Yet every day they face the complex realities of twenty-first-century urban life as they try to balance their needs with their belief in God. Through the course of a year, these women must come to terms with the past, discover their true identities, and recognize the unexpected miracles that reveal God's all-encompassing love. These four women entertain us and invite us to join in their lives. As they welcome us, they also introduce us to the men in their lives. The men play supporting roles, adding color and zest to the lives of the Cover Girls. Bishop Jakes knows the struggles real women encounter and the losses that make it difficult to face the future. **Komodo Dragons Feb 17 2022** More than twenty years have passed since Walter Auffenberg's monumental *The Behavioral Ecology of the Komodo Monitor*. In the intervening years the populations of Komodo dragons—native only to a handful of islands in southeast Indonesia—have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology, ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, “The species may well indeed survive in the wild for

generations to come while countless other organisms are lost.”

**In Battle for Peace Jun 21 2022** W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, *In Battle for Peace* frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, *In Battle for Peace* remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

**Wake Up, Woods May 28 2020** Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays. *Wake Up, Woods* showcases the splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of *Wake Up, Woods* will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right pair of boots, it's all about the right attitude.
