Seeing his friends so happy makes the Head Enforcer acutely feel the absence of his true mate. Soon danger is coming at them from different angles, threatening the life they're trying to build. Their enemy needs to be eradicated fast. Stygian Sep 30 2022 #1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark-Hunters in *Stygian*, with a hero misunderstood by many . . . but most of all by himself. Born before man recorded time, I lived for thousands of years believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I've struggled to find my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that sings us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.
