The Case for Easter Aug 10 2020 Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist

on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

The Coldest Case Nov 12 2020 An anonymous skull, an unsolved murder, sinister rumors from the Cold War era of espionage—Bruno's investigation into a long-standing cold case finds him caught between an enigmatic winegrower and a menacing Communist organization from the past. After attending an exhibit on the facial reconstruction of ancient skulls, Bruno wonders if this technology might provide an invaluable clue to a thirty-year-old cold case. But learning the identity of the murder victim is only the beginning. The investigation quickly turns thorny and leads Bruno to a reclusive vintner, Henri Bazaine, whose education at a vocational school in a formerly Communist region has raised some eyebrows. An inquiry into the defunct school turns up shadowy reports of possible connections and funding from the Stasi, the repressive police agency of the former East Germany. The scrutiny on Henri intensifies once Bruno discovers that he was declared dead thirty years ago and has been living under an assumed name ever since. The strange case is further complicated as Parisian bureaucrats get involved, hinting that essential diplomatic relations might be at stake. And to make matters even worse, the Dordogne is suffering from an intense summer drought that is sparking fires across the region. But as always, Bruno will keep a cool head through it all—and, bien sûr, takes time to enjoy a sumptuous Périgordian meal!

The Chester Creek Murders Dec 26 2021 When Detective Clayton Tyler is tasked with reviewing the formidable archives of unsolved homicides in his police department’s vaults, he settles on one particular cold case from the 1980s: The Chester Creek Murders. Three young women were brutally murdered—their bodies dumped in Chester Creek,

Delaware County—by a serial killer who has confounded a slew of detectives and evaded capture for over thirty-eight years. With no new leads or information at his disposal, the detective contacts Venator for help, a company that uses cutting-edge investigative genetic genealogy to profile perpetrators solely from DNA evidence. Taking on the case, Madison Scott-Barnhart and her small team at Venator must use their forensic genealogical expertise to attempt finally to bring the serial killer to justice. Madison, meanwhile, has to weigh professional and personal issues carefully, including the looming five-year anniversary of her husband's disappearance. The Case for the Psalms Mar 05 2020 Wright points out that the Psalms have served as the central prayer and hymnbook for the church since its beginning--until now. In *The Case for the Psalms*, Wright calls us to return to the Psalms as a steady, vital component of healthy Christian living. Reading, studying, and praying the Psalms is God's means for teaching us what it means to be human: how to express our emotions and yearnings, how to reconcile our anger and our compassion, how to see our story in light of God's sweeping narrative of salvation. Wright provides the tools for understanding and incorporating these crucial verses into our own lives. His conclusion is simple: all Christians need to read, pray, sing, and live the Psalms.--Publisher's description.

The Dordogne Mysteries: Bruno, Chief of Police, the early cases Nov 24 2021 The first three cases for Bruno, Chief of Police of St Denis in the Dordogne. The perfect escapist read for a winter's night. 'The Maigret of the Dordogne' - Antony Beevor **DEATH IN THE DORDOGNE** Bruno investigates the death of a local North African patriarch, in a case whose solution may lie in that most fraught part of recent French history: the Second World War. St Denis was part of Vichy France, with a strong Resistance movement. Will the people of St Denis allow Bruno to dig up their past in order to find the killer? **THE DARK VINEYARD** A Californian wine producer is planning to set up a wine-making business in the St Denis valley. The locals aren't happy, and when a violent death occurs at the vineyard, Bruno will have to draw on all his local knowledge to reach the truth. **BLACK DIAMOND** The black truffles of the Dordogne are world-famous and extremely valuable. But their price is being driven down by cheaper, adulterated truffles from China, and it seems Chinese organised crime is behind the fraud. A vicious murder in St Denis points Bruno in the direction of the scam. Will he be able to sniff out the culprit, and find the killer? 'A satisfyingly intriguing, wish-you-were-here read' *Guardian* *Wordwatching* Apr 05 2020 A bonzer discussion of the strange pedigree of the naughty, nice, and, sometimes, obscene English language. We live in a torrent of words — from radio and television, books and newspapers, and now from the internet. But, as Julian Burnside reminds us in this new edition of the bestselling *Wordwatching*, words are a source of both pleasure and power, and can be deployed for good or for ill. Comprising many essays, dealing with a vast array of subjects as diverse as deadlines, fancy words, the problems with 'issue', odd sounds, oxymorons, and the fallacy of 'wading in', *Wordwatching* is a fascinating demonstration of the power and the pleasure of the

English language. Told with Julian Burnside's sparkling wit, it is lively, illuminating, and perfect for every book-lover.

Ada Lace, on the Case Jul 29 2019 "Eight-year-old Ada, who has a knack for science, math, and solving mysteries, teams up with her best friend, Nina, to find a missing dog."--

The Case of the Missing Boyfriend Sep 30 2019 The Number 1 Ebook hit: over 270,000 copies sold to date Thirty-nine year old CC is living the urban dream: a high-powered job in advertising, a beautiful flat, and a wild bunch of gay friends to spend the weekends with. And yet she feels like the Titanic - slowly, inexorably, and against all expectation, sinking. The truth is, CC would rather be digging turnips on a remote farm than convincing the masses to buy a life-changing pair of double-zippered jeans - rather be snuggling at home with the Missing Boyfriend than playing star fag-hag in London's latest coke-spots. But sightings of men without weird fetishes or secret wives are rarer than an original metaphor, and CC fears that pursuing the Good Life alone will just leave her feeling even more isolated. Could her best friend's pop-psychology be right? Are the horrors of CC's past preventing her from moving on? And if CC finally does confront her demons, will she find the Missing Boyfriend? Or is it already too late?

(Don't) Call Me Crazy Aug 02 2022 Who's Crazy? What does it mean to be crazy? Is using the word crazy offensive? What happens when a label like that gets attached to your everyday experiences? To understand mental health, we need to talk openly about it. Because there's no single definition of crazy, there's no single experience that embodies it, and the word itself means different things—wild? extreme? disturbed? passionate?—to different people. In (Don't) Call Me Crazy, thirty-three actors, athletes, writers, and artists offer essays, lists, comics, and illustrations that explore a wide range of topics: their personal experiences with mental illness, how we do and don't talk about mental health, help for better understanding how every person's brain is wired differently, and what, exactly, might make someone crazy. If you've ever struggled with your mental health, or know someone who has, come on in, turn the pages . . . and let's get talking.

A Stone in My Shoe Oct 31 2019 What's more miserable than trying to walk with a stone in your shoe? Many American evangelicals are experiencing pain and discomfort in their relationship to the church. "Stones" in their shoes make the faith journey uncomfortable and increasingly untenable. They either leave the church altogether, become "church shoppers," or live on the margins of the church as outliers. This book presents the vantage point of a lifelong evangelical pastor and religious educator who sees himself as an outlier. Walters draws on decades of pastoral life and classroom experience to engage the church in a conversation aimed at clarifying the concerns and discomforts of evangelical outliers. While this is one person's story it intersects with the stories of many others in American evangelicalism, especially clergy. In identifying the stones which trouble and discomfort so many like him, Walters continually calls the church, his church, back to its biblical and theological foundations.

Missing May 07 2020 Cases of missing people that defy explanation! Some missing person cases are more bizarre and mysterious than others. This book reports such cases. We often tend to think that we can easily find the explanation to everything around us, yet there are so many situations where this is not possible. People themselves continue to disappear seemingly without a trace even with all of the technological and scientific advancement that humanity has had. People disappear every single day, but there are a few cases that simply defy explanation. There are those who have walked into forests and never come out. There are people who have disappeared from secure compounds with no explanation, and even individuals who seem to have vanished into thin air right in front of security cameras. As much as we would like to find some mundane explanation for these cases, a persistent percentage of disappearances remain completely mysterious in every sense of the word. Here in this book, we have brought together some of the most mind-boggling of these strange instances of abrupt vanishing on record, including: The Ill-Fated Alien Abductee Anjikuni, the Vanishing Village Abducted by Bigfoot The Fierce Legend of Ambrose Bierce What Happened to Gerry Irwin? The Mysterious Disappearance of a Manic Street Preacher The Troubling Case of Brandon Lawson And many more! Scroll back up and order your copy today!
