Book-In-Brief: Authentication of Hadith Sep 08 2020 In today's complex and volatile world the consequences of relying on fraudulent and counterfeit Hadith to legitimize extremist behavior, issue violent fatwas, and justify blatant abuse, particularly of women, is not only far too easy but in fact dangerous. Israr Khan addresses the sensitive topic of Hadith authentication, focusing on the criteria adopted by classical scholars to maintain that concentration on the continuity and accuracy of the chain of narrators, rather than the textual content of Hadith, has led to particular Hadith being included which either contradict other Hadith directly, project the Prophet (SAAS) in an uncharacteristic light, or do not reflect and/or conflict with the teachings of the Qur'an. The study traces in careful detail the historical development of the oral and written traditions, as well as the many targeted attempts at fabrication that took place, critiquing in methodical detail certain Hadith which have come to be widely accepted as "authentic." The prominent collections we have today, were made possible by the development of the science of Hadith criticism, and Muslim scholars deserve deep appreciation for their painstaking work, as well as their invaluable contribution towards preserving the Hadith literature to the best of their ability. However, insists the author, the process is ongoing, and the closed door policy which currently surrounds Hadith authentication needs to be carefully reexamined.

[Ending Slavery](#) Apr 15 2021 Looks at the lives of people living as slaves today and proposes guidelines to rid the world of slavery.

To End All Wars Aug 08 2020 Presents a history of World War I, focusing on the moral conflict between the proponents of the war and its critics in Great Britain.

Stories of the Prophets Apr 03 2020

Who Rides the Beast? Nov 10 2020 The Book of Revelation presents the reader with a frightening narrative world in which the people of God are tormented, threatened, and sometimes killed by various agents of Satan. Scholars have traditionally thought that it was written in order to encourage believers to stand fast in the face of the Roman persecution of the early Church. More recently, however, it has been argued that no such crisis existed at the time the book was written. Here Paul Duff offers a different viewpoint on the origin of the Book of Revelation, resulting in a work which substantially advances the implication of the current consensus and sheds new light on this influential yet enigmatic text.

[Broken Chains](#) Mar 03 2020 Learn how to gain the victory over sin! Based on the extraordinary account of the raging demoniac, this inspiring new book unfolds the power of God to liberate and transform souls bound in the murkiest depths of sin. A life-changing book for everyone you know.

[Slave Systems](#) Jun 25 2019 A ground-breaking edited collection charting the rise and fall of forms of unfree labour in the ancient Mediterranean and in the modern Atlantic, employing the methodology of comparative history. The eleven chapters in the book deal with conceptual issues and different approaches to historical comparison, and include specific case-studies ranging from the ancient forms of slavery of classical Greece and of the Roman empire to the modern examples of slavery that characterised the

Caribbean, Latin America and the United States. The results demonstrate both how much the modern world has inherited from the ancient in regard to ideology and practice of slavery; and also how many of the issues and problems related to the latter seem to have been fundamentally similar across time and space.

Macmillan Encyclopedia of World Slavery Mar 15 2021 Covering the history of human slavery in Asia, Europe, Africa, the Americas, and the United States, this volume has entries for individuals and such topics as the details of living conditions, resistance and rebellion, law and emancipation, and theory and politics.

Chains of Slavery Sep 28 2019 Chains of slavery by Jean Paul Marat The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Delve into what it was like to live during the eighteenth century by reading the first-hand accounts of everyday people, including city dwellers and farmers, businessmen and bankers, artisans and merchants, artists and their patrons, politicians and their constituents. Original texts make the American, French, and Industrial revolutions vividly contemporary.

Spain in Our Hearts Mar 27 2022 From the moment it began in 1936, the Spanish Civil War became the political question of the age. Hitler and Mussolini quickly sent aircraft, troops and supplies to the right-wing generals bent on overthrowing Spain's elected government. Millions of people around the world felt passionately that rapidly advancing fascism must be halted in Spain; if not there, where? More than 35,000 volunteers from dozens of other countries went to help defend the Spanish Republic. Adam Hochschild, the acclaimed author of *King Leopold's Ghost*, evokes this tumultuous period mainly through the lives of Americans involved in the war. A few are famous, such as Ernest Hemingway, but others are less familiar. They include a nineteen-year-old Kentucky woman, a fiery leftist who came to wartime Spain on her honeymoon; a young man who ran away from his Pennsylvania college and became the first American casualty in the battle for Madrid; and a swashbuckling Texas oilman who covertly violated US law and sold Generalissimo Francisco Franco most of the fuel for his army. Two New York Times reporters, fierce rivals, covered the war from opposite sides, with opposite sympathies. There are Britons in Hochschild's cast of characters as well: one, a London sculptor, fought with the American battalion; another, who had just gone down from Cambridge, joined Franco's army and found himself fighting against the Americans; and a third is someone whose experience of combat in Spain had a profound effect on his life, George Orwell.

Challenging the Boundaries of Slavery Dec 12 2020 "This book views slavery in a new light and underscores the human tragedy at the heart of the American story."--Jacket.

Freedom Burning Nov 22 2021 After Britain abolished slavery throughout most of its empire in 1834, Victorians adopted a creed of "anti-slavery" as a vital part of their national identity and sense of moral superiority to other civilizations. The British government used diplomacy, pressure, and violence to suppress the slave trade, while the Royal Navy enforced abolition worldwide and an anxious public debated the true responsibilities of an anti-slavery nation. This crusade was far from altruistic or compassionate, but Richard Huzzey argues that it forged national debates and political culture long after the famous abolitionist campaigns of William Wilberforce and Thomas Clarkson had faded into memory. These anti-slavery passions shaped racist and imperialist prejudices, new forms of coerced labor, and the expansion of colonial possessions. In a sweeping narrative that spans the globe, *Freedom Burning* explores the intersection of philanthropic, imperial, and economic interests that underlay Britain's anti-slavery zeal- from London to Liberia, the Sudan to South Africa, Canada to the Caribbean, and the British East India Company to the Confederate States of America. Through careful attention to popular culture, official records, and private papers, Huzzey rewrites the history of the British Empire and a century-long effort to end the global trade in human lives.

Frederick Douglass Nov 30 2019 **Winner of the Pulitzer Prize in History** "Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private

collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

The Prophet Jan 31 2020 The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to board a ship which will carry him home. He is stopped by a group of people, with whom he discusses topics such as life and the human condition. The book is divided into chapters dealing with love, marriage, children, giving, eating and drinking, work, joy and sorrow, houses, clothes, buying and selling, crime and punishment, laws, freedom, reason and passion, pain, self-knowledge, teaching, friendship, talking, time, good and evil, prayer, pleasure, beauty, religion, and death. Among the most significant works Kahlil Gibran: "Broken Wings", "The Madman", "The Earth Gods", "The Garden of the Prophet".

Cy in Chains Aug 20 2021 In the post-Civil War South, a 17-year-old African American boy, accused of a crime, is living in a labor camp where brutality, near starvation, humiliation and rape are commonplace.

King Leopold's Ghost Jun 29 2022 WINNER OF THE 1999 DUFF COOPER PRIZE. 'Brilliant .. this book must be read and re-read' Neal Ascherson'. 'A hundred years ago, enlightened people in the western world were outraged by a holocaust in Africa which left millions dead. Denunciations thundered from speaker's platforms around the US and Europe. One open letter to The Times was signed by 11 peers, 19 bishops and 75 MPs. Viscount Grey, Britain's foreign secretary, declared that no overseas issue had so intensely aroused the British public for 30 years. Conan Doyle wrote a pamphlet on the Congo atrocities which sold 25,000 copies in the first week alone. Yet today not one person in a thousand could say what the fuss was all about, unless, of course, they have read this amazing book.' Tariq Ali, Financial Times 'Fascinating ... brilliant and gripping' Mail on Sunday 'An exemplary piece of history writing: urgent, vivid and compelling' Literary Review

The Mirror at Midnight Feb 11 2021

The Mirror at Midnight May 29 2022 Publisher Description

Half the Way Home Feb 23 2022 The author, an activist in the anti-war movement and co-founder of "Mother Jones," America's largest progressive magazine, recounts his relationship with his father, chief of a multinational corporation that owned mines all over South Africa. Reprint.

The Prophets Apr 27 2022 Best Book of the Year NPR • The Washington Post • Boston Globe • TIME • USA Today • Entertainment Weekly • Real Simple • Parade • BuzzFeed • Electric Literature • LitHub • BookRiot • PopSugar • Goop • Library Journal • BookBub • KCRW • Finalist for the National Book Award • One of the New York Times Notable Books of the Year • One of the New York Times Best Historical Fiction of the Year • Instant New York Times Bestseller A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, The Prophets fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

To End All Wars Jul 19 2021 Presents a history of World War I, focusing on the moral conflict between the proponents of the war and its critics in Great Britain.

Lift Your Chains, I Hold The Key Jan 13 2021 A riveting read about an ancestral and generational curse over our family blood-line. My mother's and my own personal history

in witchcraft with its revealed secrets as we accepted the traditions of our kinsfolk. Our phenomenal conversions to Christianity including an up close and personal meeting with Jesus Himself and examples of His outrageous grace toward us. Furthermore, God Himself revealing how He is the most superior Spirit being in the whole universe. On top of all that, the revelation in supernatural power that Jesus' sacrifice made a public spectacle of His archenemy on the cross. And in addition to all this, came Divine wisdom of the differentiation between the Holy Spirit and the lesser spirits. And into the bargain, God showing us Satan's beginning and end and why it is nonsensical to serve him as master, compared to our holy destiny we have here on the earth in Satan's territory, the atmospheric heavens as a mortal, and eternal life with Jesus as Master to boot. I ask you, why would you spend money on what is not bread, and your labour on what does not satisfy? Listen, listen to me, and eat what is good and you will delight in the richest of fare.

Revelation Jul 27 2019 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Modern Slavery Jan 25 2022 Siddharth Kara is a tireless chronicler of the human cost of slavery around the world. He has documented the dark realities of modern slavery in order to reveal the degrading and dehumanizing systems that strip people of their dignity for the sake of profit—and to link the suffering of the enslaved to the day-to-day lives of consumers in the West. In *Modern Slavery*, Kara draws on his many years of expertise to demonstrate the astonishing scope of slavery and offer a concrete path toward its abolition. From labor trafficking in the U.S. agricultural sector to sex trafficking in Nigeria to debt bondage in the Southeast Asian construction sector to forced labor in the Thai seafood industry, Kara depicts the myriad faces and forms of slavery, providing a comprehensive grounding in the realities of modern-day servitude. Drawing on sixteen years of field research in more than fifty countries around the globe—including revelatory interviews with both the enslaved and their oppressors—Kara sets out the key manifestations of modern slavery and how it is embedded in global supply chains. Slavery offers immense profits at minimal risk through the exploitation of vulnerable subclasses whose brutalization is tacitly accepted by the current global economic order. Kara has developed a business and economic analysis of slavery based on metrics and data that attest to the enormous scale and functioning of these systems of exploitation. Beyond this data-driven approach, *Modern Slavery* unflinchingly portrays the torments endured by the powerless. This searing exposé documents one of humanity's greatest wrongs and lays out the framework for a comprehensive plan to eradicate it.

The Slaves' War May 05 2020 Interweaving hundreds of interviews with excerpts from diaries, letters, and memoirs, a narrative history of the American Civil War captures the story of the conflict from the perspective of the African-American slaves who played a role, documenting the carnage of the battlefield, assessment of the military leaders of both sides, attitudes toward masters and liberators alike, and more.

Slaves who love their chains shall remain in their bondage Oct 10 2020 Spiritual chains are terrible things. It is gross stupidity to misjudge the evil wisdom of our foe. Satan will not hesitate to employ any weakness in our lives. The enemy has repackaged his chains to make them look innocent and attractive. Until you discern, diagnose, determine and destroy these masquerading chains and covenants, bondages will remain in place. Salvation does not exempt anyone from the battles of life. It only equips to win them. Until you hate these evil chains with perfect hatred and become violent against them, they will continue to harass, torment and destroy. However, anyone who loves his/her chains would remain in bondage. This book is an essential spiritual warfare manual for all Christians in this end time.

Storming the Gates of Paradise Jul 07 2020 An anthology of nearly forty essays, representing the author's work over the past ten years, offers an insightful overview of American politics, current affairs, culture, society, and history, written from the perspective of a noted environmentalist, anti-globalization activist, and public intellectual. By the author of *A Field Guide to Getting Lost*.

To End All Wars Oct 22 2021 In this brilliant new work of history, Adam Hochschild follows a group of characters connected by blood ties, close friendships or personal enmities and shows how the war exposed the divisions between them. They include the brother and sister whose views on the war could not have been more diametrically opposed - he a career soldier, she a committed pacifist; the politician whose job was to send young men who refused conscription to prison, yet whose godson was one of those young men and the suffragette sisters, one of whom passionately supported the war and one of whom was equally passionately opposed to it. Through these divided families, Hochschild paints a vivid picture of Britain poised between the optimism of the Victorian era and the era of Auschwitz and the Gulag - a divided country, fractured by the seismic upheaval of the Great War and its aftermath.

Bury the Chains Nov 03 2022 Offers an account of the first great human rights crusade, which originated in England in the 1780s and resulted in the freeing of hundreds of thousands of slaves around the world.

Beyond the Chains of Illusion Oct 29 2019 Profound insights into Karl Marx and Sigmund Freud from the “prolific and eclectic” social theorist and bestselling author of *Escape from Freedom* (The Washington Post). According to renowned psychoanalyst Erich Fromm, three people shaped the essential character of the twentieth century: Albert Einstein, Karl Marx, and Sigmund Freud. While the first two figures had a great physical and political impact on the world, Fromm believes that Freud had an even deeper impact, because he changed how we think about ourselves. *Beyond the Chains of Illusion* is one of Fromm’s most autobiographical works, as Fromm not only comments on the ideas of Freud and Marx, but also crystallizes his own theories on social character and unconscious values. The book brilliantly summarizes Fromm’s ideas on how culture and society shape our behavior. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author’s estate.

Break Every Chain Jun 05 2020 FROM THE BEST SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Victory over every obstacle is within reach, don't settle for anything less. The enemy works overtime to keep people bound, exhausted, and frustrated. His goal is to convince believers that God’s promises are for everyone but them. When they believe his lies, they unknowingly partner with him and give him access to their lives. This is how a stronghold is formed. The enemy has bound God’s people up long enough. In *Break Every Chain*, John Eckhardt reveals twenty-five strongholds that commonly hold Christians captive. He exposes the enemy’s tactics and teaches readers to use the power of the Word to drive the devil out and break the chains that hold them back. This book empowers readers to stand upon the Word of the Lord, resist the devil, break free of bondage, and experience the blessings and promises of God. This book will help you discover the spiritual forces that could be behind your setbacks, failures, and defeats. Your will learn how you may have unknowingly partnered with the devil by believing his lies, and you will experience breakthrough as you begin to replace his lies with the truth of God’s Word.

The Unquiet Ghost Sep 20 2021 Until glasnost, nobody in the USSR could speak or write about the genocide which occurred under Stalin’s regime. In this book the author speaks to many people coming to terms with repressed memories as a result of the mass abuse of human rights.

Finding the Trapdoor May 17 2021 For some 30 years, Adam Hochschild’s voice has been one of the most distinctive in American journalism. With grace and wit, he has brought to a startling variety of subjects a combination of adventurous reporting and personal honesty. Hochschild’s readers can count on an unobtrusive erudition, a sense of justice, and an irrepressible curiosity about life. Admirers of Hochschild’s *Half the Way Home: A Memoir of Father and Son* will find in these articles the same warm autobiographical voice that made that book so memorable: He revisits his time as a civil rights worker in Mississippi, as a New England prep school student, and as a teenager seeing apartheid firsthand in South Africa. But readers will find much more as well: profiles of an adoptive Gypsy and of a governor general’s son turned revolutionary, essays about Ernest Hemingway and John F. Kennedy, a journey to one of the most remote corners of the Amazon rain forest, and a remarkable evocation of two of Hochschild’s personal heroes—who, in hillside trenches at the height of the Russian Civil War, faced each other across a battlefield.

Bury the Chains Sep 01 2022 Eighteenth-century Britain was the world’s leading centre for the slave trade. Profits soared and fortunes were made, but in 1788 things began to change. *Bury The Chains* tells the remarkable story of the men who sought to end slavery and brought the issue to the heart of British political life. ‘Hochschild’s marvellous book is a timely reminder of what a small group of determined people, with right on their side, can achieve. Carefully researched and elegantly written, with a pacy narrative that ranges from the coffee houses of London to the back-breaking sugar plantations of the West Indies, it charts the unlikely success of the first international human rights movement’ Saul David, *Literary Review* ‘Hochschild is such a gifted researcher and story-teller that he never fails to hold the reader’s attention. . . For all its terrible theme, Hochschild’s book is not in the least depressing, because it is suffused with admiration for the courage and enlightenment of the men and women who crusaded against this evil, and finally prevailed’ Max Hastings, *Sunday Telegraph* ‘Thought-provoking, absorbing and well-written’ Brendan Simms, *Sunday Times* ‘Stirring and unforgettable’ *Economist*

King Leopold’s Ghost Dec 24 2021 A colorful, provocative study of King Leopold II of Belgium’s genocidal plunder of the Congo in the 1880s, as the European powers were colonizing Africa, reveals the heroic efforts that led to the first international human rights movement.

King Leopold’s Ghost Jul 31 2022 Winner of the Duff Cooper Prize, *King Leopold’s Ghost* is the true and haunting account of Leopold’s brutal regime and its lasting effect on a ruined nation. With an introduction by award-winning novelist Barbara Kingsolver. In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummeled its people and set up a ruthless regime that would reduce the population by half. While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. *King Leopold’s Ghost* is the inspiring and deeply moving account of a

handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity. 'All the tension and drama that one would expect in a good novel' - Robert Harris, author of *Fatherland*

BREAKING THE CHAINS OF CURSES Jan 01 2020 The book **BREAKING THE CHAINS OF CURSES** was written to give a more profound understanding of curses from the view-point of the word of God. The book outlines the details that not only help one to easily identify curses but also offers step-by step blueprint to breaking the chains of curses and consequently claim victory over demons. The book confirms without doubt that demons are for real, and not an unfounded theory as many people tend to believe. Above all this book details the preeminence of Christ Jesus Christ whose enduring authority He has vested in everybody who believes in Him.

Blind Memory Jun 17 2021 Throughout this important volume, the author provides an invaluable addition to the limited literature now available on the visual images associated with slavery and abolition, integrated into a sophisticated analysis of their meaning and legacy today. of color images. 150 illustrations.

Lessons from a Dark Time and Other Essays Aug 27 2019 In this rich collection, bestselling author Adam Hochschild has selected and updated over two dozen essays and pieces of reporting from his long career. Threaded through them all is his concern for social justice and the people who have fought for it. The articles here range from a California gun show to a Finnish prison, from a Congolese center for rape victims to the ruins of gulag camps in the Soviet Arctic, from a stroll through construction sites with an ecologically pioneering architect in India to a day on the campaign trail with Nelson Mandela. Hochschild also talks about the writers he loves, from Mark Twain to John McPhee, and explores such far-reaching topics as why so much history is badly written, what bookshelves tell us about their owners, and his front-row seat for the shocking revelation in the 1960s that the CIA had been secretly controlling dozens of supposedly independent organizations. With the skills of a journalist, the knowledge of a historian, and the heart of an activist, Hochschild shares the stories of people who took a stand against despotism, spoke out against unjust wars and government surveillance, and dared to dream of a better and more just world.

Bury the Chains Oct 02 2022 From the author of *King Leopold's Ghost*, a narrative history of the social justice campaign formed in the fight to free the slaves of the British Empire. In early 1787, twelve men—a printer, a lawyer, a clergyman, and others united by their hatred of slavery—came together in a London printing shop and began the world's first grass-roots movement, battling for the rights of people on another continent. Masterfully stoking public opinion, the movement's leaders pioneered a variety of techniques that have been adopted by citizens' movements ever since, from consumer boycotts to wall posters and lapel buttons to celebrity endorsements. A deft chronicle of this groundbreaking antislavery crusade and its powerful enemies, *Bury the Chains* gives a little-celebrated human rights watershed its due. A San Francisco Chronicle Bestseller A Book Sense Selection "By far the most readable and rounded account we have of British antislavery, a campaign that, as the author rightly claims, helped to change the world and can be seen as a prototype of the modern social justice movement." —Robin Blackburn, Los Angeles Times Book Review "A thrilling, substantive, and oftentimes raw work of narrative history. In its own fashion, it furthers the abolitionists' crucial work of lifting our moral blindness." —Maureen Corrigan, National Public Radio's Fresh Air
