Best Perennials for Sun and Shade Apr 01 2020 A quick-reference guide to planting perennials for gardeners with little experience and time Choosing perennials for a garden can be a daunting task, considering that there are thousands of choices. Yarrow? Columbine? Aster? To make the selection easier, this guide profiles the easiest-to-grow and best-performing perennials for both sunny and shady locations. Each plant is shown in a beautiful color photo for easy identification. The photo is accompanied by information on where and how to grow the featured plant, along with horticultural tips to assist in making the perennial-gardening adventure an enjoyable endeavor. From controlling pesky bugs and deadheading to staking tall plants and taking root cuttings, everything a beginning gardener or new homeowner needs to start a garden is here. This colorful, photo-filled book takes the guesswork out of gardening. No trial and error--get it right the first time!

Exposed Mar 25 2022 Exploiting our boundless desire to access everything all the time, digital technology is breaking down whatever boundaries still exist between the state, the

market, and the private realm. Bernard Harcourt offers a powerful critique of what he calls the expository society, revealing just how unfree we are becoming and how little we seem to care.

St. James Guide to Horror, Ghost & Gothic Writers Sep 26 2019 Provides background information and a critical evaluation of authors of horror, ghost and gothic fiction, and lists each author's works in these fields and in other genres.

Unconventional Jun 03 2020 Lexi Angelo has grown up helping her dad with his events business. She likes to stay behind the scenes, planning and organizing...until author Aidan Green - messy haired and annoyingly arrogant - arrives unannounced at the first event of the year. Then Lexi's life is thrown into disarray. In a flurry of late-night conversations, mixed messages and butterflies, Lexi discovers that some things can't be planned. Things like falling in love... Six conventions, a girl with a clipboard, a boy with two names - and one night that changes everything. 'A gorgeous, one of a kind novel, perfect for fans of Rainbow Rowell' Maximum Pop!

Afghan Hound Sep 18 2021 This Comprehensive Owner's Guide to the Afghan Hound serves as a complete introduction to the world's most elegant sighthound breed. A native of Afghanistan, the exotic Afghan Hound with its abundant, long coat, near-human expression, and superb hunting ability has been a favorite breed in the Western world since the breed was first imported to England in the 1920s and a decade later in the United States. Written by British Afghan enthusiast Bryony Harcourt-Brown, the book

begins with a solid chapter on the breed's history, tracing its origins in the Middle East, its development in America and the United Kingdom, illustrated with historical dogs and important show winners. The chapters on characteristics and the breed standard encapsulate all of the virtues of this impressive hound breed, offering sound advice about which owners are best suited to the breed. New owners will welcome the well-prepared chapter on finding a breeder and selecting a healthy, sound puppy. Chapters on puppy-proofing the home and yard, purchasing the right supplies for the puppy as well as house-training, feeding, and grooming are illustrated with handsome Afghan adults and puppies bursting with personality! In all, there are over 135 photographs in this compact, useful, and entertaining volume. The author's advice on obedience training the Afghan Hound, a breed that has a strong mindset and doesn't relish pleasing his owners, will help readers better mold and train their dogs into the most socialized, well-mannered Afghans in the neighborhood. The extensive chapter on healthcare written by Dr. Lowell Ackerman provides up-to-date detailed information on selecting a qualified veterinarian, vaccinations, parasites, infectious diseases, and more. Sidebars throughout the text offer helpful hints, covering topics as diverse as historical kennels, toxic plants, first aid, crate training, carsickness, fussy eaters, and parasite control. Fully indexed.

Rhodes Travel Pack Jun 27 2022 The handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by color photographs, charts and maps for the first-time traveler who wants to experience the major highlights that Rhodes has to offer. The fold-out map of Rhodes is ideal for tourists and visitors.
