historical mystery from the national bestselling author of *Why Kill the Innocent*. Ayleswick-on-Teme, 1813. Sebastian St. Cyr, Viscount Devlin, and his wife, Hero, have come to this deceptively peaceful Shropshire village to honor a slain friend. But when the body of a young widow is found on the banks of the river Teme, the village's inexperienced new magistrate turns to Sebastian for help. Sebastian soon realizes that Emma Chance was hiding her true identity, and she was not the first beautiful young woman in the village to be murdered. Also troubling are the machinations of Lucien Bonaparte, the estranged brother of the megalomaniac French Emperor Napoléon. Held captive under the British government's watchful eye, Bonaparte is restless, ambitious, and treacherous. Home to the eerie ruins of an ancient monastery, Ayleswick reveals itself to be a dark and dangerous place with a violent past that may be connected to

Mourning in the Anthropocene

Dec 10 2020 Enormous ecological losses and profound planetary transformations mean that ours is a time to grieve beyond the human. Yet, Joshua Trey Barnett argues in this eloquent and urgent book, our capacity to grieve for more-than-human others is neither natural nor inevitable. Weaving together personal narratives, theoretical meditations, and insightful readings of cultural artifacts, he suggests that ecological grief is best understood as a rhetorical achievement. As a collection of worldmaking practices, rhetoric makes things matter, bestows value, directs attention, generates knowledge, and foment feelings. By dwelling on three rhetorical practices—naming, archiving, and making visible—Barnett shows how they prepare us to grieve

What Darkness Brings Aug 30 2022 In this mystery in the Sebastian St. Cyr series, the aristocratic investigator is drawn into a sordid world of greed, desperation, and the occult when the husband of his former lover is accused of murder. Regency England, September 1812: After a long night spent dealing with the tragic death of a former military comrade, a heart-sick Sebastian learns of a new calamity: Russell Yates, the dashing, one-time privateer who married Kat Boleyn a year ago, has been found standing over the corpse of Benjamin Eisler, a wealthy gem dealer. Yates insists he is innocent, but he will surely hang unless Sebastian can unmask the real killer. For the sake of Kat, the woman he once loved and lost, Sebastian must face a bitter truth—that he has been less than open with the feared **Free** **Download Pdf**

Sebastian plunges into a treacherous circle of intrigue. Although Eisler's clients included the Prince Regent and the Emperor Napoleon, he was a despicable man with many enemies and a number of dangerous, well-kept secrets—including a passion for arcane texts and black magic. Central to the case is a magnificent blue diamond, believed to have once formed part of the French crown jewels, which disappeared on the night of Eisler's death. As Sebastian traces the diamond's ownership, he uncovers links that implicate an eccentric, powerful financier named Hope and stretch back into the darkest days of the French Revolution. When the killer grows ever more desperate and vicious, Sebastian finds his new marriage to Hero tested by the shadows of his first love, especially when he begins to suspect that Kat is keeping secrets of her own. And as matters rise to a crisis, Sebastian must face a bitter truth—that he has been less than open with the feared **Free** **Download Pdf**

Apr 01 2020 Sebastian St. Cyr investigates the mysterious life and death of a nobleman convicted of murder in this enthralling new historical mystery from the USA Today bestselling author of *Why Kill the Innocent....* It's June 1814, and the royal families of Austria, Russia, and the German states have gathered in London at the Prince Regent's invitation to celebrate the defeat of Napoléon and the restoration of monarchical control throughout Europe. But the festive atmosphere is marred one warm summer evening by the brutal murder of a disgraced British nobleman long thought dead. Eighteen years before, Nicholas Hayes, the third son of the late Earl of Seaford, was accused of killing a beautiful young French émigré and transported to Botany Bay for

Hayes had been disowned by his father, and few in London were surprised when they heard the ne'er-do-well had died in disgrace in New South Wales. But those reports were obviously wrong. Recently Hayes returned to London with a mysterious young boy in tow-- a child who vanishes shortly after Nicholas's body is discovered. Sebastian St. Cyr, Viscount Devlin, is drawn into the investigation by his valet, Jules Calhoun, an old friend of the dead man. With Calhoun's help, Sebastian begins to piece together the shattered life of the late Earl's ill-fated youngest son. Why did Nicholas risk his life and freedom by returning to England? And why did he bring the now-missing young boy with him? Several nervous Londoners had reason to fear that Nicholas Hayes had returned to kill them. One of them might have decided to kill him first.

Sebastian St. Cyr, Viscount Devlin, has spent years unraveling his family's tragic history. But the secrets of his past will come to light in this gripping new historical mystery from the USA Today bestselling author of *What the Devil Knows*. March, 1815. The Bourbon King Louis XVIII has been restored to the throne of France, Napoleon is in exile on the isle of Elba, and Sebastian St. Cyr, Viscount Devlin, and his wife, Hero, have traveled to Paris in hopes of tracing his long-lost mother, Sophie, the errant Countess of Hendon. But his search ends in tragedy when he comes upon the dying Countess in the wasteland at the tip of the Île de la Cité. Stabbed—apparently with a stiletto—and thrown from the bastions of the island's ancient stone bridge, Sophie dies without naming her murderer. Sophie had been living in Paris under an assumed name as the mistress of Maréchal Alexandre McClellan, the scion of a noble Scottish noble family that

took refuge in France after the Forty-Five Rebellion. Once one of Napoleon's most trusted and successful generals, McClellan has now sworn allegiance to the Bourbons and is serving in the delegation negotiating on behalf of France at the Congress of Vienna. It doesn't take Sebastian long to realize that the French authorities have no interest in involving themselves in the murder of a notorious Englishwoman at such a delicate time. And so, grieving and shattered by his mother's death, Sebastian takes it upon himself to hunt down her killer. But what he learns will not only shock him but could upend a hard-won world peace.

degradation, and loss of nature. Seeking to redress the silence around ecologically based anxiety in academic and public domains, and to extend the concepts of sadness, anger, and loss, *Mourning Nature* creates a lexicon for the recognition and expression of emotions related to environmental degradation. Exploring the ways in which grief is experienced in numerous contexts, this groundbreaking collection draws on classical, philosophical, artistic, and poetic elements to explain environmental melancholia. Understanding that it is not just how we mourn but what we mourn that defines us, the authors introduce new perspectives on conservation, sustainability, and our relationships with nature. An ecological elegy for a time of climatic and environmental upheaval, *Mourning Nature* challenges readers to turn devastating events into an opportunity for positive change. Contributors include

combine to put C. S. Harris's "troubled but compelling antihero" (Booklist) to the ultimate test in this taut, thrilling mystery. London, 1813. The vicious decapitation of Stanley Preston, a wealthy, socially ambitious plantation owner, at Bloody Bridge draws Sebastian St. Cyr, Viscount Devlin, into a macabre and increasingly perilous investigation. The discovery near the body of an aged lead coffin strap bearing the inscription King Charles, 1648 suggests a link between this killing and the beheading of the deposed seventeenth-century Stuart monarch. Equally troubling, the victim's kinship to the current Home Secretary draws the notice of Sebastian's powerful father-in-law, Lord Jarvis, who will exploit any means to pursue his own clandestine ends. Working in concert with his fiercely independent wife, Hero, Sebastian finds his inquiries taking him from the wretched back alleys of Fish Street Hill to the glittering ballrooms of Mayfair as he amasses a list of

soldiers as the only shield between life and death, a generation of American men found themselves connecting with each other in new and profound ways. Back home after the war, however, these intimacies faced both scorn and vicious homophobia. *The Mourning After* makes sense of this cruel irony, telling the story of the unmeasured toll exacted upon generations of male friendships. John Ibson draws evidence from the contrasting views of male closeness depicted in WWII-era fiction by Gore Vidal and John Horne Burns, as well as from such wide-ranging sources as psychiatry texts, child development books, the memoirs of veterans' children, and a slew of vernacular snapshots of happy male couples. In this sweeping reinterpretation of the postwar years, Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity, leaving far too many men with an unspoken

Art and Mourning Apr 13 2021 Art and Mourning explores the relationship between creativity and the work of self-mourning in the lives of 20th century artists and thinkers. The role of artistic and creative endeavours is well-known within psychoanalytic circles in helping to heal in the face of personal loss, trauma, and mourning. In this book, Esther Dreifuss-Kattan, a psychoanalyst, art therapist and artist - analyses the work of major modernist and contemporary artists and thinkers through a psychoanalytic lens. In coming to terms with their own mortality, figures like Albert Einstein, Louise Bourgeois, Paul Klee, Eva Hesse and others were able to access previously unknown reserves of creative energy in their late works, as well as a new healing experience of time outside of the continuous temporality of everyday life. Counterpoint: A Memoir of Bach and Mourning Jul 05 2020 A Pulitzer Prize-winning critic's "lyrical and haunting" (Alex Ross, The New Yorker) reflection on the meaning and emotional impact of a Bach masterwork. As his mother was dying, Philip Kennicott began to listen to the music of Bach obsessively. It was the only music that didn't seem trivial or irrelevant, and it enabled him to both experience her death and remove himself from it. For him, Bach's music held the elements of both joy and despair, life and its inevitable end. He spent the next

years trying to learn one of the composer's greatest keyboard masterpieces, the Goldberg Variations. In Counterpoint, he recounts his efforts to rise to the challenge, and to fight through his grief by coming to terms with his memories of a difficult, complicated childhood. He describes the joys of mastering some of the piano pieces, the frustrations that plague his understanding of others, the technical challenges they pose, and the surpassing beauty of the melodies, harmonies, and counterpoint that distinguish them. While exploring Bach's compositions he sketches a cultural history of playing the piano in the twentieth century. And he raises two questions that become increasingly interrelated, not unlike a contrapuntal passage in one of the variations itself: What does it mean to know a piece of music? What does it mean to know another human being?
