**All Signs Point to Paris** Apr 03 2020 Propulsive, touching, and darkly funny, All Signs Point to Paris is the story of one woman's search for a second chance at love. A surprising astrology reading sends Natasha Sizlo—divorced, broke, freshly heartbroken, and reeling from her father's death—on an unexpected but magical journey to France, in pursuit of a man born on a particular date in a particular place: November 2, 1968 in Paris. It's the cusp of Natasha Sizlo's forty-fourth birthday. Still reeling from her disastrous divorce, she's navigating life as a single mom and doing her best to fake it till she makes it in the cutthroat world of LA real estate. In the meantime, her ex-husband is dating a Hollywood star, and she's just broken it off—for the hundredth and final time—with her devastatingly handsome but impossibly noncommittal French boyfriend. Just when it seems things can't get any worse, her beloved father is given months to live. So when she's gifted a session with LA's most sought-after astrologist, Natasha—despite being a total skeptic—figures she has nothing to lose. The reading is eerily, impossibly accurate. As her misgivings give way, Natasha can't help but ask about her ex-boyfriend, the French man she can't seem to get over. To her surprise, the astrologist tells her that he is perfect for her. His birthday and birthplace—November 2, 1968, in Paris, France—lines up with her astrological point of destiny. The word husband comes up. Natasha is distraught. Panicked, even. Was he really The One? Was this all the big soul love she was destined for? Then, she has a lightning bolt of an idea: her ex wasn't the only man born on November 2, 1968, in Paris. Natasha's real soulmate is still out there—she just has to find him. Joined by her sister and two of her closest girlfriends and buoyed by her father's parting message to never give up on love, Natasha flies to the City of Light, determined to take destiny into her own hands. Propulsive, touching, and darkly funny, All Signs Point to Paris is the story of one woman's search for a second chance at love, with a dusting of astrological magic. Unforgettable and inspiring, Natasha's journey reveals what can happen when you ask the universe for what you want—and are brave enough to open your heart when the answer finally comes.

**Aspects in Astrology** May 05 2020 Illustrates how aspects can offer a profound depiction of an individual and his or her destiny. • Contains comprehensive sections full of interpretations for every planetary combination. • Concepts are explained through the use of actual birth charts and diagrams. • A core textbook at the Faculty of Astrological Studies in London. Aspects are an essential piece of the astrological puzzle when it comes to interpreting and using the information that astrology can give us. It is not enough to know the placement of the planets on the horoscope. It is the relationships between the stars and planets that let us grasp the destiny of the individual. Aspects describe the drama of our lives--the complex configurations that influence what will happen to us over time. Sue Tompkins, a fellow of the Faculty of Astrological Studies in London, shows how to interpret aspects when doing daily astrological readings. She uses the lives of real people to plot the aspects and offers examples of every possible planetary combination. Detailing the influence of oppositions, trines and elemental trines, and cardinal, mutable, and fixed crosses, Tompkins shows how aspects provide the energy in the chart that transforms the horoscope into something symbolizing an alive and vital human being. With *Aspects in Astrology*, Tompkins provides both the novice and the experienced astrologer the evidence and concrete methods needed to grasp the vast knowledge offered to us by our horoscope.

**The Signs in Love** Apr 27 2022 An astrological guide to deepening your romantic connection—or finding the love of your life. Carlyne Faulkner knows the number-one reason her clients seek her out to consult the stars: love. After all, we are made of stardust, and understanding the cosmos can provide critical insight into our lives, our well-being, and matters of the heart. This unique guide explains how each sign matches up with the others, with the pros and pitfalls of each, and offers interactive journaling prompts to allow each reader to create a wholly personal road map to understanding themselves and their unions in romance, family, and friendship. There is no question that certain pairings cause sparks to crackle, while others grow quietly into a relationship that will last forever. Each combination has its challenges, too, but Faulkner reassures readers that the idea of “incompatibility” is a myth, and if your partner seems to come from another planet, it might just take a little more empathy and hard work to keep the romance alive. Learn what it looks like when a particular match flows well or not so well, and how the planets combine to play a role in both of your charts. Faulkner’s *Dynamic Astrology™* approach offers a tried-and-tested framework to the signs—how harmonious each match is likely to be, and, more important, how to build a foundation for a forever love.

**Singing the Songs of My Ancestors** Jul 19 2021 Ever since she was a small child, Helma Swan, the daughter of a Northwest Coast chief, loved and learned the music of her people. As an adult she began to sing, even though traditionally Makah singers had been men. How did such a situation develop? In her own words, Helma Swan tells the unusual story of her life, her music, and how she became a singer. An excellent storyteller, she speaks of both musical and non-musical activities and events. In addition to discussing song ownership and other Makah musical concepts, she describes songs, dances, and potlatch ceremonies; proper care of masks and costumes; and changing views of Native music education. More generally, she speaks of cultural changes that have had profound effects on contemporary Makah life. Drawing on more than twenty years of research and oral history interviews, Linda J. Goodman in *Singing the Songs of My Ancestors* presents a somewhat different point of view—that of the anthropologist/ethnomusicologist interested in Makah culture and history as well as the changing musical and ceremonial roles of Makah men and women. Her information provides a context for Helma Swan’s stories and songs. Taken together, the two perspectives allow the reader to embark on a vivid and absorbing journey through Makah life, music, and ceremony spanning most of the twentieth century. Studies of American Indian women musicians are rare; this is the first to focus on a Northwest Coast woman who is an outstanding singer and storyteller as well as a conservator of her tribe’s cultural traditions.
