The Forgotten Edge of Russia Mar 03 2020 The book, in words and watercolor paintings, is about a forgotten land-and a people who were forgotten by their government and by the Church. But God has not forgotten the people of Chukotka. My mission was to provide dental treatment and to tell them about Jesus, who can mend a broken heart and replace hopelessness. In this desolate land I found my own emotional healing in God's Word, friendships, and the joy of painting. This book can be an encouragement to those in God's service who may experience weariness.
