Brown Bear, Brown Bear, What Do You See? / Oso pardo, oso pardo, ¿qué ves ahí? (Bilingual board book - English / Spanish) Aug 24 2019 A big happy frog, a plump purple cat, a handsome blue horse, and a soft yellow duck-- all parade across the pages of this delightful bilingual edition of *Brown Bear, Brown Bear, What do you See?* (Oso pardo, oso parado, que ves ¿qué ves ahí?). Children will immediately respond to Eric Carle's flat, boldly colored collages. Combined with Bill Martin's singsong text, they create unforgettable images of these endearing animals.

¡Avancemos!. Oct 19 2021 Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

The Common Wind Jun 22 2019 Winner of the 2019 Stone Book Award, Museum of African American History A remarkable intellectual history of the slave revolts that made the modern revolutionary era The Common Wind is a gripping and colorful account of the intercontinental networks that tied together the free and enslaved masses of the New World. Having delved deep into the gray obscurity of official eighteenth-century records in Spanish, English, and French, Julius S. Scott has written a powerful "history from below." Scott follows the spread of "rumors of emancipation" and the people behind them, bringing to life the protagonists in the slave revolution. By tracking the colliding worlds of buccaneers, military deserters, and maroon communards from Venezuela to Virginia, Scott records the transmission of contagious mutinies and insurrections in unparalleled detail, providing readers with an intellectual history of the enslaved. Though The Common Wind is credited with having "opened up the Black Atlantic with a rigor and a commitment to the power of written words," the manuscript remained unpublished for thirty-two years. Now, after receiving wide acclaim from leading historians of slavery and the New World, it has been published by Verso for the first time, with a foreword by the academic and author Marcus Rediker.

Why Does the World Exist?: An Existential Detective Story Jun 02 2020 The Washington Post Notable Non-Fiction of 2013 "I can imagine few more enjoyable ways of thinking than to read this book."—Sarah Bakewell, New York Times Book Review, front-page review Tackling the "darkest question in all of philosophy" with "raffish erudition" (Dwight Garner, New York Times), author Jim Holt explores the greatest metaphysical mystery of all: why is there something rather than nothing? This runaway bestseller, which has captured the imagination of critics and the public alike, traces our latest efforts to grasp the origins of the universe. Holt adopts the role of cosmological detective, traveling the globe to interview a host of celebrated scientists, philosophers, and writers, "testing the contentions of one against the theories of the other" (Jeremy Bernstein, Wall Street Journal). As he interrogates his list of ontological culprits, the brilliant yet slyly humorous Holt contends that we might have been too narrow in limiting our suspects to God versus the Big Bang. This "deft and consuming" (David Ulin, Los Angeles Times) narrative humanizes the profound questions of meaning and existence it confronts.

The Meaning of Mariah Carey Oct 26 2019 The global icon, award-winning singer, songwriter, producer, actress, mother, daughter, sister, storyteller and artist finally tells the unfiltered story of her life in *The Meaning of Mariah Carey*. It took me a lifetime to have the courage and the clarity to write my memoir. I want to tell the story of the moments - the ups and downs, the triumphs and traumas, the debacles and the dreams - that contributed to the person I am today. Though there have been countless stories about me throughout my career and very public personal life, it's been impossible to communicate the complexities and depths of my experience in any single magazine article or a ten-minute television interview. And even then, my words were filtered through someone else's lens, largely satisfying someone else's assignment to define me. This book is composed of my memories, my mishaps, my struggles, my survival and my songs. Unfiltered. I went deep into my childhood and gave the

scared little girl inside of me a big voice. I let the abandoned and ambitious adolescent have her say, and the betrayed and triumphant woman I became tell her side. Writing this memoir was incredibly hard, humbling and healing. My sincere hope is that you are moved to a new understanding, not only about me, but also about the resilience of the human spirit. Love, Mariah

Portuguese-Spanish Interfaces Dec 29 2019 Portuguese-Spanish Interfaces captures the diversity of encounters that these languages have known and explores their relevance for current linguistic theories. The book focuses on dimensions along which Portuguese and Spanish can be fruitfully compared and highlights the theoretical value

of exploring points of interaction between closely related varieties. It is unprecedented in its scope and unique in bringing together leading experts in a systematic study of similarities and differences between both languages. The authors explore the common boundaries of these languages within current theoretical frameworks, in an effort to combine scholarship that analyzes Portuguese and Spanish from multiple subfields of linguistics. The volume compares structures from both synchronic and diachronic points of view, addressing a range of issues pertaining to variability, acquisition, contact, and the formation of new languages. While it provides an up-to-date resource for scholars in the field, it can also be a useful companion for advanced students.
