*Brahmin Pioneers in British Malaya: Profiles in Courage and Convictions* Sep 05 2020 In the late 19th century, Brahmins in India rarely ventured out of their comfort zones in their tightly-knit village communities to cross the seas and court excommunication when they returned. What then prompted some 130 young pioneers to leave their village sanctuaries, cross the vast stretch of the Indian Ocean on a hazardous week-long journey to seek an uncertain future in British Malaya? How did they cope with a challenging environment characterized by an unfriendly equatorial climate, deadly tropical diseases, and an unknown foreign language? How did they live through two world wars, two periods of emergency and the Singapore separation? What was the legacy they left behind, and how has this been perpetuated by their descendants? A Malaysian of Brahmin descent, the author addresses these questions based on research spanning five years and incorporating his own perspectives. Utilizing secondary sources and anecdotal accounts of pioneer Brahmins, he

has compiled a social history revealing that an adventurous spirit and promise of more equal and rewarding opportunities propelled pioneers to plunge into the unknown. This pioneering spirit made succeeding generations of Brahmins successful and distinguished in their respective places of domicile.

**Unflinching Courage** Aug 29 2022 In *Unflinching Courage*, former United States Senator and New York Times bestselling author Kay Bailey Hutchison brings to life the incredible stories of the resourceful and brave women who shaped the state of Texas and influenced American history. A passionate storyteller, Senator Hutchison introduces the mothers and daughters who claimed a stake in the land when it was controlled by Spain, the wives and sisters who valiantly contributed to the Civil War effort, and ranchers and entrepreneurs who have helped Texas thrive. *Unflinching Courage: Pioneering Women Who Shaped Texas* is a celebration of the strength, bravery, and spirit of these remarkable women and their accomplishments.

**Daring Greatly** Jan 10 2021 The #1 New York Times bestseller. More than 2 million copies sold! Look for Brené Brown's new podcast, *Dare to Lead*, as well as her ongoing podcast *Unlocking Us!* From thought leader Brené Brown, a transformative new vision for the way we lead, love, work, parent, and educate that teaches us the power of vulnerability. "It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is

actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at the best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly.”—Theodore Roosevelt Every day we experience the uncertainty, risks, and emotional exposure that define what it means to be vulnerable or to dare greatly. Based on twelve years of pioneering research, Brené Brown PhD, MSW, dispels the cultural myth that vulnerability is weakness and argues that it is, in truth, our most accurate measure of courage. Brown explains how vulnerability is both the core of difficult emotions like fear, grief, and disappointment, and the birthplace of love, belonging, joy, empathy, innovation, and creativity. She writes: “When we shut ourselves off from vulnerability, we distance ourselves from the experiences that bring purpose and meaning to our lives.” Daring Greatly is not about winning or losing. It’s about courage. In a world where “never enough” dominates and feeling afraid has become second nature, vulnerability is subversive. Uncomfortable. It’s even a little dangerous at times. And, without question, putting ourselves out there means there’s a far greater risk of getting criticized or feeling hurt. But when we step back and examine our lives, we will find that nothing is as uncomfortable, dangerous, and hurtful as standing on the outside of our lives looking in and wondering what it would be like if we had the courage to step into the arena—whether it’s a new relationship, an important meeting, the creative process, or a difficult family conversation. Daring Greatly is a practice and a powerful new vision for

letting ourselves be seen.

**Against All Odds** Oct 19 2021 This collection of fact-based adventures will appeal to readers of all ages. The stories put the reader right in the middle of the action, alongside the pioneers as they overcome dangerous challenges. The author has thoroughly researched each story, and skillfully brings to life these heroes of the American West. How would you respond to these challenges? Poisonous snakes in your bed Watching an Indian chief take your two-year-old cousin hostage Facing a cornered, enraged bobcat without a weapon Indian warriors galloping toward you while your wagon is helplessly stuck in the snow These are only a few of the life-threatening situations that confronted courageous pioneers. In these remarkable true stories of survival, you can experience these and other exciting adventures. Think about what you would do, then open the book and discover how these pioneers and Indians survived the challenges that were a daily part of the settling the American West.

The Christian Pioneer Mar 12 2021

**Fear and Courage** Dec 09 2020 Discusses the links between fear, pain, and panic, analyzes civilian and military courage, and explains recent discoveries in cognitive and behavioral therapy approaches to fear

**The Story of Amy Johnson** Apr 24 2022

Calamity and Courage Feb 08 2021 When only 21 and newly married, Ethel Grimwood was

posted with her political agent husband Frank to Manipur, a remote region of north-east India. Two years later, in 1891, the young couple were caught up in an unexpected and violent uprising against the British by the local royal family.

*Undaunted Courage* Sep 29 2022 From the New York Times bestselling author of *Band of Brothers* and *D-Day*, the definitive book on Lewis and Clark's exploration of the Louisiana Purchase, the most momentous expedition in American history and one of the great adventure stories of all time. In 1803 President Thomas Jefferson selected his personal secretary, Captain Meriwether Lewis, to lead a voyage up the Missouri River to the Rockies, over the mountains, down the Columbia River to the Pacific Ocean, and back. Lewis and his partner, Captain William Clark, made the first map of the trans-Mississippi West, provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory, and established the American claim to Oregon, Washington, and Idaho. Ambrose has pieced together previously unknown information about weather, terrain, and medical knowledge at the time to provide a vivid backdrop for the expedition. Lewis is supported by a rich variety of colorful characters, first of all Jefferson himself, whose interest in exploring and acquiring the American West went back thirty years. Next comes Clark, a rugged frontiersman whose love for Lewis matched Jefferson's. There are numerous Indian chiefs, and Sacagawea, the Indian girl who accompanied the expedition, along with the French-Indian hunter Drouillard, the great naturalists of Philadelphia, the French and

Spanish fur traders of St. Louis, John Quincy Adams, and many more leading political, scientific, and military figures of the turn of the century. High adventure, high politics, suspense, drama, and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel.

*Take Courage* Jun 02 2020 'I was wowed and moved' Tracy Chevalier Anne Brontë is the forgotten Brontë sister, overshadowed by her older siblings - virtuous, successful Charlotte, free-spirited Emily and dissolute Branwell. Tragic, virginal, sweet, stoic, selfless, Anne. The less talented Brontë, the other Brontë. *Take Courage* is Samantha's personal, poignant and surprising journey into the life and work of a woman sidelined by history. A brave, strongly feminist writer well ahead of her time - and her more celebrated siblings - and who has much to teach us today about how to find our way in the world.

*The Courage to Lead* Jul 24 2019 To transform society, we first need to transform ourselves. *The Courage to Lead* starts from this premise and delivers a strong, simple message: if you relate authentically to life, to yourself, to the world and to society, you start the process of social change. Grounded in more than fifty years of in-depth research and practical experience in over thirty nations, *The Courage to Lead* uses a large canvas to paint a vivid picture of leadership in its many forms: personal, family, work, organization, community. Activist stories from around the world demonstrate the profound premise and inspires a deep understanding of leadership. This is a book that changes lives. These days,

the complexity of life tends to leave us paralyzed. The Courage to Lead will help people move out of their paralysis and invite them to join the ranks of those social pioneers who create what is needed for the 21st century. This book speaks to you in a strange language that you do not at first remember but that you will eventually recognize as your mother tongue. David Patterson CEO, Northwater Capital Management The Courage to Lead provided me with a great deal of guidance and support at a time when I needed to make significant life decisions. It also provided me with a framework and a language to better understand who I am, where I needed to be and where I wanted to go. I recommend this course to anyone who is open to a transformative experience in which one brings many important life questions into focus. Garret Keown Teacher-in-Training, Lakehead University 325 University Health Network (UHN) staff have participated in The Courage to Lead study program over the last five years. The fundamental principles in the book align with our belief that "everyone can lead from where they stand." We think that leadership is not about a formal role or job title but about a philosophy, values and attitude in how one approaches life. This program has helped staff tap into the leader within themselves and, in doing so, has supported our mission to deliver excellent patient-centered care. Irene Wright Senior Development Manager, Human Resources, University Health Network

The Book of Courage Jun 26 2022 "The Book of Courage" by John T. Faris. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.

From well-known classics & literary fiction and non-fiction to forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Against All Odds** Jun 14 2021 This collection of fact-based adventures will appeal to readers of all ages. The stories put the reader right in the middle of the action, alongside the pioneers as they overcome dangerous challenges. The author has thoroughly researched each story, and skillfully brings to life these heroes of the American West. How would you respond to these challenges? **Of Courage Undaunted** Apr 12 2021 An account of the resourcefulness and courage of Lewis and Clark on their journey through the wilderness from St. Louis to the Pacific.

Written from original records and diaries of the expedition.

**Daughter of the Pioneers** Dec 21 2021

*Why Sacagawea Deserves the Day Off and Other Lessons from the Lewis and Clark Trail*

Mar 24 2022 More than two hundred years later, the voyage of discovery with its outsized characters, geographic marvels, and wondrous moments of adventure and mystery continues to draw us along the Lewis and Clark Trail. Stephenie Ambrose Tubbs first fell under the trail's spell at sixteen and has been following in Lewis and Clark's path ever since. In essays historical and personal, she revisits the Lewis and Clark Trail and its famous people, landmarks, and events, exploring questions the expedition continues to raise, such as, What really motivated Thomas Jefferson to send out his agents of discovery? What mutinous expressions were uttered? What happened to the dog? Why did Meriwether Lewis end his own life? In the resulting trip through history, Tubbs recounts her travels along the trail by foot, Volkswagen bus, and canoe at every turn renewing the American experience inscribed by Lewis and Clark.

The Cheyenne Story Jan 28 2020 What should a man do when the army sends him to help kill his wife's family? His grandson and Northern Cheyenne tribe member, Gerry Robinson, reaches back through time to unravel the emotional and complex story. Bill Rowland married into the Northern Cheyenne Tribe in 1850, eventually becoming the primary interpreter in their negotiations with the U.S. government. On November 25, 1876--five

months to the day after Custer died at the Little Bighorn--Bill found himself obligated to ride into the tribe's main winter camp with over a thousand U.S. troops bent on destroying it. The Cheyenne Sweet Medicine Chief, Little Wolf, had been to the white man's cities. He knew how many waited there to follow the path cleared by soldiers who were out seeking revenge for their great loss. He also knew that the hot-blooded Kit Fox leader, Last Bull, emboldened by their recent victory and convinced he could defeat them all, posed a dangerous threat from within. Tradition and the protestations of the boisterous young leader prevented Little Wolf's warnings from being taken seriously. This is the balanced and compelling story of the ensuing battle"€"its origins and the devastating results"€"told beautifully from the perspective of both Little Wolf and his brother-in-law, the government interpreter, Bill Rowland. Pulled from the dark historical shadow of Custer, Crazy Horse, and the Lakota, *The Cheyenne Story* vividly brings to life the little known events that led to the end of the Plains Indian War and the beginning of the Cheyenne's exile from the only home and lifestyle they had ever known. In a commendable effort to preserve the Cheyenne language in written word, Gerry Robinson worked closely with tribal elders and Cheyenne cultural leaders to accurately and seamlessly incorporate the language into his text. Robinson's characters use the Cheyenne language in their dialogue, and the reader comes to know and understand its meanings contextually and by employing the accompanying glossary of Cheyenne words and phrases found at the back of the book.

**A Pioneer Looks Back Again** Dec 29 2019

**Courage Goes to Work** Sep 25 2019 "Fear and doubt are the two greatest enemies of high performance in the workplace. This powerful book shows you how to instill more and more courage and confidence in every person, releasing personal potential you didn't know you had available." --Brian Tracy, author of *Eat That Frog!* The hardest part of a manager's job isn't staying organized, meeting deliverable dates, or staying on budget. It's dealing with people who are too comfortable doing things the way they've always been done and too afraid to do things differently--workers who are, as Bill Treasurer puts it, too "comfortable." They fail to exert themselves any more than they have to and make their businesses dangerously safe. Treasurer, a courage-building pioneer, proposes a bold antidote: courage. He lays out a step-by-step process that treats courage as a skill that can be developed and strengthened. Treasurer differentiates what he calls the Three Buckets of Courage: TRY Courage, having the guts to take initiative; TRUST Courage, being willing to follow the lead of others; and TELL Courage, being honest and assertive with coworkers and bosses. Aristotle said that courage is the first virtue because it makes all other virtues possible. It's as true in business as it is in life. With more courage, workers gain the confidence to take on harder projects, embrace company changes with more enthusiasm, and extend themselves in ways that will benefit their careers and their company.

*The Pioneering Courage of Man* Feb 20 2022

**The Bystander Effect: The Psychology of Courage and How to be Brave** Jun 22 2019

‘Fantastic ... It explains the misperception of stacked odds and personal powerlessness that stops individuals challenging bad behaviour. Stunning. Humbling. Thought-provoking’  
Kathryn Mannix, author of *With the End in Mind* In the face of discrimination, bad behaviour, evil and abuse, why do good people so often do nothing?

**Spirit and Spice** Mar 31 2020

Psychological Courage Sep 17 2021 While the virtues of physical courage and moral courage have a long history in ethics, the courage to face personal psychological problems has never been fully integrated into the discipline. *Psychological Courage* explores the ethical dimension and multiple facets of the virtue of "psychological courage," as dubbed by author Daniel Putman. In this book, Putman outlines three forms of courage: physical, moral, and psychological. He defines psychological courage as the courage to face addictions, phobias, and obsessions, and to avoid self deception and admit mistakes. This book analyzes what psychological courage is and upholds it as a central virtue for human happiness.

**Courage in the Skies** Nov 07 2020 Between 1942 and 1943, Qantas lost eight aircraft during its involvement in Australia's war against the Japanese. Over sixty passengers and crew died as a result. Yet Qantas' exemplary contribution to Australia's war effort and the courage of its people in those difficult times has been forgotten. *Courage in the Skies* is the

remarkable story of Qantas at war and the truly heroic deeds of its crew and ground staff as the Japanese advanced towards Australia. Flying unarmed planes through war zones and at times under enemy fire, the airline supplied the front lines, evacuated the wounded and undertook surprising escapes, including carrying more than forty anxious civilians on the last aircraft to leave besieged Singapore. Absorbing, spirited and fast-paced, above all this is a story of an extraordinary group of Australians who confronted the dark days of World War II with bravery, commitment and initiative. They just happened to be Qantas people. 'In this most readable book, Jim Eames captures the experiences of a small band of brave, professional and pioneering aircrew who confronted the dangers of war, the challenges of unforgiving oceanic and tropical weather and the uncertainty of navigation in unarmed flying boats and conventional aircraft.' - Air Chief Marshal Sir Angus Houston AK, AFC (Ret'd)

Dutch Courage and other Stories Nov 27 2019 With the Stories: DUTCH COURAGE - TYPHOON OFF THE COAST OF JAPAN - THE LOST POACHER - THE BANKS OF THE SACRAMENTO - CHRIS FARRINGTON: ABLE SEAMAN - TO REPEL BOARDERS - AN ADVENTURE IN THE UPPER SEA - BALD-FACE - IN YEDDO BAY - WHOSE BUSINESS IS TO LIVE

*The Book of Gutsy Women* Jul 16 2021 Now an eight-part docuseries on Apple TV+ Hillary Rodham Clinton and her daughter, Chelsea, share the stories of the gutsy women who have

inspired them—women with the courage to stand up to the status quo, ask hard questions, and get the job done. She couldn't have been more than seven or eight years old. "Go ahead, ask your question," her father urged, nudging her forward. She smiled shyly and said, "You're my hero. Who's yours?" Many people—especially girls—have asked us that same question over the years. It's one of our favorite topics. HILLARY: Growing up, I knew hardly any women who worked outside the home. So I looked to my mother, my teachers, and the pages of Life magazine for inspiration. After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs, I started a scrapbook of my own. Long after I stopped clipping articles, I continued to seek out stories of women who seemed to be redefining what was possible. CHELSEA: This book is the continuation of a conversation the two of us have been having since I was little. For me, too, my mom was a hero; so were my grandmothers. My early teachers were also women. But I grew up in a world very different from theirs. My pediatrician was a woman, and so was the first mayor of Little Rock who I remember from my childhood. Most of my close friends' moms worked outside the home as nurses, doctors, teachers, professors, and in business. And women were going into space and breaking records here on Earth. Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century. While there's a lot of work to do, we know that throughout history and around the globe women have overcome the toughest resistance

imaginable to win victories that have made progress possible for all of us. That is the achievement of each of the women in this book. So how did they do it? The answers are as unique as the women themselves. Civil rights activist Dorothy Height, LGBTQ trailblazer Edie Windsor, and swimmer Diana Nyad kept pushing forward, no matter what. Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before. Historian Mary Beard used wit to open doors that were once closed, and Wangari Maathai, who sparked a movement to plant trees, understood the power of role modeling. Harriet Tubman and Malala Yousafzai looked fear in the face and persevered. Nearly every single one of these women was fiercely optimistic—they had faith that their actions could make a difference. And they were right. To us, they are all gutsy women—leaders with the courage to stand up to the status quo, ask hard questions, and get the job done. So in the moments when the long haul seems awfully long, we hope you will draw strength from these stories. We do. Because if history shows one thing, it's that the world needs gutsy women.

**The Women of the Moon** May 14 2021 Of the 1586 lunar craters that have been named to honour scientists and philosophers, only 28 honor a woman. Who were these women? What has happened to make women

Conscience and Courage Jul 28 2022 Henri Termier was one of the first of a pioneering group of business executives who built a disparate group of fledgling companies into a

biotech industry that has driven decades of therapeutic innovation. During a 28-year career at Genzyme, including 26 years as CEO, he created a process of drug development that for the first time was patient-centered. He also helped forge biotech's public policy agenda and inspired a generation of entrepreneurs to take on large and important challenges. An extraordinary number of today's biotech leaders were directly mentored by Termeer. His own leadership was iconoclastic: He broke rules and took risks, setting ambitious goals and finding novel ways to reach them. In doing so he transformed an industry and brought hope to patients with a range of diseases previously deemed too rare to justify the investment needed to support the development of specific therapies. In *Conscience and Courage*, John Hawkins, an insightful analyst of healthcare leaders, reveals the philosophy, principles, methods, and habits of a prominent and successful CEO who defied convention to create an investor-owned global enterprise that put people before profits and improved the lives of thousands of forgotten patients.

**The Courage to Lead** Nov 19 2021 To transform society, we first need to transform ourselves. *The Courage to Lead* starts from this premise and delivers a strong, simple message: if you relate authentically to life, to yourself, to the world and to society, you start the process of social change. Grounded in more than fifty years of in-depth research and practical experience in over thirty nations, *The Courage to Lead* uses a large canvas to paint a vivid picture of leadership in its many forms: personal, family, work, organization,

community. Activist stories from around the world demonstrate the profound premise and inspires a deep understanding of leadership. This is a book that changes lives. These days, the complexity of life tends to leave us paralyzed. Conflict and Courage May 02 2020

**Courage** Oct 26 2019 New York Times bestselling author Debbie Ford's most personal, powerful, and practical work offers a proven process for overcoming insecurity and fear and unlocking the courage that resides within.

Sustenance of Courage Feb 29 2020 Gathering recipes is as much fun as gathering friends and family. This gathering of recipes has been the best! Whether you want a quick evening meal or friends and family are coming for the week end, you have such a selection to choose from that you will want to keep this cook book close on hand. And the name of this cook book says it all. It really is "real" recipes that "real" people can make! There are over 500 recipes that are truly easy to do. Want some great salsa? Cinnamon rolls that never fail. The easiest standing rib roast you've ever made. And who doesn't love cheese cake? There are 6 different ones to choose from. How about crock pot chili? Soups and salads for any day. Several breakfast casseroles that make week end breakfasts easy. Take a look at these recipes and see how good and how easy they are to make!

*Profiles in Sports Courage* Jul 04 2020 A dozen of the twentieth-century's greatest and most courageous athletes show how they overcame difficult obstacles to make a lasting impact not only in their sport but also on society. Veteran author and journalist Ken Rappoport showcases some lesser-known athletes such as Junko Tabei, the first woman to climb Everest, as well as famous athletes like Jackie Robinson, the first Black American to play in

Major League Baseball, and race car pioneer Janet Guthrie, the first woman to qualify for the Indy 500. Each dramatic, action-packed profile shows how these talented athletes overcame such serious challenges as racism, sexism, and severe illness. Young readers will find in each of these inspiring men and women the bravery, perseverance, and dedication that made them outstanding athletes during their own times and strong role models for today.

Undaunted Courage Oct 31 2022 'This was much more than a bunch of guys out on an exploring and collecting expedition. This was a military expedition into hostile territory'. In 1803 President Thomas Jefferson selected his personal secretary, Captain Meriwether Lewis, to lead a pioneering voyage across the Great Plains and into the Rockies. It was completely uncharted territory; a wild, vast land ruled by the Indians. Charismatic and brave, Lewis was the perfect choice and he experienced the savage North American continent before any other white man. UNDAUNTED COURAGE is the tale of a hero, but it is also a tragedy. Lewis may have received a hero's welcome on his return to Washington in 1806, but his discoveries did not match the president's fantasies of sweeping, fertile plains ripe for the taking. Feeling the expedition had been a failure, Lewis took to drink and piled up debts. Full of colourful characters - Jefferson, the president obsessed with conquering the west; William Clark, the rugged frontiersman; Sacagawea, the Indian girl who accompanied the expedition; Drouillard, the French-Indian hunter - this is one of the

great adventure stories of all time and it shot to the top of the US bestseller charts. Drama, suspense, danger and diplomacy combine with romance and personal tragedy making UNDAUNTED COURAGE an outstanding work of scholarship and a thrilling adventure.

**Mary Slessor** Oct 07 2020 Tells the life story of nineteenth-century Scottish missionary Mary Slessor in rhyming verse, describing her work in the Calabar region of Africa.

Courage Goes to Work Aug 17 2021 The hardest part of a manager's job isn't staying organized, meeting deliverable dates, or staying on budget. It's dealing with people who are too comfortable doing things the way they've always been done and too afraid to do things differently—workers who are, as author Bill Treasurer puts it, too “comfeartable.” Such workers fail to exert themselves any more than they have to, equating “just enough” with good enough. By avoiding even mild challenges, these workers thwart forward progress and make their businesses dangerously safe. To combat this affliction, Treasurer proposes a bold antidote: courage. In *Courage Goes to Work*, he lays out a comprehensive, step-by-step process that treats courage as a skill that can be developed and strengthened. He Treasurer shows how managers can build workplace courage by modeling courageous behavior themselves, creating an environment where people feel safe taking chances and helping workers deal with fear. To make the concept of courage more concrete, Treasurer identifies what he calls the Three Buckets of Courage: Try Courage, having the guts to take initiative; Trust Courage, being willing to follow the lead of others; and Tell Courage, being honest

and assertive with coworkers and bosses. He illustrates each with a variety of vivid real-world examples and offers proven practices for helping your workers keep each bucket full. Aristotle said that courage is the first virtue because it makes all other virtues possible. It's as true in business as it is in life. With more courage, workers gain the necessary confidence to take on harder projects, embrace company changes with more enthusiasm, and extend themselves in ways that will benefit their careers and their company. *Courage Goes to Work* is the first book to take a systematic approach to developing a vital but overlooked component of business success.

*Lewis and Clark* May 26 2022 First published in 1969, *Lewis and Clark: Pioneering Naturalists* remains the most comprehensive account of the scientific studies carried out by Meriwether Lewis and William Clark during their overland expedition to the Pacific Northwest and back in 1804-6. Summaries of the animals, plants, topographical features, and Indian tribes encountered are included at the end of each chapter devoted to the particular leg of the journey. A distinguished biologist, Paul Russell Cutright will be remembered for this landmark contribution to our understanding of the world that the expedition observed and recorded.

Pioneer Spirit Aug 05 2020

Find Your Brave Aug 24 2019 Navigate Life's Storms and Discover a Courage Like No Other Have you ever found yourself in over your head, wondering how you would possibly

get through with your faith and sanity intact? It can happen any time. Life seems good and then—BOOM!—out of nowhere comes a storm that threatens to drown your hopes. Your storm might be a job loss, loneliness, a crumbling relationship, financial ruin, a serious illness, or the death of a loved one. Whatever it is, as the winds howl and the waves rage, you have a choice: will you cower in fear or will you rise to the challenge? Cancer survivor Holly Wagner has endured her share of storms. In *Find Your Brave* she examines the dramatic shipwreck faced by the apostle Paul in Acts 27. There she uncovers profound truths that will guide you safely through life's most difficult moments. Through solid biblical teaching and relatable personal stories, Holly offers an uplifting, friendly voice in the midst of the gale-force winds and overpowering critical voices. She shows you how to anchor your trust in the God who remains faithful in every storm and in whose strength you can Find Your Brave. #RefuseToSink “So take courage! For I believe God. It will be just as He said.” –Acts 27:25 (NLT) The apostle Paul, held as a prisoner on a ship bound for Rome, encounters a fierce tempest on the Adriatic Sea. Chaos and calamity surround him as the crew frantically attempts to lighten the ship, undergird the vessel, and keep her afloat. Paul stands in their midst and makes a simple, yet course-altering statement: “Be of good cheer!” In the middle of your storms, are you able to declare the same? In *Find Your Brave* GodChicks founder Holly Wagner combines insight found in Acts 27 with lessons learned from her very personal battles with cancer, betrayal, and turmoil to create the essential

storm survival guide. Her words will encourage and empower you with practical tools to navigate life's greatest storms, steady your heart against fear, and inspire you to rescue others as you make your way safely ashore.
