The Wisdom of Crowds Jul 10 2021 CHOAS. FURY. DESTRUCTION. THE GREAT CHANGE IS UPON US . . . 'Dazzlingly gruesome and gripping' Daily Mail * * * * * Some say that to change the world you must first burn it down. Now that belief will be tested in the crucible of revolution: the Breakers and Burners have seized the levers of power, the smoke of riots has replaced the smog of industry, and all must submit to the wisdom of crowds. With nothing left to lose, Citizen Brock is determined to become a new hero for the new age, while Citizeness Savine must turn her talents from profit to survival before she can claw her way to redemption. Orso will find that when the world is turned upside down, no one is lower than a monarch. And in the bloody North, Rikke and her fragile Protectorate are running out of allies . . . while Black Calder gathers his forces and plots his vengeance. The banks have fallen, the sun of the Union has been torn down, and in the darkness behind the scenes, the threads of the Weaver's ruthless plan are slowly being drawn together . . . Capping off the AGE OF MADNESS trilogy, THE WISDOM OF CROWDS brings the series which is revolutionising fantasy to its stunning conclusion . . .

The Wisdom of Waldorf Jan 24 2020 A collection of historical and original reflections from a range of voices in Waldorf education to celebrate 100 years since the founding of the first Waldorf school.

[The Wisdom of Cormac](#) Sep 12 2021 Presented in a question-and-answer dialogue between a king and his son, this ancient Celtic document offers timeless advice on how to live an honest, respectable, and successful life.

The Wisdom of Your Face Feb 17 2022 What if you could tell, just by looking at others, how they tend to think, feel, and behave? What if your partner's face revealed the best way to resolve any conflicts between you? And what if you could discover in your own face the wisdom that you need in order to be the best you you can be? Based on the same ancient foundation as acupuncture and Chinese medicine, face reading has been in the "research and development" phase for over 3,000 years. When translated to make it meaningful for our Western lives, it's a powerful source of wisdom that we can all access. Chinese face reading shows you how to live your life in alignment with your own natural flow, find the life path that gives you joy, attract relationships that nurture you, and most of all, enable you to feel compassion for yourself and others. This book will forever change how you see yourself . . . and all the people in your life!

The Wisdom of Many Dec 03 2020 A collection of 20 studies of proverbs first published in 1981 by Garland. Among the general topics are structure, oral transmission, and practical reasoning. Proverbs examined in detail include African, Yiddish, Shakespeare's, Chinese, Irish, and those used in advertising. Includes an addenda to the bibliography. No index. Paper edition (unseen), \$19.95. The Wisdom of Old Dogs Dec 15 2021 A dog is for life, but an old dog's wisdom is for ever. Full of practical advice, uplifting stories, and scientific expertise, this book reveals how dogs can be a constant source of wisdom, comfort, and love in their old age. The perfect Christmas present for anyone who treasures these wonderful animals.

The Wisdom of a Broken Heart Jul 30 2020 In this gift book from renowned spiritual teacher Lars Muhl we learn that the vast majority of us will experience emotional pain in our lives but that it's possible to use that pain as a unique opportunity for spiritual growth. The perfect book for improving your self-care or as a gift for someone you love. The Wisdom of a Broken Heart is a beautifully designed hardback gift book with profound content that draws on Lars Muhl's many years of spiritual studies and experiences. In a time when we as humans are being challenged in many ways, Lars stresses that it is through the pain suffered by so many of us, and by understanding the deeper meaning of that pain, that we are given a unique opportunity for a breakthrough at the spiritual plane. Arranged in verse form, the book contains the essence of the secret teachings taught by Yeshua (Jesus) the Nazarene and Mariam (Mary) Magdalene 2,000 years ago. Over the years, the teachings have been revealed in fragments and scattered glimpses; this book now creates a synthesis of the beautiful wisdom of the complete human being. Topics range from the profound energetic exchange that occurs between two lovers (with visualizations to meet Yeshua if you identify as a woman or Mariam if you identify as a man), to using mantras, song and dance in order to reach divine awareness, to numerology and other symbolism. Ultimately, this is a complete guide to living the Law of Light for the benefit of yourself and the wider world. As Lars says: "We are all potential healers, and if there is anything the world needs right now, it is exactly healers."

[The Wisdom of Crocodiles](#) May 20 2022 When Steven Griscz saves a young woman from throwing herself in front of a train he finds himself consumed by a love affair which transforms her into a happy and beautiful young woman. Then she vanishes without trace. George Winnicott, wakes from a nightmare screaming that he knows the meaning of life. How are these events linked?

The Wisdom of the Aramaic Book of Ahiqar Dec 23 2019 "This book offers fresh readings of the Aramaic book of Ahiqar, an oft underappreciated ancient wisdom text. In undertaking a comprehensive literary analysis, incorporating both the drama and the sayings together, Bledsoe shows that Ahiqar's didactic impulse is founded on a sense of uncertainty about life, offering advice for those in times of distress, much like the titular character himself. While Ahiqar shares many features with instructional literature like Proverbs, the ambiguous cosmic and social order imagined in the text resonate more strongly with the likes of Qoheleth or Job. Bledsoe also takes seriously the Elephantine context, suggesting that the social and political ethic evinced by the work would have resonated strongly with the Judean community in Achaemenid Egypt"--

The Wisdom of No Escape Jun 21 2022 The "down-to-earth, unsentimental, [and] high-humored" Pema Chödrön classic on learning to face our lives just as they are (Los Angeles Times) It's true, as they say, that we can only love others when we first love ourselves—and we can only experience real joy when we stop running from pain. The key to understanding these truisms is simple but not easy: we must learn to open ourselves up to life in all its manifestations. Here, spiritual teacher and When Things Fall Apart author Pema Chödrön presents a uniquely practical approach to doing just that, showing us the true value in having "no escape" from the ups and downs of life. Drawing from her own experiences with marriage, divorce, motherhood, and more, Pema reveals that when we embrace the happiness and heartache, the inspiration and confusion—all the twists and turns that are part of natural life—we can begin to discover a true wellspring of courageous love that's been within our hearts all along. As she writes in chapter four: "Our neurosis and our wisdom are made out of the same material. If you throw out your neurosis, you also throw out your wisdom."

A Piece of the Action Jan 16 2022 A comprehensive examination of the money revolution in America since the 1950s examines the acquisition of financial power by the middle class through credit cards and mutual funds, the Age of Inflation, the 1987 crash, and the current bull market. 50,000 first printing. Tour.

The Wisdom of Father Brown Oct 21 2019 Father Brown is an unlikely amateur detective. Short, stumpy, and angelic, he carries a huge umbrella and has a natural ability to intuit the solutions to criminal mysteries. The twelve tales in this book follow him through France, England, and Italy, as he gets caught up in cases involving everything from murder to treason.

Wisdom of the Body Moving May 08 2021 This comprehensive guide introduces Body-Mind Centering, the internationally recognized field pioneered by dancer and occupational therapist Bonnie Bainbridge Cohen. Devoting thirty-five years to a systematic investigation of the relations between bodily experience and the anatomical maps of science, Bainbridge Cohen independently discovered many of the principles that underlie Feldenkrais work, cranial osteopathy, Rolfing, dance therapy, and Zero Balancing. Experienced BMC practitioner Linda Hartley demonstrates the basic philosophy and key elements of Body-Mind Centering. Drawing on animal and infant movements, she takes readers through the wondrous realms of Bainbridge Cohen's pantheon—from the 'minds' of the skeletal and muscular systems to the quite different inner lives of digestive, lymphatic, urinary, respiratory, vocal, circulatory, endocrine, and reproductive organs. Her choreography ultimately brings us into the states of consciousness of skins, cells, blood, fat, cerebrospinal fluid, nervous system, and brain. Hartley's explorations of the images, feelings, sensations, and intuitions of the diverse organs and cells lead to exercises that gently guide students in ways of discovering and integrating their bodies' multidimensional aspects.

The Wisdom of Crowds Oct 25 2022 Looks at the theory that large groups have more collective intelligence than a smaller number of experts, drawing on a wide range of disciplines to offer insight into such topics as politics, business, and the environment.

The Wisdom Literature Aug 31 2020 In this volume, Richard J. Clifford seeks to make the biblical wisdom literature intelligible to modern readers. It is easy to quote the occasional proverb, say a few things about "the problem of evil" in Job, or quote "vanity of vanities, " but far more rewarding to read the whole book with an appreciative and informed eye. Opening chapters of The Wisdom Literature comment on the striking similarities between ancient and modern "wisdom literature" and on the comparable literature from ancient Mesopotamia, Egypt, and Canaan. Thereafter, a chapter is devoted to each biblical wisdom book (Proverbs, Job, Ecclesiastes, Song of Songs, Sirach, and Wisdom of Solomon), studying not only its content but also its rhetoric -- how it engages the reader.

The Wisdom of Teams Jun 28 2020 The bestselling book that thoroughly explores the remarkable benefits of teams at all levels of the organization. The authors provide dozens of real accounts and case studies that illustrate successes and failures and demonstrate what can be learned from these examples. A must-read guide for business leaders.

The Wisdom Of Trees Oracle Feb 05 2021

The Wisdom of Whores: Bureaucrats, Brothels, and the Business of AIDS Aug 19 2019 "[A] rollicking, eye-opening, hilarious account of the underbelly of international AIDS research."—Carlin Romano, Philadelphia Inquirer As an epidemiologist researching AIDS, Elizabeth Pisani has been involved with international efforts to halt the disease for fourteen years. With swashbuckling wit, fierce honesty, and more than a little political incorrectness, she dishes on herself and her colleagues as they try to prod reluctant governments to fund HIV prevention for the people who need it most: drug injectors, gay men, sex workers, and johns. With verve and clarity, Pisani shows the general reader how her profession really works; how easy it is to draw wrong conclusions from "objective" data; and, shockingly, how much money is spent so very badly.

The Wisdom of Prince Phillip Apr 07 2021 The Wisdom of Prince Phillip is a carefully selected collection of His Royal Highness Prince Phillip's most impressive public statements and a fitting tribute to Australia's favourite Knight. Edited by Sir Antony A. Butt, Australia's foremost Monarchist, and illustrated by Oslo Davis, it will be available in March 2015 as a timely celebration of the momentous occasion of Phillip receiving his Knight of the Order of Australia, no doubt his most illustrious honour to date.

The Wisdom of the Ego Aug 11 2021 One of America's preeminent psychiatrists draws on his famous Study of Adult Development to give us an exhilarating look at how the mind's defenses work. What we see as the mind's trickery, George Vaillant tells us, is actually healthy. What's more, it can reveal the mind at its most creative and mature, soothing and protecting us in the face of unbearable reality, managing the unmanageable, ordering disorder. And because creativity is so intrinsic to this alchemy of the ego, Vaillant mingles his studies of obscure lives with psychobiographies of famous artists and others—including Florence Nightingale, Sylvia Plath, Anna Freud, and Eugene O'Neill.

The Wisdom of Wolves Jan 04 2021 From the world-famous couple who lived alongside a three-generation wolf pack, this book of inspiration, drawn from the wild, will fascinate animal and nature lovers alike. For six years Jim and Jamie Dutcher lived intimately with a pack of wolves, gaining their trust as no one has before. In this book the Dutchers reflect on the virtues they observed in wolf society and behavior. Each chapter exemplifies a principle, such as kindness, teamwork, playfulness, respect, curiosity, and compassion. Their heartfelt stories combine into a thought-provoking meditation on the values shared between the human and the animal world. Occasional photographs bring the wolves and their behaviors into absorbing focus.

The American Soul Mar 26 2020 Looking at the lives of America's founders—including Washington, Jefferson, and Franklin—scholar and bestselling author Jacob Needleman explores their core of inner beliefs; their religious and spiritual sensibilities; and their individual conception of the purpose of life. The founders, Needleman argues, conceived of an "inner democracy": a continual pursuit of wisdom and self-improvement that would undergird the outer democracy in which we live today. Any understanding of America as a nation of spiritual values will in the years ahead require Needleman's work as a point of reference.

The Wisdom of Insecurity Aug 23 2022 Acclaimed philosopher Alan Watts shows us how—in an age of unprecedented anxiety—we can find fulfillment by embracing the present and living more fully in the now. He is "the perfect guide for a course correction in life" (from the Introduction by Deepak Chopra). The brain can only assume its proper behavior when consciousness is doing what it is designed for: not writhing and whirling to get out of present experience, but being effortlessly aware of it. Alan Watts draws on the wisdom of Eastern philosophy and religion in this timeless and classic guide to living a more fulfilling life. His central insight is more relevant now than ever: when we spend all of our time worrying about the future and lamenting the past, we are unable to enjoy the present moment—the only one we are actually able to inhabit. Watts offers the liberating message that true certitude and security come only from understanding that impermanence and insecurity are the essence of our existence. He highlights the futility of endlessly chasing moving goalposts, whether they consist of financial success, stability, or escape from pain, and shows that it is only by acknowledging what we do not know that we can learn anything truly worth knowing. In *The Wisdom of Insecurity*, Watts explains complex concepts in beautifully simple terms, making this the kind of book you can return to again and again for comfort and insight in challenging times. "Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" —Los Angeles Times

Sophia, the Wisdom of God Nov 21 2019 "[Bulgakov] was a torchbearer for what was coming to be called Sophiology ... His championship of Sophia was clearly an attempt to revitalize Orthodoxy and to reestablish the spirit of the divine feminine, so that the Church should not remain off-balanced by its Christocentric view." --Caitlin Matthews, author of *Sophia--Goddess of Wisdom: The Divine Feminine from Black Goddess to World Soul*. There is a great hunger to recover the feminine aspect of the Divinity. But much searching has left Christians disappointed and seeking the "Goddess" elsewhere. In this brave theological work, Bulgakov shows how the Divine Sophia, in whom all things are created, is present in the Holy Trinity itself and how, as the "creaturely Sophia," she works together with her divine counterpart in the work of the Holy Spirit for the redemption of the world. This book is a revised edition of *The Wisdom of God: A Brief Summary of Sophiology* (The Paisley Press, 1937).

The Wisdom of God Mar 06 2021 A.W. Tozer on Living in God's Wisdom We were created by God and for God, and the only way to find true joy, peace, and contentment is by understanding and embracing his wisdom. Wisdom is not some highbrow philosophical concept, but rather a highly practical tool for living the best possible life. The Wisdom of God captures Tozer's teaching on this topic as a way to understand the well-lived Christian life. God's wisdom is a part of his character, inseparable from his love and grace, and knowing this wisdom means drawing closer to him. It will change your decisions, attitudes, and relationships, setting you on the path to becoming all God wants you to be.

The Wisdom of Trees Oct 13 2021 A passionate and informative celebration of trees and of man's ingenuity in exploiting their resources: the perfect gift for anyone who cares about the natural world. Trees are marvels of nature, still-standing giants of extraordinary longevity. In a beautifully written sequence of essays, anecdotes and profiles of Britain's best-loved species (from yew to scots pine), Max Adams explores both the amazing biology of trees and humanity's relationship with wood and forest across the centuries. Embellished with images from John Evelyn's classic *SYLVA* (1664), *THE WISDOM OF TREES* is a gift book that will delight anyone who cares about the natural world and our interaction with it.

The Wisdom of Your Dreams Mar 18 2022 Discover how the hidden messages in your dreams can change your life. A renowned expert on the subject of dreams, Jeremy Taylor has studied dreams and has worked with thousands of people both individually and in dream groups for more than forty years. His discoveries show us how dreams can be the keys to gaining insight into our past and our conflicts, as well as excursions into the fantastic realm of creative inspiration. An expanded and updated edition of his classic guide to understanding your dreams—*Where People Fly and Water Runs Uphill*—*The Wisdom of Your Dreams* provides readers with specific, hands-on techniques to help them remember and interpret their dreams, establish a dream group, and learn the universal symbolism of dreaming. Full of case histories and featuring a revised introduction by the author and a new chapter about dreams as clues to the evolution of consciousness, this is a life-changing and potentially world-changing work.

Sharing the Wisdom of Time Jun 16 2019

The Wisdom of Master Nuno Oliveira Jun 09 2021 This is the only English translation of 'Paroles du Maitre' by Antoine de Coux Antoine de Coux, a magistrate in the Belgian Congo, was undoubtedly one of the most loyal students of Master Nuno Oliveira. From 1966, when they met and became close friends, until Oliveira's death in 1989, Antoine de Coux participated in the annual two-month training sessions that Nuno Oliveira held in Belgium. De Coux was a fine rider, watched every lesson and took copious notes, filling more than forty notebooks. He faithfully recorded the teachings and remarks of the Master. When Oliveira passed, de Coux decided to organize this great "memoir of a life experience," so that all riders could benefit from this knowledge. Nuno Oliveira was an exceptionally talented educator, gladly repeating his concepts with different descriptions to suit the level of understanding of his wide range of students. Antoine de Coux did not live long enough to realize the completion of his work. Madame Suzanne Laurenty, who also followed Oliveira's courses, finished the editing project resulting in this seminal book. Concepts and quotations are organized and punctuated to be faithful to the Master's teaching. This collection of words of advice constitutes the *Wisdom of Master Nuno Oliveira*, and we trust the reader will find it valuable and practical. This book presents a coherent, rich and outstanding contribution to the equestrian literature and extends Nuno Oliveira's legacy in an extraordinarily life-like manner. This one and only English edition is translated by Jean Philippe Giacomini. **The Unbroken Thread** Jul 18 2019 We've pursued and achieved the modern dream of defining ourselves—but at what cost? An influential columnist and editor makes a compelling case for seeking the inherited traditions and ideals that give our lives meaning. "Ahmari's tour de force makes tradition astonishingly vivid and relevant for the here and now."—Rod Dreher, bestselling author of *Live Not by Lies* and *The Benedict Option* As a young father and a self-proclaimed "radically assimilated immigrant," opinion editor Sohrab Ahmari realized that when it comes to shaping his young son's moral fiber, today's America is woefully lacking. For millennia, the world's great ethical and religious traditions have taught that true happiness lies in pursuing virtue and accepting limits. But now, unbound from these stubborn traditions, we are free to choose whichever way of life we think is most optimal—or, more often than not, merely the easiest. All that remains are the fickle desires that a wealthy, technologically advanced society is equipped to fulfill. The result is a society riven by deep conflict and individual lives that, for all their apparent freedom, are marked by alienation and stark unhappiness. In response to this crisis, Ahmari offers twelve questions for us to grapple with—twelve timeless, fundamental queries that challenge our modern certainties. Among them: Is God reasonable? What is freedom for? What do we owe our parents, our bodies, one another? Exploring each question through the lives and ideas of great thinkers, from Saint Augustine to Howard Thurman and from Abraham Joshua Heschel to Andrea Dworkin, Ahmari invites us to examine the hidden assumptions that drive our behavior and, in doing so, to live more humanely in a world that has lost its way.

The Wisdom of Compassion Jul 22 2022 Victor Chan has travelled the world with His Holiness the Dalai Lama, witnessing innumerable intimate moments and remarkable revelations with the spiritual leader.

The Wisdom of Finance Apr 19 2022 *The Wisdom of Finance* takes well-known financial concepts and applies them to our most pressing life issues. Proverbs Prayers Apr 26 2020 One of the most popular books of the Bible, *Proverbs* offers practical guidance for life and the tools to make good choices, withstand pressure, prioritize relationships, and avoid unnecessary trouble. In these pages, John Mason helps readers make God's wisdom a part of their inner lives, offering each chapter from *Proverbs* followed by a heartfelt prayer that covers the insights from that chapter. In thirty-one days, readers can pray all of the wisdom of *Proverbs* for their lives, experiencing God's wisdom as never before and finding encouragement, peace, answers, and a better life.

The Wisdom of Anxiety Nov 02 2020 'We have to shift from a mindset of shame, which sees anxiety as evidence of brokenness, to a mindset of curiosity, which recognizes that anxiety is evidence of our sensitive heart, our imaginative mind and our soul's desire to grow towards wholeness.' Three million people are thought to suffer from anxiety in the UK, and it is an issue that affects a growing number of people across all ages. For anyone troubled by obsessive thoughts, insomnia and other manifestations of anxiety, counsellor Sheryl Paul offers shelter in the storm. In *The Wisdom of Anxiety*, Paul reveals that anxiety, like any emotion, is a signal - a clear bodily invitation to heal and renew your trust in your choices, self-image and core values. Weaving together practical exercises with personal stories, Paul offers medication-free approaches for accessing the gifts in different kinds of anxiety, and especially the anxiety summoned by life's transitions, for example a career change, becoming parents or becoming carers for loved ones. Chapters include recognising the symptoms of anxiety, its origins, the myth of 'normal', the expectation of happiness and a timeline of healing that includes exercises for the body and mind. There are also chapters on parenting in an age of anxiety and the vulnerability of connection and relationships.

Whatever your spiritual background, the Enneagram shows how you can overcome your inner barriers, realize your unique gifts and strengths, and discover your deepest direction in life. The Wisdom of the Enneagram includes: Two highly accurate questionnaires for determining your type Vivid individual profiles focused on maximizing each type's potential and minimizing predictable pitfalls Spiritual Jump Starts, Wake-Up Calls, and Red Flags for each type Dozens of individualized exercises and practical strategies for letting go of troublesome habits, improving relationships, and increasing inner freedom Revealing insights into the deepest motivations, fears, and desires of each type Highly accessible, yet filled with sophisticated concepts and techniques found nowhere else, The Wisdom of the Enneagram is a strikingly new fusion of psychology and spirituality. It offers an exciting vision of human possibility and a clear map of the nine paths to our highest self-expression.

The Wisdom of Strategic Learning Sep 19 2019 Change means learning. There is no possibility for organizations to change unless the people in them learn. In this new book Ian Cunningham writes about his pioneering work in developing strategic learning. He shows the need to go beyond vague prescriptions for 'learning organizations'. Instead he advocates the value of a 'learning business' which integrates learning with the strategic direction of the organization. He elaborates practical examples of implementing strategic learning, using self managed learning. For the organization, self managed learning has a strategic advantage in creating a focused, active and committed team. Ian Cunningham's powerful, tried-and-tested approach is backed by evaluation research evidence and by its success in organizations such as Shell in the Netherlands, the Hiram Walker Group in the UK and Valmet in Finland.
