[Continuity and Change in Irish Poetry, 1966-2010](#) Jan 11 2021 In this book, Eric Falci reshapes the story of Irish poetry since the 1960s. He shows how polemical arguments concerning the role of poetry in 1960s Ireland evolve into a set of formal and compositional strategies for emerging Irish poets in the mid 1970s and beyond. His study presents a cohesive picture of the relationship between Northern Irish poetry from the Republic of Ireland since World War II and traces the lineage of lyric practice from a unique historical perspective. At the same time, it recontextualizes late twentieth-century Irish poetry within the long Irish poetic tradition, places Irish writing more accurately within the field of postwar Anglophone poetry and offers a new account of lyric's critical capacities. Of interest to Irish studies and twentieth-century poetry specialists, this book provides a much-needed guide to some of the most inventive and notable poetry written in the past forty years.

[Chronicles of a King's Daughter](#) Sep 26 2019 Angela Williams presents her first book, *Chronicles of a King's Daughter* a book that is practical, inspiring eye-opening and encouraging devotional that will strengthen the readers relationship with Christ. *Chronicles of a King's Daughter* is a Kingdom focused book that refreshes the soul and awakens the reader to who they are positionally as Daughters of the King. Angela Williams is a teacher, prophet, coach and a daughter who has experienced Gods supernatural interventions on her behalf. She knows what it is to be loved and cared for by God. *Chronicles of a King's Daughter* is a simplistic, easy to follow, conversational and practical book. *Chronicles of a King's Daughter* is a devotional book written in a format that can be used for personal devotion as well as a tool and a guide in women's ministries fellowships and groups. COKD contains 7 areas of focus that have various topics within that area to encourage women, to share the love of God for them, *Chronicles of a King's Daughter* calls them to reflect, pray, consider their walk with God and the decisions they make as it relates to their lives spiritually and naturally. The book helps women to align and to not only understand who they are positionally but to come into alignment as Daughters of the King. COKD includes Kingdom principles, spiritual nuggets, wisdom, warnings, inspiration and some truth telling. The verses are to be meditated and reflected upon. The prayers are short simple and powerful helping the reader to develop daily devotion time, prayer, and meditation with God.

[Hotter After Midnight](#) Feb 09 2021 A shifter detective's case heats up when he meets the one woman who could expose his secret—or seduce his wild side—in this steamy paranormal romance. Dr. Emily Drake's psychotherapy patients tend to be a little unusual. Instead of midlife crises and mother fixations, Emily treats vampires with blood phobias and sex-demons looking for meaningful relationships. But healing these powerful beings requires an important rule: Never trust a shifter. Especially not one like Detective Colin Gyth. Helping him catch a killer won't be easy—especially when his gold-flecked eyes and predatory air make Emily long to lose control. Colin can't believe the doctor he has to work with on the Night Butcher murder case is the one person who could expose his true identity as a wolf shifter. Smart and sexy, Emily brings out the alpha male in Colin, unleashing a wild desire that takes them both over the edge . . . But in the shadows, the Night Butcher waits, eager to spill Emily's blood and taste her terror. And he'll use any means to destroy her, including the one person she has grown to trust . . . "Highly sensual and definitely dangerous." —Shannon McKenna "A cross between CSI and Medium, only hotter and with a hero that truly has bite!" —Jacquelyn Frank

[Wild Goose Moon](#) Oct 27 2019 "Molly Ivins, Texas columnist and wry observer of American culture, called 1968 'the year everything happened.' 1968 finds America engulfed in political and racial turmoil, assassinations, and a war seemingly without end. The year finds Tom Windham trying to deal with a few of life's basics - love, death, God, and sex. A sophomore at a conservative university in Dallas and the veteran of an upbringing in a small East Texas town, Tom sits uncomfortably on the cusp of adulthood. He is joined there by his roommate Brandeis. Along with the young women in their lives, their college friends, and their families, they experience the joys, struggles and tragedies of the year on a human scale. While the events of the operatic year keep intervening, changes in American attitudes toward sex, race, women, war and religion are also reflected in *Wild Goose Moon*"--Publisher description.

*Chrysler's Turbine Car* Jul 25 2019 Offering a behind-the-scenes look into the world of automotive research and development in the 1960s, this engaging narrative traces the birth of Chrysler's alternative "jet" car and reveals the story behind its sudden and mysterious demise. Relying on extensive research and firsthand accounts from surviving members of the turbine car program—including the metallurgist who created the exotic metals for the engine and the test driver who drove it at Chrysler's proving grounds—this chronicle documents the bold development of an automobile with a jet turbine engine. In addition to running well on virtually any flammable liquid—including kerosene, vodka, heating oil, and Chanel N°5 perfume—the pioneering engines had one fifth the number of moving parts and required less maintenance than conventional engines. Despite the fleet's amazing performance over millions of miles by test drivers, Chrysler pulled the plug on the project and crushed almost all of the cars. The reasons behind the surprising end to the jet car fleet are finally explained here.

**Why** Aug 25 2019 Can drinking coffee help people live longer? What makes a stock's price go up? Why did you get the flu? Causal questions like these arise on a regular basis, but most people likely have not thought deeply about how to answer them. This book helps you think about causality in a structured way: What is a cause, what are causes good for, and what is compelling evidence of causality? Author Samantha Kleinberg shows you how to develop a set of tools for thinking more critically about causes. You'll learn how to question claims, identify causes, make decisions based on causal information, and verify causes through further tests. Whether it's figuring out what data you need, or understanding that the way you collect and prepare data affects the conclusions you can draw from it, *Why* will help you sharpen your causal inference skills.
