Apprentice Needed Sep 29 2022 In book one of the series, Ozzy saw the classified ad in his local paper for a "Wizard for Hire". He discovered there was a wizard right in Portland, Oregon. Ozzy was relieved when the wizard, Rin, agreed to help him find his scientist parents, though the search was a wild series of close calls the closer they got to the truth. And although Rin had powerful sayings, Ozzy doubted that Rin was an actual wizard. Now, on one dark and windy night, Ozzy steps out of bed, jumps out his window, and walks straight into the ocean. It's as if someone is controlling Ozzy's mind. He's saved by Sigi--Rin's daughter--and Clark, a magic robot bird. More than ever, Ozzy could really use the services of Rin, the Wizard for Hire. When a mysterious package arrives containing a plane ticket and a thumb drive, Ozzy is certain it's from Rin. But when Ozzy, Sigi, and Clark arrive in New York, Rin isn't there. Instead they are met by the man who was the money behind the mind-controlling "discipline serum" created by Ozzy's parents. It was the final test case and is now the key to discovering the serum's secret. He is a very valuable boy. Once again, he's on his own. He would have it, Rin appears just in time. But Rin's goal is more than a rescue mission. He needs an apprentice to cement his status and notoriety in the magical realm of Quarfelt--assuming the place even exists. As Rin's apprentice, Ozzy must complete five tasks to receive the Gift of Wonder. Ozzy is willing to help, but is now really the best time to enter a contest for wizards when something is controlling his mind? Especially when someone is out to destroy the people he loves? In an exciting and magical ending, Ozzy receives information that turns his world upside down, and Rin pulls off his greatest magic trick before disappearing with Clark into the dark water of Otter Rock. Apprentice Needed is about living to your full potential. It is about the bond between a wizard, his daughter, his apprentice, and their companion robot bird. It is about finding wonder, accepting heartache, and living with all the possibilities that life can bring. It is a story filled with humor and excitement that can show us the magic in everyday things.

Magic Required Nov 19 2021 When Ozzy's scientist parents are kidnapped, he responds to a classified ad in the local newspaper for a "wizard" named Rin who claims that his magic is real, but Ozzy isn't convinced. In the final book of the Wizard for Hire trilogy, his friend (and Rin's daughter), Sigi, are in danger. They are still being hunted by Ray, the power-mad villain who will stop at nothing to find the formula to the mind-controlling discipline serum--one that Ozzy's parents created and injected into him. Knowing the truth lies ahead, Rin introduces Ozzy to four more friends who also claim magical, wizard-like abilities. Again, Ozzy has no reason to believe magic exists or that Rin's eccentric friends can help. With the injection of the mind-controlling serum, Ozzy is learning to control the minds of animals as well as people. His new powers make him wonder if magic is necessary. Rin says believing is key to seeing the magic around us, but Ozzy isn't so sure anymore. Rin, Ozzy, and Sigi must act quickly, as the minds and free will of all mankind are in danger of being controlled by whoever controls the serum. The wild ride plays out in a nonstop, nail-biting battle at a popular fantasy convention. In this series finale, Ozzy will find out if his kidnapped parents are still alive, and he'll discover that real friends are like magic: truly impossible, possible.
