The Sea Runners Feb 12 2021 In 1853, in the farthest outpost of the Czar's empire, four Scandinavian indentured servants—seven-year men no better off than slaves—resolve to escape from Russian Alaska. They steal an Indian canoe and point it south toward Astoria, in Oregon, twelve hundred miles away. This novel of audacity is based on a historical incident discovered by the author, and transformed by his imagination into a sustained sweep of adventure. The four sea runners must weather the worst the ill-named Pacific can throw at them, and must weather their own fierce squalls, too, as day upon day, guided as much by instinct and determination as by map, they paddle through the magnificent maze of the Northwest Coast toward the mouth of the Columbia River.

Jack the Rascal Apr 04 2020 This charming, funny and emotive book follows the life of a Parson Jack Russell Terrier that leapt from one small crisis to another. Many books have been written by authors about their pets, but this one is different in that it shows every side of a dog, which faced death through illness during his first year of life. A small spirited and tough little feller, who, from being a small puppy to when he finally and gracefully retired. loved his owner more than he loved himself. A must read for all dog lovers and owners. A must read for those who appreciate the natural beauty of the countryside, as well as outlandish and at times, death defying adventures.

Ride with Me, Mariah Montana Aug 21 2021 This greathearted novel is the finale of Ivan Doig's passionate and authentic trilogy about the McCaskill family and their alluring Two Medicine country along the hem of the northern Rockies. Jick McCaskill, the illustrious narrator of *English Creek*, returns as the witty and moving voice in this classic encounter with the American road and all the rewards and travails it can bring. Jick faces his family's—and his state's—legacy of loss and perseverance from the vantage point of Montana's centennial in 1989 when his daughter Mariah enlists him as Winnebago chauffeur to her and her ex-husband, the magnificently ornery and eloquent columnist Riley Wright, when their news-paper dispatches them to dig up stories of the "real Montana." Just as the centennial is a cause for reflection as well as jubilation, the exuberant travels of this trio bring on encounters with the past in "memory storms" that become occasions for reassessment and necessary accommodations of the heart.

The Montana Trilogy Boxed Set Aug 01 2022 From the celebrated and uniquely American author Ivan Doig—an unforgettable portrait of the western United States—his stunning Montana Trilogy: *English Creek*; *Dancing at the Rascal Fair*; and *Ride With Me, Mariah Montana*, now available in a boxed set. "Here is the real Montana, the real West, through the eyes of a real writer." —Wallace Stegner Covering the first century of Montana's statehood from 1889 to 1989, Ivan Doig's Montana Trilogy follows the McCaskill family and their alluring Two Medicine country along the hem of the northern Rockies. Doig first recounts the events of a Two Medicine country summer in *English Creek*, as fourteen-year-old Jick McCaskill comes of age. Through Jick's eyes we see his friends and family at turning points and discover Jick's own connection to the land, to history, and to the deep-fathomed mysteries of one's kin and one's self. The central volume in Doig's acclaimed trilogy, *Dancing at the Rascal Fair*, explores the American experience at the turn of the century, a passionate portrayal of the immigrants who dared to try new lives in the imposing Rocky Mountains. Finally, Jick McCaskill returns in *Ride With Me, Mariah Montana* as the clever and moving voice in this classic encounter with the American road and all the rewards and travails it can bring. Jick faces his family's—and his state's—legacy of loss and perseverance from the vantage point of Montana's centennial in 1989. Doig created one of the most captivating families in American fiction in these prizewinning portraits of time and place—Montana at three pivotal points in the twentieth century. With witty and beguiling narration, a masterpiece of vernacular in the tradition of Mark Twain, Ivan Doig is "a presiding figure in the literature of the American West" (*The New York Times Book Review*) and will be canonized as such.

Rascal on the Run Mar 16 2021 Drawn into a web of small-town secrets, family drama, and the rusted tentacles of the Dixie Mafia, a young lawyer is forced to confront his own notions of justice, freedom, love, and sobriety. Athens, Georgia, 1988: Attorney August "Critter" Stillwell dreams of a life on the open sea, but he's stuck juggling a crushing caseload after the sudden departure of his defense attorney father, Guy Stillwell. When an episode of *Unsolved Mysteries* leads to the capture of a murder suspect who's been on the run

for twenty-five years, the ominous pattern of facts drags Critter into a hidden corner of Guy's past. In 1963, *To Kill a Mockingbird* was playing in local theaters, and Guy Stillwell was a lot like Atticus Finch-if Atticus had been a charming two-timer and burgeoning alcoholic. For fifteen-year-old Critter, working at his father's law firm was a masterclass in the art of good ol' boy litigating and congenial backroom deals. Guy took on the trial of the decade that summer: defending a black woman charged with the murder of a KKK thug. By the time it was over, Critter's world and the sleepy town of Athens were in flames. As an older, wiser Critter looks back on that fateful season, he discovers stunning connections between Guy's case and his own defense of the runaway murderer. Now he must choose between his duty to the law and an unwavering loyalty to his flawed but charismatic father. "This vivid, sure-voiced page-turner is a compelling murder mystery and so much more. Deftly weaving together two murder cases and their subsequent trials with colorful dialogue and a generous measure of sly humor, it unpacks the personal demons of its father-and-son lawyer protagonists, and the painful history of the American South. A retired lawyer himself, Howard Scott clearly knows well the terrain he writes about-the courtroom antics, the family dramas, the blatant racism that still flourishes in mid-twentieth-century Athens, Georgia-delivering it all as smoothly as his characters deliver their closing arguments. Here's hoping that we'll see more of Critter Stillwell, his quirky siblings, and his buck-the-status-quo Southern belle mother in the future." -Ann Vanderhoof, author of *An Embarrassment of Mangoes* and *The Spice Necklace* "The genial style of Rick Bragg meets the pathos of Pat Conroy in this touching, often laugh-out-loud tale brimming with wry language and knee-slapping metaphors. The novel could have stayed in the shallows of humor and succeeded, but the story becomes noteworthy, even enduring, because it delves deeper. A correction of Harper Lee's view of the South instead of an homage, *Rascal on the Run* persistently questions how a person, community, and region can recover from a haunted past. It's in these explorations and the answers offered that it shines. Fans of Southern stories and historical fiction are sure to love this insightful, unforgettable debut." -Blueink Review

English Creek Apr 28 2022 In this prize-winning portrait of a time and place—Montana in the 1930s—that at once inspires and fulfills a longing for an explicable past, Ivan Doig has created one of the most captivating families in American fiction, the McCaskills. The witty and haunting narration, a masterpiece of vernacular in the tradition of Twain, follows the events of the Two Medicine country's summer: the tide of sheep moving into the high country, the capering Fourth of July rodeo and community dance, and an end-of-August forest fire high in the Rockies that brings the book, as well as the McCaskill family's struggle within itself, to a stunning climax. It is a season of escapade as well as drama, during which fourteen-year-old Jick comes of age. Through his eyes we see those nearest and dearest to him at a turning point—"where all four of our lives made their bend"—and discover along with him his own connection to the land, to history, and to the deep-fathomed mysteries of one's kin and one's self.

Rascal Dec 01 2019 Some things are easier to demonstrate than they are to explain: easier caught than taught. The concept of a unique type of person, affectionately called a Rascal in this book, is a prime example. In the book, we will consider the characteristics of Rascals, noting their greatness and analyzing their behaviors. As we do so, it will be most illustrative to simply observe some representative individuals as a way to shine light on the whole concept. What you may notice while reviewing this gallery of Rascals is the large range of background, circumstances, age, gender, and race they collectively represent which have nothing to do with the concept. Being a Rascal is an outpouring of who a person is on the inside. It is a spirit of willfulness and strength, a dynamic force that drives one forward toward a unique path and contribution. It is authenticity in courageous display. It is life lived on purpose and for a purpose.
