So Many Firsts Nov 12 2020 Inspiring and informative, *So Many Firsts* examines the political lives of women in the Liberal Party from Enid Lyons to today. Annabelle Rankin, Margaret Guilfoyle, Helen Coonan and Julie Bishop are among the pioneering women who achieved so many firsts in their achievements as women, and for women. They had many hurdles to overcome - including the long fight to extend child endowment, the battle to remove the legislative barriers to married women working in the public service, equal work, equal opportunity and equal pay - along with the notion that they could do more than only represent women's issues. In 1948, *The Mail* helpfully declared of Senator Annabelle Rankin: "She tackles men's problems too". In the Turnbull era, women are occupying many of Party's key positions, and continue to applying their spirit and talent to achieving even more firsts for the nation.

A Girl's Guide to the Outback Jul 09 2020 How far will a girl go to win back a guy she can't stand? This funny, sweet, and romantic story proves that opposites do attract—and that God has a sense of humor. Samuel Payton is a passionate youth pastor in Virginia, but below the surface, he's still recovering from the blow of a failed business and insecurities he can't shake. His coworker, start-up expert Kimberly Foster, is brilliant, fearless, and capable, but years of personal rejection have left her defensive and longing for a family. Two people have never been more at odds—or more attracted to one another. And every day at work, the sparks sure do fly. When Kimberly's ambitious plans for Sam's ministry butt up against his risk-averse nature, Sam decides that obligations to family trump his work for the church. He quits the ministry and heads home to Australia to help his sister, Jules, save her struggling farm. As Kimberly's grand plans flounder, she is forced to face the truth: that no one can replace Sam. Together they strike up a deal: If Kimberly comes to work on Jules's dairy farm and lends her business brains to their endeavor, then maybe—just maybe—Sam will reconsider his future with the church. As Kimberly tries her hand at Australian farm life, she learns more about herself than she could've ever expected. Meanwhile Sam is forced to re-evaluate this spunky woman he thought he already knew. As foes slowly morph into friends, they wonder if they might be something even more. But when disaster strikes the farm, will Sam find it within himself to take a risk that could lead to love? And will Kimberly trust God with her future? "Original, heartwarming, full of lovable characters amid a fast-paced plot.
