I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...

Exposed Nov 06 2022 Brenna There are some people in life who know exactly how to push your buttons. For me, it's Rye Peterson. We can't spend more than ten minutes together before we're at each other's throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn't help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn't: a confession made in a moment of weakness. Now the man I've tried so hard to ignore is offering me the greatest temptation of all—him. Rye Brenna James is the one. The one I can't have. The one I can't get out of my mind. Believe me, I've tried; the woman loathes me. I managed well enough—until I heard her say she's as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I've never given her a good reason to trust me before. Now, I've got to show Brenna that we're so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.

No matter how many times I repeat it, I can't escape Noah in our small Tennessee town. And the more I run into him, the more he infuriates me. Because he sees what no one else does. When Joss Met Matt Apr 18 2021 In the tradition of New Adult superstar Jessica Sorensen, Ellie Cahill's debut novel is a charming friends-with-benefits story . . . with a twist! What if after every bad breakup, there was someone to help "cleanse your palate"—someone who wouldn't judge you, who was great in bed, someone you were sure not to fall in love with? "Sorbet sex" could solve everything—as long as it never got too sweet. Joss and Matt have been friends since freshman year of college, meeting one night after Joss is dumped by her boyfriend. After a few drinks, Matt humors her with a proposition: that he'll become her go-to guy whenever she needs to heal a broken heart. In return, she'll do the same for him. The #1 Rule: They'll never fall in love with each other. People scoff at the arrangement. But six years later, Joss and Matt are still the best of friends . . . with benefits. Through a string of boyfriends and girlfriends—some almost perfect, some downright wrong—Joss and Matt are always there for each other when the going gets tough. No strings. No attachments. Piece of cake. No problem. After all, since they wrote the rules, surely they can play by them. Or can they? Advance praise for *When Joss Met Matt* "Hands down, one of my favorite New Adult reads . . . Ellie Cahill is definitely one to watch!"—New York Times bestselling author Cora Carmack "This is one of those books that make you forget everything around you. Prepare to be consumed by this story."—Sophie Jordan, New York Times bestselling author of *Wild* "Fun, sexy, and full of amazing chemistry, *When Joss Met Matt* is an entertaining

escape that will leave you smiling with every turn of the page.”—Cassie Mae, author of *The Real Thing*

The Hot Shot Oct 05 2022 First we were friends. Then we were roommates. Now I want more... What can I say about Chess Copper? The woman is capable of bringing me to my knees. I know this about five minutes after getting naked for her. No one is more surprised than me. The prickly photographer my team hired to shoot our annual charity calendar isn't my usual type. She's defense to my offense, a challenge at every turn. But when I'm with her, all the regrets and darkness goes away. She makes life fun. I want to know Chess, be close to her. Which is a bad idea. Chess is looking for a relationship. I've never given a woman more than one night. But when fate leaves Chess without a home, I step up and offer her mine. We're roommates now. Friends without benefits. But it's getting harder to keep our hands off each other. And the longer we live together the more I realize she's becoming my everything. Trick is... Now that I've made her believe I'm a bad bet, how do I convince her to give this player a true shot at forever?

Fall Apr 30 2022 The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

Good Boy Feb 03 2020 Hosting her brother's wedding for an MVP guest list is the challenge of Jess Canning's life. Already the family screw-up, she can't afford to fail. And nobody (nobody!) can learn of the colossal mistake she made with the best man during a weak moment last spring. It was wrong, and there will not be a repeat. Absolutely not. Even if he is the sexiest thing on two legs. Blake Riley sees the wedding as fate's gift to him. Jess is the maid of honor and he's the best man? Let the games begin. So what if he's facing a little (fine, a lot) of resistance? He just needs to convince the stubborn blonde that he's really a good boy with a bad rap. Luckily, every professional hockey player knows that you've got to make an effort if you want to score. But Jess has more pressing issues to deal with than sexy-times with a giant man-child. Such as: Will the ceremony start on time, even though someone got grandma drunk? Does glitter ever belong at a wedding? And is it wrong to murder the best man? Caution: May cause accidental aspiration of tea or coffee. Do not read in a public place where loud laughter is inappropriate. Contains hot but hilarious hockey players, puppy cuddling and a snarky pair of underwear. "If I had to pick two authors who I'd have team up, it would be Bowen and Kennedy" -- #1 New York Times bestselling author Colleen Hoover "Everything Sarina Bowen & Elle Kennedy write is pure gold. Please excuse me while I read this one all summer long." Hypable Keywords: Hockey romance, Toronto, Sports Romance, Romantic comedy, contemporary romance For fans of: Vi Keeland, Corinne Michaels, Melanie Harlow, Penelope Ward, Lauren Blakely, Kendall Ryan, Sierra Simone, Sawyer Bennett, Catherine Gayle, Toni Aleo

The Baller Dec 15 2020 From New York Times & USA Today Bestseller, Vi Keeland, comes a sexy new novel. The first time I met Brody Easton was in the men's locker room. It was my first interview as a professional sportscaster. The famed quarterback decided to bare all. And by all, I don't mean he told me any of his secrets. No. The arrogant ass decided to drop his towel, just as I asked the first question. On camera. The Super Bowl MVP quickly adopted a new hobby—screwing with me. When I pushed back, he shifted from wanting to screw with me, to wanting to screw me. But I don't date players. And it's not because I'm one of the few women working in the world of professional football. I'd date an athlete. It's the other kind of player I don't date. You know the type. Good looking, strong, cocky, always looking to get laid. Brody Easton was the ultimate player. Every woman wanted to be the one to change him. But the truth was, all he needed was a girl worth changing for. Turned out, I was that girl. Simple right? Let's face it. It never is. There's a story between once upon a time and happily ever after... And this one is ours. Author's note - *The Baller* is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18

I've got secrets. I've told lies. Bad boys aren't my type, anyway. Even the ones with troubled gray eyes. But now we're roommates. Cue the awkward moments in the hallway when he's wearing only a towel and a smile. He's determined to win me over, and his talented hands weaken my resolve. Idol Sep 04 2022 Libby I found Killian drunk and sprawled out on my lawn like some lost prince. With the face of a god and the arrogance to match, the pest won't leave. Sexy, charming, and just a little bit dirty, he's slowly wearing me down, making me crave more. He could be mine if I dare to claim him. Problem is, the world thinks he's theirs. How do you keep an idol when everyone is intent on taking him away? Killian As lead singer for the biggest rock band in the world, I lived a life of dreams. It all fell apart with one fateful decision. Now everything is in shambles. Until Liberty. She's grouchy, a recluse —and kind of cute. Scratch that. When I get my hands on her, she is scorching hot and more addictive than all the fans who've screamed my name. The world is clamoring for me to get back on stage, but I'm not willing to leave her. I've got to find a way to coax the hermit from her shell and keep her with me. Because, with Libby, everything has changed. Everything.

Ninja at First Sight Dec 03 2019 What do a cynical former Marine and a sheltered former Olympic contender have in common? Nothing. Absolutely nothing. He has a girlfriend and she's never been kissed. He's sullenly sarcastic and she's earnestly empathetic. He can't stop thinking about her. She knows she should keep her distance. Nevertheless, when opposites attract, the results may be unexpected, but they're also undeniably magnetic. 'Ninja at First Sight' is a standalone, prequel novella (for book 5 of the Knitting in the City Series, 'Happily Ever Ninja') and is 40k words.

After We Fall Oct 13 2020 Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.

Written with Regret Jul 30 2019 Every little girl dreams of the fairytale. The one where the white knight rushes in to save her from the clutches of evil. They fall in love, have babies, and live happily ever after. By that definition, my life should have been a fairytale too. When I was eight years old, Caven Hunt saved me from the worst kind of evil to walk the Earth. It didn't matter that I was a kid. I fell in love with him all the same. But that was where my fairytale ended. Years later, a one-night stand during the darkest time imaginable gave us a little girl. It was nothing compared to the pitch black that consumed me when I was forced to leave her with Caven for good. At the end of every fairytale, the happily-ever-after is the one thing that remains consistent. It wasn't going to be mine, but there hadn't been a night that passed where I hadn't prayed that it would be hers. I owed Caven my life. However, I owed that innocent child more. And that included ripping the heart from my chest and facing her father again.
