[Journal of Women's History](#) [Guide to Periodical Literature](#) Aug 13 2021 "Gayle V. Fischer has produced a terrifically useful volume that no research library should be without." —The Journal of American History "... an indispensable resource to finding material on women's history throughout the world." —Journal of World History "... the work is recommended for its currency, depth of coverage, and scope." —Ethnic Forum As part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women's history, the *Journal of Women's History* began a compilation of periodical literature dealing with women's history. This volume is drawn from more than 750 journals and includes material published from 1980 through 1990. There are forty subject categories and numerous subcategories. The guide lists more than 5,500 articles; all are extensively cross-listed.

Inspired by True Events: An Illustrated Guide to More Than 500 History-Based Films, 2nd Edition Sep 02 2020 An up-to-date and indispensable guide for film history buffs of all kind, this book surveys more than 500 major films based on true stories and historical subject matter. When a film is described as "based on a true story" or "inspired by true events," exactly how "true" is it? Which "factual" elements of the story were distorted for dramatic purposes, and what was added or omitted? *Inspired by True Events: An Illustrated Guide to More Than 500 History-Based Films, Second Edition* concisely surveys a wide range of major films, docudramas, biopics, and documentaries based on real events, addressing subject areas including military history and war, political figures, sports, and art. This book provides an up-to-date and indispensable guide for all film history buffs, students and scholars of history, and fans of the cinema. Clearly organized to facilitate quick location of specific films and topic areas Provides near-equal emphasis on both the films themselves and the historical events or persons on which they were based Presents carefully researched and highly informative coverage on a wide range of films that address military history, politics, sports, art, business and economics, and crime Offers pointed ideological assessments often avoided by more conventional treatments

[American Foreign Relations Since 1600](#) Jul 24 2022 Chronicles American foreign relations literature from colonial times to the present, with updated material on post World-War II.

[God's Country, America's Heartcry](#) Jul 20 2019 I Kay Dee Lilley am a concerned wife, mother, citizen, and an American Patriot at heart. My heart's desire is for the truth to be told to all Americans, that America is God's Country and our foundation is His heart cry, to spread His liberties throughout our nation. My book will show through our American symbols, currency, monuments, Founding Fathers, Presidents and many quotes that America is a Christian nation built on Judeo Christian Principles, henceforth the name of this book is God's Country, America's Heart Cry! God is counting on us to arise, stand up, speak up, to use our voice to declare His choice, to restore the foundation of America. America's future depends on "We The People" to come together in agreement to use our God given liberties to defend our freedoms. Will you accept the challenge?

Where's the Map? Create Your Own Guide to Life After Graduation Jul 12 2021 An interactive guidebook for high school and college students and recent graduates, which provides them with a simple model they can use to "map out" the life of their dreams! The guide contains contact information for mosques, community organizations, schools, women's groups, media, and student groups. Recent Islamic-American events over the past five years are also reviewed. To see the Introduction, the table of contents, a generous selection of sample pages, and more, visit the [The North American Muslim Resource](#)

Guide website.

A Historical Guide to Henry David Thoreau Aug 01 2020 As an essayist, philosopher, ex-pencil manufacturer, notorious hermit, tax protester, and all-around original thinker, Thoreau led so singular a life that he is in some ways a perfect candidate for the historical and biographical treatments made possible by the Historical Guides to American Authors series format. William E. Cain, the volume editor, includes contributions on his relationship with 19th century authority and concepts of the land, which should help the volume's reach beyond those who read Thoreau for illumination to those general readers who love him for embodying the spirit of American rebellion.

American Literature (Teacher Guide) Mar 20 2022 The vital resource for grading all assignments from the American Literature course, including options to help personalize the coursework for the individual student to develop: Essay writing skills, Higher ACT/SAT scores, Solid worldviews, and Strong vocabulary.

American Vision Aug 25 2022 Examines the films and career of Frank Capra, analyzes his approach to film making, and describes his connection with American romanticism

The Trickster in Ginsberg Nov 23 2019 This scholarly close reading of Allen Ginsberg's "Howl" considers the iconic poem through a four-part trickster framework: appetite, boundlessness, transformative power and a proclivity for setting and falling victim to tricks and traps. The book pursues various different narratives of the trickster Coyote and the historical and biographical contexts of "Howl" from a truly interdisciplinary perspective. This study seeks to contribute to the current literature on the poetry of the Beats and of Allen Ginsberg, specifically his "Howl," and the ways it continues to expand in meaning, depth and significance today.

Marketing Information Guide Mar 28 2020

Hadassah Nov 16 2021 National Jewish Book Awards Finalist for the Barbara Dobkin Award for Women's Studies, 2012. In February 1912 thirty-eight American Jewish women met at Temple Emanuel in New York and founded Hadassah, the Women's Zionist Organization of America. This has become the largest Zionist organization in the Diaspora and the largest and most active Jewish women's organization ever. Its history is an inseparable part of the history of American Jewry and of the State of Israel, and the relationship between them. Hadassah is also part of the history of Jewish women in the United States and in the modern world more broadly. Its achievements are not only those of Zionism but, crucially, of women, and throughout this study Mira Katzburg-Yungman pays particular attention to the life stories of the individual women who played a role in them. Based on historical documentation collected in the United States and Israel and on broad research, the book covers many aspects of the history of Hadassah and analyses significant aspects of the fascinating story of the organization. A wide-ranging introductory section describes the contexts and challenges of Hadassah's history from its founding to the birth of the State of Israel. Subsequent sections explore in turn the organization's ideology and its activity on the American scene after Israeli statehood; its political and ideological role in the World Zionist Organization; and its involvement in the new State of Israel in the twin fields of activity: in medicine and health care and in its work with children and young people. The final part of the book deals with topics that enrich our understanding of Hadassah in additional dimensions, such as gender issues, comparisons of Hadassah with other Zionist organizations, and the importance of people of the Yishuv and later of Israelis in Hadassah's activities. The study concludes with an Epilogue that considers developments up to 2005, assessing whether the conclusions reached with regard to Hadassah as an organization remain valid. It considers developments within Hadassah in the 1980s and 1990s, years in which the organization was affected by the significant changes within the wider American Jewish community, specifically the enormous increase in intermarriage with non-Jews and the impact of the so-called 'second wave' of feminism. This extensive, diverse, and balanced study offers a picture of Hadassah in both arenas of its activity: in the land that is now the State of Israel, and in the United States. In doing so it makes a contribution not only to Zionist history but also to the history of American Jewish women and of Jewish women more widely.

Doctrine Primer (ADP 1-01) Apr 28 2020 ADP 1-01 guides Army professionals (both Soldiers and Department of the Army Civilians) in their understanding of the entire body of professional knowledge and beliefs that shape the art and science of their profession. It addresses what doctrine is, why it is important, and which major ideas underlie it. The publication also discusses the most important taxonomies and terms used in the conduct of operations and the way they fit together as a single coherent whole. The principal audience for the ADP 1-01 is all members of the Army Profession. Commanders, staffs, and subordinates ensure that their decisions and actions comply with applicable United States, international, and in some cases host-nation laws and regulations. Commanders at all levels ensure that their Soldiers operate in accordance with the law of war and the rules of engagement. (See FM 27-10.)

The No-nonsense Guide to Women's Rights Jan 26 2020 How much has life really changed for women during the last decade? Has the women's movement affected women all over the world? Has it changed women's relationships with men? Nikki van der Gaag answers these questions with hard, sometimes disturbing, evidence. Many women have made huge leaps forward in legal rights, political representation, employment, education, health but beneath the surface the statistics are shocking. Vivid testimonies from women and men around the world explain why, especially in this post-feminist age, women's rights are still very much an issue for men and women alike. "She has made a special effort to correct many of the misconceptions and biases related to the feminist movement, to link the liberation of women who constitute half of society to the liberation of men and to the dispossessed majority living on earth." from the introduction by Nawal El Saadawi

America's God and Country Nov 04 2020 An invaluable resource highlighting America's noble heritage, profound quotes from founding fathers, presidents, statesmen, scientists, constitutions, court decisions ... for use in speeches, papers, debates, essays ...

These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

A Historical Guide to F. Scott Fitzgerald Oct 15 2021 The Historical Guides to American Authors is an interdisciplinary, historically sensitive series that combines close attention to the United States' most widely read and studied authors with a strong sense of time, place, and history. Placing each writer in the context of the vibrant relationship between literature and society, volumes in this series contain historical essays written on subjects of contemporary social, political, and cultural relevance. Each volume also includes a capsule biography and illustrated chronology detailing important cultural events as they coincided with the author's life and works, while photographs and illustrations dating from the period capture the flavor of the author's time and social milieu. Equally accessible to students of literature and of life, the volumes offer a complete and rounded picture of each author in his or her America. Book jacket.

Sherwood Anderson's Pan-American Vision May 22 2022 Based on an analysis of Sherwood Anderson's letters, this study explores the novelist's principal inspiration during his final years (1938-1941): his exposure to Latin America. Thematically arranged correspondence traces his positive reception in South America--a place he saw as a source of fresh ideas and publishing opportunities--his desire to promote cultural relations between the two Americas, and his legacy among Spanish-speaking readers. The author discusses the political and economic climates of mid-20th century South American nations, their emerging liberal ideologies and

the concerns Latin American readers had regarding societal upheaval, urbanization and the inequities of capitalism--all vividly depicted in Anderson's works.

The American Vision of Robert Penn Warren Jun 23 2022 In 1976—the bicentennial year—Robert Penn Warren told Bill Moyers that he was "in love with America" but his love for the nation was more often than not troubled and angry. Warren once remarked that "any intelligent person is inclined to criticize his country more strongly than he will criticize anything else. And he should. It's a way of criticizing himself, too.... Trying to live more intelligently, and more fully." In *The American Vision of Robert Penn Warren*, a noted Warren scholar traces the evolution of our first poet laureate's distinctive stance toward the American experiment in democracy, showing how Warren sought to balance off the claims of self and society in the New World. This book surveys the full six decades of Warren's career, combining close reading with a historian's eye for social and political context. While pointedly avoiding the reductive pitfalls of the "new historicism," Clark documents the informing role the Great Depression played in shaping Warren's attitudes toward art and politics, and he demonstrates the necessity of regarding Warren's major achievements in fiction and verse as forms of "public speech." Read in this light, Warren's vision offers a set of possibilities for renegotiating America's covenant with its Founders on new and pragmatic terms. Based solidly on the best previous commentary on Warren and his work, Clark's study represents a new approach to its subject and incorporates insights and information garnered from the Warren Papers at Yale. A wide-ranging account of the interplay between an author's imagination and contemporary history, this book should prove of interest to all students of American culture, especially those concerned with the interrelationships of literature, politics, and ideology. Written in a lively and direct style, it will appeal to specialists and general readers alike.

American Art, American Vision Sep 21 2019

The Columbia Guide to the Vietnam War Mar 08 2021 More than a quarter of a century after the last Marine Corps Huey left the American embassy in Saigon, the lessons and legacies of the most divisive war in twentieth-century American history are as hotly debated as ever. Why did successive administrations choose little-known Vietnam as the "test case" of American commitment in the fight against communism? Why were the "best and brightest" apparently blind to the illegitimacy of the state of South Vietnam? Would Kennedy have pulled out had he lived? And what lessons regarding American foreign policy emerged from the war? The *Columbia Guide to the Vietnam War* helps readers understand this tragic and complex conflict. The book contains both interpretive information and a wealth of facts in easy-to-find form. Part I provides a lucid narrative overview of contested issues and interpretations in Vietnam scholarship. Part II is a mini-encyclopedia with descriptions and analysis of individuals, events, groups, and military operations. Arranged alphabetically, this section enables readers to look up isolated facts and specialized terms. Part III is a chronology of key events. Part IV is an annotated guide to resources, including films, documentaries, CD-ROMs, and reliable Web sites. Part V contains excerpts from historical documents and statistical data.

Gale Researcher Guide for: Sarah Wentworth Morton and Early Nineteenth-Century American Women's Poetry Dec 17 2021 Gale Researcher Guide for: Sarah Wentworth Morton and Early Nineteenth-Century American Women's Poetry is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

The American Vision: Modern Times, Reading Essentials and Note-Taking Guide Oct 27 2022 Reading Essentials: Reinforce critical concepts from the text and help students improve their reading-for-information skills with this essential resource, written 2-3 grade levels below the Student Edition

The Witch's Guide to Ritual Jun 11 2021 How to perform daily spiritual ceremonies for self-care and personal growth, from the author of *The Practical Witch's Spell Book*. The *Witch's Guide to Ritual* can help you create a healing ritual space, whether you are an experienced hedge witch or a beginner exploring new magical practices. You'll learn about the history of rites and rituals, mythology for today's world, and how healing works in a modern witch house. The key to celebrating the abundance of life lies in the recognition that we are surrounded by all that is magical. Organized by season, *The Witch's Guide to Ritual* offers a suggested ceremony for each day of the year and includes hundreds of simple rites, suggestions, meditations, and holiday celebrations that can make the ordinary extraordinary. What you'll learn inside this book: The psychological benefits of rituals in your life Why participating in group events enriches your life and brings you closer to friends, family, and loved ones How to create an altar or shrine as a power center in your home for spiritual renewal Which crystals, herbs, symbols, and talismans can bring you calm, health, love, prosperity, and happiness "A surprisingly ambitious book which seeks to catalogue and discuss the use and place of witchcraft in rituals of all kinds . . . there's a lot of good information here for anyone who's interested in getting more involved with ritual or exploring ritual tradition, and I expect that most experienced witches will find plenty to inspire their ongoing practice." —PaganPages.org

Imagining Vietnam and America Oct 23 2019 In this study of the encounter between Vietnam and the United States from 1919 to 1950, Mark Bradley fundamentally reconceptualizes the origins of the Cold War in Vietnam and the place of postcolonial Vietnam in the history of the twentieth century. Among the first Americans granted a visa to undertake research in Vietnam since the war, Bradley draws on newly available Vietnamese-language primary sources and interviews as well as archival materials from France, Great Britain, and the United States. Bradley uses these sources to reveal an imagined America that occupied a central place in Vietnamese political discourse, symbolizing the qualities that revolutionaries believed were critical for reshaping their society. American policymakers, he argues, articulated their own imagined Vietnam, a deprecating vision informed by the conviction that the country should be remade in America's image. Contrary to other historians, who focus on the Soviet-American rivalry and ignore the policies and perceptions of Vietnamese actors, Bradley contends that the global discourse and practices of colonialism, race, modernism, and postcolonial state-making were profoundly implicated in--and ultimately transcended--the dynamics of the Cold War in shaping Vietnamese-American relations.

Gale Researcher Guide for: Willa Cather's Shadowy Nostalgia Dec 05 2020 Gale Researcher Guide for: Willa Cather's *Shadowy Nostalgia* is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

Venice, the Artist's Vision Apr 21 2022 Venice is most frequently associated with such artists as Canaletto and Guardi, but it is also a recurrent theme in a substantial body of British and American work from the

beginning of the nineteenth century onwards. This comprehensively illustrated book presents the first full account of those who represented the Anglo-American experience of Venice: the author examines the lives of Whistler, Sickert, and Ruskin, among others, and shows the comradeship, and eccentric behaviour, of artists in Venice that would not have been tolerated in their native countries. A particularly important feature is a reference guide to over 350 artists, from 1819 to the present day, and there is a full and useful bibliography.

The Ten Commandments & Their Influence on American Law Apr 09 2021 An in-depth study of how each of the Ten Commandments had a historical impact on the development of laws in America and affected the legal philosophy of our government framers. For example, the 4th Commandment-"Keep Holy the Sabbath" PENNSYLVANIA FRAME OF GOVERNMENT, April 25, 1682, Article XXII: "That as often as any day of the month...shall fall upon the first day of the week, commonly called the Lord's Day, the business appointed for that day shall be deferred till the next day, unless in the case of emergency." U.S. CONSTITUTION, 1787, Article I, Section 7, Paragraph 2 "If any Bill shall not be returned by the President within ten days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law" Read how the Ten Commandments affected the views of America's leaders: "The Ten Commandments and the Sermon on the Mount contain my religion" - John Adams, Nov. 4, 1816, letter to Thomas Jefferson. "The fundamental basis of this nation's laws was given to Moses on the Mount. The fundamental basis of our Bill of Rights comes from the teachings we get from Exodus and St. Matthew, from Isaiah and St. Paul. I don't think we emphasize that enough these days." - Harry S Truman, Feb. 15, 1950, Attorney General's Conference. See references to the Ten Commandments in court cases: "The Ten Commandments have had an immeasurable effect on Anglo-American legal development" - U.S. District Court, *Crockett v. Sorenson*, W.D. Va. (1983) "It is equally undeniable ...that the Ten Commandments have had a significant impact on the development of secular legal codes of the Western World." - U.S. Supreme Court, *Stone v. Graham*, (1980) (Rehnquist, J., dissenting) An ideal book for students, teachers, journalists, writers and those interested in researching the foundations of American law!

The European History Highway: A Guide to Internet Resources Feb 07 2021 This specialized edition of The History Highway 3.0 guides users to the incredible amount of information on European history available on the Internet like no other resource. It covers thousands of sites, and the CD-ROM features the entire contents as PDF files with live links, so that users can put the disk into their computers, go online, and click directly to the sites. In addition, the best sites for researchers of every type are highlighted as "Editors Choice," and there is also helpful information on Internet research and evaluating information in an online environment.

A Reference Guide for English Studies Feb 25 2020 This text is an introduction to the full range of standard reference tools in all branches of English studies. More than 10,000 titles are included. The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies. British and Irish, American and world literatures written in English are included. Other fields covered are folklore, film, literary theory, general and comparative literature, language and linguistics, rhetoric and composition, bibliography and textual criticism and women's studies.

The Politically Incorrect Guide to Darwinism and Intelligent Design Oct 03 2020 Darwin is an emperor who has no clothes— but it takes a brave man to say so. Jonathan Wells, a microbiologist with two Ph.D.s (from Berkeley and Yale), is that brave man. Most textbooks on evolution are written by Darwinists with an ideological ax to grind. Brave dissidents—qualified scientists—who try to teach or write about intelligent design are silenced and sent to the academic gulag. But fear not: Jonathan Wells is a liberator. He unmask the truth about Darwinism— why it is wrong and what the real evidence is. He also supplies a revealing list of "Books You're Not Supposed to Read" (as far as the Darwinists are concerned) and puts at your fingertips all the evidence you need to challenge the most closed-minded Darwinist.

A Witch's Guide to Faery Folk Aug 21 2019 Now, for the first time, a book reclaims the lost, rich heritage of working with faery folk that our pagan ancestors took as a matter of course. Learn to work with and worship with faeries in a mutually beneficial way. Practice rituals and spells in which faeries can participate, and discover tips to help facilitate faery contact. Photos and illustrations.
