Owned Sep 29 2019 Have you ever believed you'd one day cross paths with someone who would sweep you off your feet and offer you a life right out of a fairy tale? When you've spent your life hiding from monsters, it seems reasonable that you might cling to a magical, fabled romance. I did. I found it was easier to look for the positive, to remain hopeful, and to sometimes imagine a fantasy-worthy life. I'm not sure if I did it for myself or to keep my brother's spirits up. You see, Ransom Bishop is not only my brother, he's also the one who saved me from a life that would've ended badly, and in doing so, he gave up so much. Since the day he stole me away from the monsters, when I was nine years old, he's been mother, father, brother, and best friend, watching my back and protecting me from ? them. For fifteen years, we thought we were safe and maybe we were. But then my brother helped a friend in need, and everything changed. They found us. Now it's a matter of life or death and there's only one person my brother trusts, one man my brother is willing to be indebted to in an effort to ensure nothing happens to me. And Talon has agreed to take us in. Little do I know, but Talon is going to change my perception, my ideals, and yes, he's going to change my life. This is my fairy tale.

When Kaden and Keegan have questions, Bristol reluctantly agrees to dinner to explain the details. That was her first mistake. Kindred Apr 04 2020 From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin.

If you have NOT read *Temptation*, please do so before reading this book. Although Sierra is the lifeline for both of these men, they have a deep, desperate love for one another. For two very complex, very alpha men, this isn't necessarily an easy thing for them to embrace. The one thing they aren't willing to sacrifice is their devotion to one another.

Travis Walker, the oldest of the seven Walker brothers, has been referred to as moody and mysterious, and for the most part, he would agree. Until recently, he spent his days helping his brothers run the family business. Now, he dedicates his time and energy to building a resort, Alluring Indulgence, that caters to fetishes and fantasies. And despite his attempt to work himself into the ground, Travis has never denied—at least not to himself—that something is missing. Ten years ago, Travis made the hardest decision of his life, breaking his own heart in the process. A decade later, he is learning that life has a strange way of turning things upside down before placing the pieces exactly where they were meant to go.

Sawyer Sep 21 2021 From New York Times and USA TODAY bestselling indie author Nicole Edwards comes the seventh book in her Alluring Indulgence series, erotic romances featuring the Walker brothers from Coyote Ridge, Texas, and their sizzling-hot love interests. Sawyer Walker has never run into problems with women. The female population tends to swarm toward him, in fact, and he's never had a complaint. But there's one woman Sawyer has always had his eye on. A woman who won't give him the time of day. In recent months, it would seem that Kennedy Endsley is opening up to Sawyer, but she's got a few surprises in store for him. Because, as hard as she finds it to resist the handsome Walker brother, she won't give in easily. Not when her heart is on the line.

Temptation Apr 16 2021 Sierra Sellers has never had a problem finding a date, but when her mother's meddling ways result in her being set up with the intensely sexy Luke McCoy, owner of Club Destiny, Sierra learns she can't fight temptation. When he unleashes her deepest, darkest fantasies, she finds herself in a position she doesn't want to get out of. Luke McCoy has run fast and hard from the demons that chase him. The hot, fierce need that pushed him beyond the boundaries he hadn't realized he'd erected resulted in a two month hiatus from the world he'd built for himself. A world concentered in lust and forbidden fantasies. So when his twin brother Logan introduces him to Sierra, Luke finds himself up against another temptation that he can't resist. Cole Ackerley never backs down from a challenge, but that was before he'd been intimately introduced to Luke McCoy. Throw in the black haired vixen with the glowing blue eyes, and Cole finds himself engulfed in a menage hot enough to rival the sun. When his feelings for both of them ignite, Cole learns the true meaning of self-restraint. The deep, soul scorching hunger that ignites between the three of them turns into a firestorm of sensuality and lust that only burns brighter and hotter with every encounter. But when Luke continues to push them away, can Cole and Sierra find a way to show him there are no boundaries when it comes to love?

Do you drive twenty minutes to downtown, find a spot in the company parking garage? If you do, then you're very much like me. But, like I said, at that point, our stories will likely be drastically different. In order for you to understand why, I'll have to start at the beginning...

A Million Tiny Pieces Nov 23 2021 Mia Cantrell is happy to be rid of her lying, cheating, ex-husband. With her divorce final, Mia is moving on, grasping the reins of life once more. She's learning to deal with the shattered remains while putting one foot in front of the other, taking control of her own decisions, and ultimately living one day at a time. Too bad the universe has put a hiccup (or two) in her well thought out plan. Phoenix Pierce is putting the pieces back together after the death of his father. Between his multi-million dollar company, the NHL team he now owns, and the endless supply of women willing to share a bed for one night of uninhibited sex, he finds himself going through the motions. Until he meets Mia. Although he's on a mission to win her, that doesn't solve his problem of the other person he wants... the man he has denied himself for years. Tarik Marx doesn't think anyone could ever fill the void in his life the way Phoenix unknowingly has. That is until he meets Mia. Thanks to a fractured childhood, Tarik has to face a bigger problem: he doesn't know how it feels to be loved. His past adds additional complexity when Tarik finds himself trying to figure out how he can have them both. Is it possible for a million tiny pieces to come together again? And if they do, will that make the bond even stronger than before?

Bad Reputation Dec 13 2020 Meet the most wanted players in sports . . . one ridiculously hot alpha male at a time. Chase: With a nickname like "Sin," it's no wonder they call me the bad boy of hockey. Opponents curse me.

Fans scream my name—in the arena and in other, much more private places. Penalties or not, I'm not afraid to dish out a little pain. But pleasure? That's my weakness. And no one knows it better than my best friend, Cassie Desrosiers. I'd have to be blind not to notice her rocking body and teasing grin. So when she invites me along on a trip to Vegas, my curiosity isn't the only thing that's aroused. Cassie: Chase Barrett is a world-class A-hole. As his best friend, I'm allowed to call him on his BS. Who else is going to do it? Certainly not the puck bunnies swooning at every flex of his biceps. Everyone knows that Chase is the love-'em-and-leave-'em type. There's no such thing as commitment for the king of casual hookups. So why should I care? Maybe because all work and no play makes me a sexually frustrated girl. It's time to put the hockey stud at my beck and call to good use . . . but after a week in Vegas with Chase, I might never want to go back to the real world.
