The Nonsense Show Mar 03 2020 Silliness takes center stage in this laugh-out-loud book from the creator of The Very Hungry Caterpillar?--now available as a board book! Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake - it's nonsense! Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like "the cow jumped over the moon" and "the dish ran away with the spoon." This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? From Eric Carle, creator of the classic, The Very Hungry Caterpillar, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Praise for The Nonsense Show A TIME Magazine Top 10 Children's Book of 2015! * "Carle creates fun and laughter in this homage to the surrealist artist René Magritte. [P]erfect for storytimes and silly times all round. Carle hits it out of the nonsense park!"--Booklist, starred review * "A sure hit as a read-aloud and a definite purchase for picture book collections."--School Library Journal, starred review * "A picture book made to incite pleasure and joy."--Kirkus Reviews, starred review * "[The Nonsense Show], with its cleanly designed white pages, makes the unexpected elements of the imagery stand out and prompts questions and wonder."--Horn Book, starred review

mini paper top hats - a brief history: When I first set my heart on wearing a mini top hat I had a few hurdles to overcome! Firstly, the party was that day, secondly a quick trip to the local shops turned up nothing satisfactory, thirdly, I'm not a big one for sewing and didn't have the know-how or supplies to make a fabric hat. Then the idea struck to make a paper top hat. I made up a quick maquette, then got to work on the design on my computer, finally printing out my little burlesque creation. A few snips and the wave of a glue stick and a darling little hat was ready. I secured it safely to my head with a bobby pin and was good to go. When my fellow party goers saw my handy work I was swiftly commissioned to make two more. And so we set off to the party feeling dandy and in high spirits and it's safe to

say the hats were a big hit at the party.
