I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product (a practice exam and the strategies to pass) before sitting for the CPC exam. I received my results yesterday. I MADE A 92! I used all of the strategies you recommended (time management, highlighting, etc), which made all the difference in the world. Thank you so much!!!!" - Heather T. "This is very good... I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min. and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%." - Elizabeth H. "I am thrilled to report Greg that I passed my CPC Exam on December 12th!" - Kathleen C. "Your test was amazing, it help me out a lot." - Vickey L. "Well the practice test helped me pass my CPC exam. I got he good news last week!" - Erica J. "I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful." - Mark T. "Woooooohooooo, I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow I am glad that's over. Thanks again!" - Deanna A. "I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally new years eve! Thanks for the great exam!" - Sabrina. "I took the CPC exam Dec. 7. ACCUPLACER Study Guide 2020 Oct 21 2019 Miller Test Prep's study guide for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented

by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all ACCUPLACER exam sections: Reading Comprehension Sentence Skills Write Placer Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with scoring explanations
