legal doctrine.

The Secret Barrister Oct 07 2020 The Sunday Times number one bestseller. Winner of the Books are My Bag Non-Fiction Award. Shortlisted for Waterstones Book of the Year. Shortlisted for Specsavers Non-Fiction Book of the Year. You may not wish to think about it, but one day you or someone you love will almost certainly appear in a criminal courtroom. You might be a juror, a victim, a witness or - perhaps through no fault of your own - a defendant. Whatever your role, you'd expect a fair trial. I'm a barrister. I work in the criminal justice system, and every day I see how fairness is not guaranteed. Too often the system fails those it is meant to protect. The innocent are wronged and the guilty allowed to walk free. In The Secret Barrister: Stories of the Law and How It's Broken I want to share some stories from my daily life to show you how the system is broken, who broke it and why we should start caring before it's too late. A Sunday Times top ten bestseller for twenty-four weeks. 'Eye-opening, funny and horrifying' - Observer 'Everyone who has any interest in public life should read it' - Daily Mail

Letters to a Law Student Jul 16 2021 Letters to a Law Student relays all that a prospective law student needs to know before embarking on their studies. It provides a useful guide to those considering a law degree or conversion course and helps students prepare for what can be a daunting first year of study.

Learning the Law Nov 07 2020 Learning the Law is unique among law books. It does not say what the laws is; rather, it aims to be a Guide, Philosopher and Friend to the reader at every stage of his legal studies.

The Law Book Jun 26 2022 Explores 250 of the most fundamental cases, laws and trials that have changed our world. Examines diverse topics from around the globe. Offers authoritative context to ancient documents, as well as contemporary issues.

Principles of Law Dec 29 2019

Is Rating People Wrong? Oct 19 2021 Great cases are those judicial decisions around which the common law develops. This book explores eight exemplary cases from the United Kingdom, the United States and Australia that show the law as a living, breathing and down-the-street experience. It explores the social circumstances in which the cases arose and the ordinary people whose stories influenced and shaped the law as well as the characters and institutions (lawyers, judges and courts) that did much of the heavy lifting. By examining the consequences and fallout of these decisions, the book depicts the common law as an experimental, dynamic, messy, productive, tantalizing and bottom-up process, thereby revealing the diverse and uncoordinated attempts by the courts to adapt the law to changing conditions and shifting demands. Great cases are one way to glimpse the workings of the common law as an untidy but stimulating exercise in human judgment and social accomplishment.
