A Warning-Piece to the sloathful, idle, careless, drunken, and secure ones of these last and worst of times, etc Mar 03 2020
The Careless Seamstress Nov 10 2020 This dazzling debut announces a not-so-new voice: that of the spoken-word poet Tjawangwa Dema. Winner of the Sillerman First Book Prize for African Poets, Dema's collection, *The Careless Seamstress*, evokes the national and the subjective while reemphasizing that what is personal is always political. The girls and women in these poems are not mere objects; they speak, labor, and gaze back, with difficulty and consequence. The tropes are familiar, but in their animation they question and move in unexpected ways. The female body—as a daughter, wife, worker, cultural mutineer—moves continually across this collection, fetching water, harvesting corn, raising children, sewing, migrating, and spurning designations. Sewing is rendered subversive, the unsayable is weft into speech and those who are perhaps invisible in life reclaim their voice and

leave evidence of their selves. As a consequence the body is rarely posed—it bleeds and scars; it ages; it resists and warns. The female gaze and subsequent voices suggest a different value system that grapples with the gendering of both physical and emotional labor, often through what is done, even and especially when this goes unnoticed or unappreciated. A body of work that examines the nature of power and resistance, *The Careless Seamstress* shows both startling clarity of purpose and capaciousness of theme. Using gender and labor as their point of departure, these poems are indebted to Dema's relationship to language, intertextuality, and narrative. It is both assured and inquiring, a quietly complex skein that takes advantage of poetry's capacity for the polyphonic.

Careless People Apr 27 2022 Ebook edition includes full text of *The Great Gatsby* by F. Scott Fitzgerald. Since its publication in 1925, *The Great Gatsby* has become one of the world's best-loved books. *Careless People* tells the true story behind F. Scott Fitzgerald's masterpiece,

exploring in newly rich detail its relation to the extravagant, scandalous, and chaotic world in which the author lived. With wit and insight, Sarah Churchwell traces the genesis of a masterpiece, mapping where fiction comes from, and how it takes shape in the mind of a genius. *Careless People* tells the extraordinary tale of how F. Scott Fitzgerald created a classic and in the process discovered modern America.

developing a positive self image and living more in the present. We are happiest when we choose to care wisely.

Out of Office Dec 12 2020 The future isn't about where we will work, but how. For years we have struggled to balance work and life, with most of us feeling overwhelmed and burned out because our relationship to work is broken. This "isn't just a book about remote work. It's a book that helps us imagine a future where our lives — at the office and home — are happier, more productive, and genuinely meaningful" (Charles Duhigg, bestselling author of *The Power of Habit*). *Out of Office* is a book for every office worker — from employees to managers — currently facing the decision about whether, and how, to return to the office. The past two years have shown us that there may be another path forward, one that doesn't involve hellish daily commutes and the demands of jam-packed work schedules that no longer make sense. But how can we realise that future in a way that benefits workers and companies alike? Based on groundbreaking reporting and interviews with workers and managers around the world, *Out of Office* illuminates the key values and questions that should be driving this conversation: trust, fairness, flexibility, inclusive workplaces, equity, and work-life balance. Above all, they argue that companies need to listen to their employees — and that this will promote, rather than impede, productivity and profitability. As a society, we have talked for decades about flexible work arrangements; this book makes clear that we are at an inflection point where this is actually possible for many employees and their companies. *Out of Office* is about so much more than zoom meetings and hybrid schedules: it aims to reshape our entire relationship to the office.

The Case of the Careless Thief Jul 27 2019

Careless Love Mar 15 2021 Last Train to Memphis, the first part of Guralnick's two-volume life of Elvis Presley, received unprecedented accolades. This concluding volume recounts the second half of Elvis's life in rich and previously unimagined detail, and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, *Careless Love* chronicles the unraveling of the dream that once

shone so brightly, homing in on the complex playing-out of Elvis's relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking drama that places the events of a too often mistold tale in a fresh, believable, and understandable context. This is the quintessential American story, encompassing race, class, wealth, sex, music, religion, and personal transformation. Written with grace, sensitivity, and passion, *Careless Love* is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times.

Care Less Lives Jun 05 2020 "'Care Less Lives' tells the story of the rights movement of young people in care in England. It relates how, from 1973, young people came together to talk about their care, support each other and campaign to improve their lives in care. From the small beginnings of the Leeds Ad-lib group, the story tells how the word was spread by Who Cares?, the National Association of Young People in Care, Black and In Care, and currently by the campaigns of A National Voice. The story describes how young people during these years experienced their care, including their feelings of stigma and control, as well as, for some young people, abuse at the hands of those who were meant to care for them. But it is also a story of altruism and collective resilience, of how young people came together to improve the lives of other young people, to make their lives, less care less."--Publisher.

Careless Thought Costs Lives Oct 10 2020 Organ transplantation saves lives, yet thousands die through lack of organs. What lies behind our failure to donate? Janet Radcliffe Richards casts a sharp critical eye on the moral arguments, forcing us to confront the logic and implications of our own position. A book for everyone concerned with clear thinking on moral issues.

Careless Talk Mar 27 2022 Mike, an itinerant hairdresser living in Tunbridge Wells, learns all the gossip of the town. He cuts the hair of holy hypocrite Nigel, who is seeking a new relationship, but disapproves of his new lover's daughters. And as Mike cuts deeper and deeper into this superficially respectable town, he soon learns it is a hotbed of vice, intrigue and gossip, and even his own family life, he realizes is not so

Lug Your Careless Body Out of the Careful Dusk Aug 20 2021

Drawing from the paintings of Susan Rothenberg, Gwyneth Scally, and Eric Fischl as well as from the photography of Allison Maletz, Joshua Marie Wilkinson's *Lug Your Careless Body out of the Careful Dusk* is a book-length poem written in small fragments. Comprised of seven sections, the poem is formed as much by the poet's travels through Turkey, the Baltics, and Eastern Europe as it is by the movies of Rainer Werner Fassbinder, Krzysztof Kieslowski, and Bill Morrison. The painters Francis Bacon and Lucian Freud are here alongside whispers of Emily Dickinson and Wallace Stevens. *Lug Your Careless Body out of the Careful Dusk* is a book of cinematic images and fragments, of small stories overheard and quickly abandoned, of hidden letters and phone booths, and of ghosts who return with questions. Born and raised in Seattle's Haller Lake neighborhood, Joshua Marie Wilkinson is the author of one other book of poetry, *Suspension of a Secret in Abandoned Rooms*, and the chapbook *A Ghost as King of the Rabbits*. He holds an MFA from the University of Arizona and an MA in film studies from University College Dublin. Presently he lives in Denver, Colorado, where he is pursuing his doctorate in English and creative writing and completing his first film.

Quiet May 29 2022 SUSAN CAIN'S NEW BOOK, BITTERSWEET, IS AVAILABLE TO PRE-ORDER NOW A SUNDAY TIMES AND NEW YORK TIMES BESTSELLER, THIS BOOK WILL CHANGE HOW YOU SEE INTROVERTS - AND YOURSELF - FOREVER. Our lives are driven by a fact that most of us can't name and don't understand. It defines who our friends and lovers are, which careers we choose, and whether we blush when we're embarrassed. That fact is whether we're an introvert or an extrovert. The most fundamental dimension of personality, at least a third of us are introverts, and yet shyness, sensitivity and seriousness are often seen as a negative. Some of the world's most talented people are introverts - without them we wouldn't have the Apple computer, the theory of relativity and Van Gogh's sunflowers. In Quiet, Susan Cain shows how society misunderstands and undervalues introverts while giving them the tools to better understand themselves and take full advantage of their strengths. Passionately argued, superbly researched, and filled with real stories, whether an introvert or extrovert, this book will change how you see human beings for good. ***** 'I can't get Quiet

Access Free oldredlist.iucnredlist.org on December 4, 2022 Free Download Pdf

out of my head. It is an important book - so persuasive and timely and heartfelt it should inevitably effect change in schools and offices' Jon Ronson, The Guardian 'Susan Cain's Quiet has sparked a quiet revolution . . . Perhaps rather than sitting back and asking people to speak up, managers and company leaders might lean forward and listen' Megan Walsh, The Times 'Maybe the extrovert ideal is no longer as powerful as it was; perhaps it is time we all stopped to listen to the still, small voice of calm' Daisy Goodwin, The Sunday Times

The Careless Spy Sep 08 2020 The Careless Spy This unique tale is based upon the actual life of Princess Noor, a nave young woman who helped defeat the Nazis. It traces her astonishing odyssey from her birth inside the Kremlin in 1914 to 1944, as she evolves from complete innocence into an historical heroine. Liberally spiced with accurate details, this spy adventure puts into perspective the crises leading up to and through World War II. Reared in Paris by overly protective royal parents from Peshawar, India she reaches the age of twenty-one as a nave, emotional, careless and impulsive young lady hardly the attributes of a future spy. It is at this point that she meets Paulo, a classmate at the School for Writing, and the two innocents become lovers. This novel's plot is built around blocks of historical events laced with tinges of adventure, sex, spy hunting and humor. Comments by letter and E-mail of some readers of this novel: You write your characters with great interest and they are fully drawn. This is an action-packed story with added intrigue about Noor, a whimsical and courageous woman Carolyn Fleg, editor at John Daniel & Company. TamarahJ: Captivating story and a wonderful job of developing the plot and characters. The writing style is not overbearing and with some of the brewing tensions of the era tossed in, makes it one of the best stories I've read in quite some time. Nancys: I wasn't prepared for the fact the Princess Noor was so delightful. I read it twice and realized that your extensive research brought to life this fairly unknown historical hero. Your prose is fantastically woven throughout this novel by combining history along with gripping dialogue between the characters.

Careless Whisper Jan 13 2021 Someone is burying teenage girls alive.

It's been nearly a full year since there were any local kidnappings, but now girls are going missing left and right. There are few commonalities linking them together, and the only evidence Alex Mercer has are the ransom notes left on each victim's front door. Tensions mount as clues point to the notorious kidnapping ring driven from town twelve months ago—the same ring that's tormented him and his loved ones for years. With so many young lives on the line, Alex is desperate. And he works tirelessly to solve the crimes before anyone dies. But if the ring has returned? No one could be more determined to shut them down for good.

Care Less, Live More Jul 31 2022 In life, there are many things that you do because you feel obliged to do them. Think about it. In some way, most of our lives revolve around trying to please someone...But, does it have to? How much do we have to give up, to make the people around us happy? Are you tired of being stressed out or unhappy? Check out this book and learn how to live a less stressful, more fulfilling life!

Careless in Red LP Jul 07 2020 In her most eagerly anticipated novel yet, Elizabeth George brings back Scotland Yard's Thomas Lynley to investigate a ruthless crime. After the senseless murder of his wife, Detective Superintendent Thomas Lynley retreated to Cornwall, where he has spent six solitary weeks hiking the bleak and rugged coastline. But no matter how far he walks, no matter how exhausting his days, the painful memories of Helen's death do not diminish. On the forty-third day of his walk, at the base of a cliff, Lynley discovers the body of a young man who appears to have fallen to his death. The closest town, better known for its tourists and its surfing than its intrigue, seems an unlikely place for murder. However, it soon becomes apparent that a clever killer is indeed at work, and this time Lynley is not a detective but a witness and possibly a suspect. The head of the vastly understaffed local police department needs Lynley's help, though, especially when it comes to the mysterious, secretive woman whose cottage lies not far from where the body was discovered. But can Lynley let go of the past long enough to solve a most devious and carefully planned crime?
