her life and labor have belonged to the highest bidder on her contract--butchers, laundries, and now the powerful, secretive Carlyles. But when one night finds the Carlyles dead, Myrra is suddenly free a lot sooner than she anticipated--and at a cost she never could have imagined. Burdened with the Carlyles' orphaned daughter and the terrible secret they died to escape, she runs. With time running out, Myrra must come face to face with the truth about her world--and embrace what's left before it's too late. A sweeping novel with a darkly glimmering heart, *The World Gives Way* is an unforgettable portrait of a world in freefall, and the fierce drive to live even at the end of it all.

Songbirds Dec 24 2021 "From the prize-winning author of *The Beekeeper of Aleppo*, a stunning novel about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. "It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I'd returned to collect the songbirds. They are worth more than their weight in gold."

Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid--having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn't return. The police write off her disappearance as just another runaway domestic worker, so her employer, Petra, undertakes the investigation. Petra's unravelling of Nisha's last days in Cyprus lead her to Nisha's friends--other maids in the neighborhood--and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines.

With infinite tenderness and skill, *Songbirds* offers a triumph of **Access Free The Goldfinch**

story of the fight for truth and justice, and of women reclaiming their lost voices"--

Meditations in Green Jan 31 2020 One of the greatest Vietnam War novels ever written, by an award-winning writer who experienced it firsthand. Deployed to Vietnam with the U.S. Army's 1069 Intelligence Group, Spec. 4 James Griffin starts out clear-eyed and hardworking, believing he can glide through the war unharmed. But the kaleidoscope of horrors he experiences gets inside him relentlessly. He gradually collapses and ends up unstrung, in step with the exploding hell around him and waiting for the cataclysm that will bring him home, dead or not. Griffin survives, but back in the U.S. his battles intensify. Beset by addiction, he takes up meditating on household plants and attempts to adjust to civilian life and beat back the insanity that threatens to overwhelm him. *Meditations in Green* is a haunting exploration of the harrowing costs of war and yet-unhealed wounds, "the impact of an experience so devastating that words can hardly contain it" (Walter Kendrick, the New York Times Book Review). Through passages gorgeous, agonizing, and surreal, Stephen Wright paints a searing portrait of a nation driven to the brink by violence and deceit.

I was Vermeer Nov 10 2020 In 1945, a small-time Dutch art dealer was arrested for selling a forgery of a priceless national treasure - a painting by Vermeer - to Hitler's right-hand man. The charge was treason, the only possible sentence was death. And yet Han van Meegeren languished in his dank prison cell, incapable of uttering the words that set him free- 'I am a forger.' This riveting account of greed, hubris, excess, treason and fine art is the story of a failed artist and the greatest forger of all time, who executed a swindle which earned him the equivalent of fifty million dollars and the acclaim of the very critics who had moved him.

On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. If *We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which

Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

The Goldfinch Nov 03 2022 WINNER OF THE PULITZER PRIZE

"The Goldfinch is a rarity that comes along perhaps half a dozen times per decade, a smartly written literary novel that connects with the heart as well as the mind....Donna Tartt has delivered an extraordinary work of fiction."--Stephen King, *The New York Times* Book Review Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother.

Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by his longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into the underworld of art. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love--and at the center of a narrowing, ever more dangerous circle. *The Goldfinch* is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention, and the ruthless machinations of fate.

Beautiful Children Feb 11 2021 The New York Times bestseller by the author of the forthcoming novel *Alice & Oliver* | Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters | A New York Times Notable Book “One word: bravo.”—The New York Times Book Review “Truly powerful . . . Beautiful Children dazzles its readers on almost every page. . . . [Charles Bock] knows how to tug at your heart, and he knows how to make you laugh out loud, often on the same page, sometimes in the same sentence.”—Newsweek One Saturday night in Las Vegas, twelve-year-old Newell Ewing goes out with a friend and doesn't come home. In the aftermath of his disappearance, his mother, Lorraine, makes daily pilgrimages to her son's room and tortures herself with memories. Equally distraught, the boy's father, Lincoln, finds himself wanting to comfort his wife even as he yearns for solace, a loving touch, any kind of intimacy. As the Ewings navigate the mystery of what's become of their son, the circumstances surrounding Newell's vanishing and other events on that same night reverberate through the lives of seemingly disconnected strangers: a comic book illustrator in town for a weekend of debauchery; a painfully shy and possibly disturbed young artist; a stripper who imagines moments from her life as if they were movie scenes; a bubbly teenage wiccan anarchist; a dangerous and scheming gutter punk; a band of misfit runaways. The people of Beautiful Children are “urban nomads,” each with a past to hide and a pain to nurture, every one of them searching for salvation and barreling toward destruction, weaving their way through a neon underworld of sex, drugs, and the spinning wheels of chance. In this masterly debut novel, Charles Bock mixes incandescent prose with devious humor to capture Las Vegas with unprecedented scope and nuance and to provide

Walking in Ruins Aug 08 2020 One of the questions Geoff Nicholson is frequently asked is whether he has a favourite walk? In 'The Lost Art of Walking' he answers 'no' but this isn't quite the case. Geoff doesn't have a favourite walk but he does have favoured walks and these almost always involve ruins. 'Walking with Ruins' describes some of these walks - which are mainly in Britain and the USA - and reflects on both what constitutes a ruin and on what makes them attractive.

identity between countries and cultures. Translated by Damion Searls, *Where You Come From* is about homelands, both remembered and imagined. A book that bends form and genre with wit, heart, and exceptional craftsmanship to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

Missing Jesus Dec 12 2020 We put our trust in Christ alone for the forgiveness of our sins, desire to please God with our life, and yet, we often find that something crucial is missing. Our day-to-day experience of faith lacks the vitality we know it should have. We feel like we're missing something and we probably are. We're probably missing Jesus. That's what this book is about—it's about not missing Jesus. It's about seeing him big. It's about having our lives re-centered on the glorious Son of God all over again.

Charles and Janet Morris wanted to know what happens when we stop missing Jesus, and now they're sharing what they've learned - and how to see Him big in our small stories.

Hello Friend We Missed You Jan 01 2020 Hello Friend We

Missed You is a poignant and comic novel about loneliness, Netflix, existing, rural life, money, Jack Black, and learning to live in the least excruciating way possible. Its story, which unfolds on the small Welsh island of Môn, of people armed with every social media completely failing to communicate, is far, far funnier than it has any right to be. It's also, ultimately, extremely moving. An incredible debut novel from a truly unique prose stylist.

Cobweb Castle Jul 19 2021 Having read and dreamed too many fairy tales, the grocer sets off to live one, but finds the world not at all conducive to his fantasies.

Gather the Daughters May 05 2020 'An exceptional debut' Sunday Telegraph 'Obsessed with *The Handmaid's Tale*? This brilliant book is the one for you' Stylist 'An intriguing, gorgeously realised and written novel which inexorably draws you into its dark heart' Kate Hamer On a small isolated island, there's a community that lives by its own rules. Boys grow up knowing they will one day take charge, while girls know they will be married and pregnant within moments of hitting womanhood. But before that time comes, a ritual offers children an exhilarating reprieve. Every summer they are turned out onto their doorsteps, to roam the island, sleep on the beach and build camps in trees. To be free. At the end of one of such summer, one of the younger girls sees something she was never supposed to see. And she returns home with a truth that could bring their island world to its knees. 'A skilful novel full of suspense' Guardian 'It's a richly envisioned world, the strange isolation of which Melamed is excellent at teasing out slowly' Independent

to the acceptance that he craves, he begins a journey towards correcting the injustice of his own capricious genes, with devastating consequences. As intelligent as it is entertaining, this witty novel is a gripping tale of scientific intrigue and moral uncertainty.

The Goldfinch Oct 02 2022 A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, New York Times Book Review). Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by a longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into a wealthy and insular art community. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love -- and at the center of a narrowing, ever more dangerous circle. The Goldfinch is a mesmerizing, stay-up-all-night and tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention. From the streets of New York to the dark corners of the art underworld, this "soaring masterpiece" examines the devastating impact of grief and the ruthless machinations of fate (Ron Charles, Washington Post).

the story of how Kevin came to be Kevin. Fearing that her own shortcomings may have shaped what her son has become, she confesses to a deep, long-standing ambivalence about both motherhood in general and Kevin in particular. How much is her fault? When did it all start to go wrong? Or was it, in fact, ever 'right' at all? Lionel Shriver tells a compelling, absorbing, and resonant story while framing the horrifying tableau of teenage carnage as a metaphor for the larger tragedy—the tragedy of a country where everything works, nobody starves and anything can be bought but a sense of purpose. 'By far the best novel I've read in years...exquisitely crafted...a breathtaking work of art.' Age 'Brilliant...compulsive.' Guardian 'A great read with horrifying twists and turns.' Marie Claire 'Harrowing, tense and thought-provoking, this is a vocal challenge to every accepted parenting manual you've ever read.' Daily Mail
