studies curriculum, but also valuable to daycare providers and parents. Booklist and Appraisals and others favorably reviewed previous editions. Complete bibliographic information is given for all books indexed. Grades K-8. *Faces* Feb 20 2022 *Faces*, a book in the Multiage Differentiated Curriculum Kit for Grades 1-3, gives students the opportunity to see the faces of the world from an entirely different perspective. The books in Prufrock's new Differentiated Curriculum Kits employ a differentiated, integrated curriculum based on broad themes. This all-in-one curriculum helps teachers save planning time, ensure

compliance with national standards, and most importantly, pique their students' natural excitement and interest in discovery. By participating in the wide variety of activities in the Multiage Differentiated Curriculum Kit for Grades 1-3, students will discover the faces around them and gain a lifelong desire to learn. Students will design masks to reflect what is behind a human face. They will go on to analyze and scrutinize faces in art, as well as on the moon and Mars. *Faces* also presents students with geometric problems, and allows them to explore cultural differences. Students will study myths, folktales, and fairy tales

The Enthusiasm-Laffter

Connection Aug 29 2022 For

decades, author Bob Hubba Jubba Moss has had a passion for teaching, promoting, and mentoring enthusiasm as a

valuable life skill. In *The EnthusiasmLaffter Connection*, he offers a thorough understanding of the enthusiasm-laffter connection, a concept based on the idea that hearty laffter is the greatest gesture of human enthusiasm. Based on experiences gained during a long education career, the topics and ideas evolved from teaching biology, coaching sport teams, designing tennis visualization drills, and promoting hearty laffter as the best enthusiasm. The *EnthusiasmLaffter Connection* also explores easy-to-use and fun activities for putting more laffter and enthusiasm into daily life experiences. Moss

provides an in-depth look at how to understand, develop, and sustain the lasting talent of eternal enthusiasm and positive energy. He communicates how enthusiasm becomes a learned life skill once one is aware of how important it is, how to get it, and how to maintain it on a 24/7 basis.

Gentle Rain and Loving Sun

Nov 27 2019 Activities to develop a healthy self-concept for preschool and kindergarten children are presented in this book. The stated purposes of the book are: (1) to discuss the development of a healthy self-concept in terms that will impact parents, teachers, counselors, and significant others; (2) to discuss ways in

which parents, counselors, and teachers can promote a healthy self-concept in young children; and (3) to provide many practical activities that may be used by parents and teachers that may build on healthy self-concept. Part I focuses on developing self-concept. Working with the young child, teaching toward a self-concept, and mistakes often made with young children. In Part II these self-concept activities are presented: 10 activities in "belonging to a group"; 3 activities in "books about myself"; 14 activities in "building self-concept"; 4 activities in "cooking a self-concept"; 10 activities in "learning new body parts"; 15

activities in "dealing with emotions"; 11 activities in "I am special"; 17 activities in "individual preferences"; 6 activities in "learning names"; 11 activities in "learning responsibility"; 4 activities in "my family"; 15 activities in "self-concept and art"; and 12 activities in "self-identity." There is a 28-item bibliography and information about the author. (ABL)
