**Think Again** Oct 03 2022 Instant #1 New York Times Bestseller Listed as a Times Self-Help Book of the Year Discover the critical art of rethinking:

how questioning your opinions can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, the most crucial skill may be the ability to rethink and unlearn. Recent global and political changes have forced many of us to re-evaluate our opinions and decisions. Yet we often still favour the comfort of conviction over the discomfort of doubt, and prefer opinions that make us feel good, instead of ideas that make us think hard. Intelligence is no cure, and can even be a curse. The brighter we are, the blinder we can become to our own limitations. Adam Grant - Wharton's top-rated professor and #1 bestselling author - offers bold ideas and rigorous evidence to show how we can embrace the joy of being wrong, encourage others to rethink topics as wide-ranging as abortion and climate change, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, and how a vaccine whisperer convinces anti-vaxxers to immunize their children. Think Again is an invitation to let go of stale opinions and prize mental flexibility, humility, and curiosity over foolish consistency. If knowledge is power, knowing what you don't know is wisdom.

Shadowghast Aug 28 2019 In the third mysterious tale of Eerie-on-Sea, it's almost Ghastly Night, and the Shadowghast—an ancient spirit in a lantern—lurks in wait for the power to enslave the town. In this third adventure, shipwrecked orphan Herbert Lemon, Lost-and-Founder at the Grand Nautilus Hotel, must square off with a creature of town lore as he confronts a shadow from his past. While other towns celebrate Halloween, in Eerie-on-Sea it's Ghastly Night, and a grim spirit in a lantern awaits its moment. Legend has it that if people fail to light manglewick candles on Ghastly Night, and if no showman conjures shadow puppets on the pier as an offering, the insulted Shadowghast will seize and devour the shadows of the living. This year, a professional theater troupe has been summoned, including a raven-haired magician named Caliastra with startling news of Herbie's origins. No sooner have the players checked into the hotel than townspeople start vanishing into thin air, including the guardian of Herbie's best friend, Violet Parma. It's up to Herbie and Violet to separate truth from sleight of hand and solve the mystery of the Shadowghast lantern before darkness swallows them all.

*The Turn of the Key* Dec 25 2021 INSTANT NEW YORK TIMES BESTSELLER From the #1 New York Times bestselling author of In a Dark, Dark Wood, The Woman in Cabin 10, The Lying Game, and The Death of Mrs. Westaway comes Ruth Ware's highly anticipated fifth novel. When she stumbles across the ad, she's looking for something else completely. But it seems like too good an opportunity to miss—a live-in nannying post, with a staggeringly generous salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by the luxurious “smart” home fitted out with all modern conveniences, by the beautiful Scottish Highlands, and by this picture-perfect family. What she doesn't know is that she's stepping into a nightmare—one that will end with a child dead and herself in prison awaiting trial for murder. Writing to her lawyer from prison, she struggles to explain the unravelling events that led to her incarceration. It wasn't just the constant surveillance from the cameras installed around the house, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman, Jack Grant. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder. Which means someone else is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

**Radical Candor** Apr 16 2021 Featuring a new preface, afterword and Radically Candid Performance Review Bonus Chapter, the fully revised & updated edition of Radical Candor is packed with even more guidance to help you improve your relationships at work. 'Reading Radical Candor will help you build, lead, and inspire teams to do the best work of their lives.' - Sheryl Sandberg, author of Lean In. If you don't have anything nice to say then don't say anything at all . . . right? While this advice may work for home life, as Kim Scott has seen first hand, it is a disaster when adopted by managers in the work place. Scott earned her stripes as a highly successful manager at Google before moving to Apple where she developed a class on optimal management. Radical Candor draws directly on her experiences at these cutting edge companies to reveal a new approach to effective management that delivers huge success by inspiring teams to work better together by embracing fierce conversations. Radical Candor is the sweet spot between managers who are obnoxiously aggressive on the one side and ruinously empathetic on the other. It is about providing guidance, which involves a mix of praise as well as criticism - delivered to produce better results and help your employees develop their skills and increase success. Great bosses have a strong relationship with their employees, and Scott has identified three simple principles for building better relationships with your employees: make it personal, get stuff done, and understand why it matters. Radical Candor offers a guide to those bewildered or exhausted by management, written for bosses and those who manage bosses. Drawing on years of first-hand experience, and distilled clearly to give practical advice to the reader, Radical Candor shows you how to be successful while retaining your integrity and humanity. Radical Candor is the perfect handbook for those who are looking to find meaning in their job and create an environment where people love both their work and their colleagues, and are motivated to strive to ever greater success.

Everything I Never Told You Jan 02 2020 'There is much here that might impress Pulitzer and Man Booker judges...Ng brilliantly depicts the destruction that parents can inflict on their children and on each other' Mark Lawson, Guardian Lydia is the favourite child of Marilyn and James Lee; a girl who inherited her mother's bright blue eyes and her father's jet-black hair. Her parents are determined that Lydia will fulfill the dreams they were unable to pursue - in Marilyn's case that her daughter become a doctor rather than a homemaker, in James's case that Lydia be popular at school, a girl with a busy social life and the centre of every party. But Lydia is under pressures that have nothing to do with growing up in 1970s small town Ohio. Her father is an American born of first-generation Chinese immigrants, and his ethnicity, and hers, make them conspicuous in any setting. When Lydia's body is found in the local lake, James is consumed by guilt and sets out on a reckless path that may destroy his marriage. Marilyn, devastated and vengeful, is determined to make someone accountable, no matter what the cost. Lydia's older brother, Nathan, is convinced that local bad boy Jack is somehow involved. But it's the youngest in the family - Hannah - who observes far more than anyone realises and who may be the only one who knows what really happened. And if you loved Everything I Never Told You, don't miss Celeste Ng's second novel Little Fires Everywhere What readers are saying: 'Devastating...A truly tragic but devastatingly well written book' 'Ng is a true craftsman. I implore you to read this. Also my favourite ending of a novel so far this year' 'This is the best book I have read this year' 'Really enjoyed this book, deeply moving, sad and thought provoking'
