Misconduct Jul 24 2022 The Birmingham Rebels play to win on and off the field, but they save their best moves for after the game. Rookie running back Tom Kelly loves the perks of football stardom. Men, women—there's always action for a pro athlete who's hot, young, and willing, and Tom is definitely willing. But what he really wants is a committed relationship with his best friend Danny and sexy Army veteran Carmina de la Cruz. Tom's reputation for bad behavior works against him, however, and he'll have to make all the right moves if he wants to get these two to play. After a traumatic brain injury in Afghanistan, Carmina is struggling to regain her speech and rebuild her life. More than anything, she wants to feel like a woman again. Tom may look like a wholesome All-American, but he knows just what she needs even when she can't ask for it. And he's not the only Rebel who pushes the right buttons. With his scorching intensity, Tom's best friend Danny leaves her wondering if two players might be better than one to help her get her groove back. Danny Smith is no stranger to his team's kinky games. He gave in to temptation once, but he's not going down that road again. Sure, Carmina's curves promise pleasure, but her eyes guarantee it comes with baggage—and Danny has enough of his own. Tom's moves off the field are the hottest Danny's ever known, but he's not willing to risk their friendship. Still, giving up control can feel so good. And when it comes to everything Danny craves, Tom and Carmina are the perfect team. Don't miss any of Samantha Kane's steamy Birmingham Rebels novels: **BROKEN PLAY | CALLING THE PLAY | JACKED UP | MISCONDUCT**

Forensic Investigator Jul 12 2021 FORENSIC INVESTIGATOR Geoff Bernasconi had always been passionate about his job as a policeman in rural New South Wales and, from the earliest days of his career, went the extra mile, both for victims of crime and for their families. But one night in 1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for him to forget. Geoff's day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling downwards in the grip of post-traumatic stress disorder. When Esther McKay, fellow forensic investigator and author of the best-selling Crime Scene, heard that Geoff has been awarded maximum compensation for his suffering, she knew immediately this was a story that needed to be told. This is a harrowing account of what it is like to work on the front-line of crime and tragedy as a forensic investigator. But it is also the inspiring story of someone who has been exposed to sights and experiences many of us can hardly even imagine, yet has emerged from the darkness to begin his journey to recovery.

Abdullah Bin Abdul Kadir Munshi (In 2 Volumes) May 22 2022 This book, Abdullah bin Abdul Kadir Munshi, is the most comprehensive, multi-disciplinary studies on Abdullah bin Abdul Kadir, widely known as Munshi Abdullah (1796-1854). He was a prominent literary figure and thinker in the Malay world in the 19th century and was also an early 'pioneer' of Singapore. The author, Professor Hadjiyah Rahmat, has spent more than 25 years studying Munshi Abdullah since her PhD studies in the School of Oriental and African Studies (SOAS), University of London, in 1992 to date. This book is covered in two volumes and is based on her research conducted using unexplored primary sources at several missionaries' archives at SOAS, London, Houghton Library, University Harvard, Library of Congress, Leiden University, KITLV, Holland, and the Perpustakaan Nasional Indonesia, Jakarta. The book consists of numerous academic papers presented at the regional and international seminars, and also published in international journals and as chapters of books. Besides academic papers, the excerpt of play titled Munshi, sketches, poetry, and song, and interviews by the national media are also included. This book provides new insight into Abdullah's life, backgrounds, writings, his influences and legacies and the reactions and thought provoking views of the western and eastern scholars on Abdullah. The book is indeed the key reference for studies on Munshi Abdullah, Malay literature, and the history of Singapore, Malaysia, and colonialism in Southeast Asia.

Definitions Of Indefinable Things Apr 21 2022 Reggie isn't really a romantic: she's been hurt too often, and doesn't let people in as a rule. Plus, when you're dealing with the Three Stages of Depression, it's hard to feel warm and fuzzy. When Reggie meets Snake, though, he doesn't give her much of a choice. Snake has a neck tattoo, a Twizzler habit, and a fair share of arrogance, but he's funny, charming, and interested in Reggie. Snake also has an ex-girlfriend who's seven months pregnant. Good thing Reggie isn't a romantic. Definitions of Indefinable Things follows three teens as they struggle to comprehend love, friendship, and depression—and realize one definition doesn't always cover it.

Hello, Goodbye, And Everything In Between Feb 19 2022 One night. A life-changing decision. And a list... Of course Clare made a list. She creates lists for everything. That's just how she is. But tonight is Clare and Aidan's last night before college and this list will decide their future, together or apart. It takes them on a rollercoaster ride through their past - from the first hello in science class to the first conversation at a pizza joint, their first kiss at the beach and their first dance in a darkened gymnasium - all the way up to tonight. A night of laughs, fresh hurts, last-minute kisses and an inevitable goodbye. But will it be goodbye forever or goodbye for now?

The Life of William Cavendish May 10 2021 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

Feminism and Social Change Feb 07 2021 "Fresh, original, and brings together in one place a set of authors who are very important to the field." -- Mary Margaret Fonow, coeditor of Beyond Methodology: Feminist Scholarship as Lived Research "Finally, a collection dedicated to demonstrating precisely what it means to do feminist research" -- Madonna Harrington Meyer, University of Illinois at Urbana-Champaign How likely is feminist research to promote change in society? Are some research methods more successful at bringing about change than others? Contributors to this volume discuss principles of feminist inquiry, providing examples from their own experience and evaluating research practices for their potential to promote social change. The twelve chapters cover methodologies including ethnographic study, in-depth interviewing, naming, and going public. Also explored are consultative relationships between academic researchers and activist organizations, participatory and advocacy research processes, and coalition building.

9 Days and 9 Nights Sep 14 2021 In this sequel to the New York Times bestseller 99 Days, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more... Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

Down Station Dec 17 2021 Award-winning author Simon Morden joins Gollanz with a stunning SF quest across a vast world that mirrors every London ever built. Instead of fire, there was water. A wave slapped through the open doorway, and a gust of wind blew into the smoke-filled corridor, dragging a spiral of soot outwards and away. MARY. One slip away from prison, fighting to build herself a future from nothing. DALIP. The gentle son of a warrior tradition. A young man who must fight for independence from his family. STANISLAV. A fierce and capable man carrying the wounds of a brutal war. They left London in flames for a place where everything was different. A place that can uncover your secrets. A place haunted by a man called Crows... Within Reason Nov 16 2021 It has long been a central conviction of western humanistic thought that reason is the most godlike of human traits, and that it makes us unique among animals. Yet if reason directs what we do, why is human behavior so often violent, irrational and disastrous? In Within Reason, leading neurologist Donald B. Calne investigates the phenomenon of rationality from an astonishingly wide array of scientific, sociological, and philosophical perspectives—and shows that although reason evolved as a crucial tool for human survival, it is an aspect of mind and brain which has no inherent moral or spiritual qualities and one whose relationship to our thoughts and actions may not be as central as we want to believe. Lured, lucid, and always illuminating, Within Reason brings together the latest developments in the science of mind with some of the most enduring questions of Western thought.

The Language Revolution Jun 23 2022 We are living through the consequences of a linguistic revolution. Dramatic linguistic change has left us at the beginning of a new era in the evolution of human language, with repercussions for many individual languages. In this book, David Crystal, one of the world's authorities on language, brings together for the first time the three major trends which he argues have fundamentally altered the world's linguistic ecology: first, the emergence of English as the world's first truly global language; second, the crisis facing huge numbers of languages which are currently endangered or dying; and, third, the radical effect on language of the arrival of Internet technology. Examining the interrelationships between these topics, Crystal encounters a vision of a linguistic future which is radically different from what has existed in the past, and which will make us revise many cherished concepts relating to the way we think about and work with languages. Everyone is affected by this linguistic revolution. The Language Revolution will be essential reading for anyone interested in language and communication in the twenty-first century.
