*Self-Help Books Sep 03 2020 Based on a reading of more than three hundred self-help books, Sandra K. Dolby examines this remarkably popular genre to define "self-help" in a way that's compelling to academics and lay readers alike. Self-Help Books also offers an interpretation of why these books are so popular, arguing that they continue the well-established American penchant for self-education, articulate problems of daily life and supposed solutions for them, and present their content in an accessible rather than arcane form and style. Using methods associated with folklore studies, Dolby then examines how the genre makes use of stories, aphorisms, and a worldview that is at once traditional and contemporary. The overarching premise of the study is that self-help books, much like fairy tales, take traditional materials, especially stories and ideas, and recast them into extended essays that people happily read, think about, try to apply, and then set aside when a new embodiment of the genre comes along.*

*Occupy Spirituality* Mar 09 2021 Named one of the Fifty Best Spiritual Books of 2013 by *SPIRITUALITY & PRACTICE* in the *JUSTICE* category! The Occupy Wall Street movement and protest movements around the world are evidence of a new era of intergenerational activists seeking deeper spiritual meaning in their quest for peace and justice. This book is a call to action for a new era of spirituality-infused activism. Authors Adam Bucko and Matthew Fox encourage us to use our talents in service of compassion and justice and to move beyond our broken systems--economic, political, educational, and religious--discovering a spirituality that not only helps us to get along, but also encourages us to reevaluate our traditions, transforming them and in the process building a more sacred and just world. Incorporating the words of young activist leaders culled from interviews and surveys, the book provides a framework that is deliberately interfaith and speaks to our profound yearning for a life with spiritual purpose and for a better world. Each chapter is construed as a dialogue between Fox, a 72-year-old theologian, and Bucko, a 37-year-old spiritual activist and mentor to homeless youth. As we listen in on these familiar yet profound conversations, we learn about Fox and Bucko's own spiritual journeys and discover a radical spirituality that is inclusive, democratic, and relevant to the world we live in today. *A Guide to the Collective Awakening* Apr 29 2020 Over the past several decades, there has been a remarkable shift in the way humanity views life as a whole. In fact, some would say what we are experiencing is radical. Our physical needs are no longer our only focus. Now, we are also pursuing spiritual and emotional fulfillment. An increasing number of people are looking to step away from the ego and move toward conscious awareness. They are seeking their true purpose in this life. The process of connecting with the non-physical world is challenging. Both our bodies and our minds will encounter symptoms that cannot easily be diagnosed via traditional means. We may experience dis-ease, and yet all the tests come back normal. This is part of the journey. Furthermore, how do we make choices that sit well in our bodies? How do we manage stress in a healthy way? How do we cope with trauma we have experienced and find our way out of the negativity and into a safe and supportive space? Jenna Walker's *A Guide to the Collective Awakening* addresses just that: our awakening. In this book, you will learn about meditation and the breath. You will learn how to consciously feed the body through specific food and water choices. You will also learn how to feed your soul through ten hands-on art projects meant to guide you in processing and releasing your emotions in a healthy and constructive way. Rediscover your divine power, connect with the universe, express yourself creatively, and take your personal growth into your own hands. As Walker says, "We have the ability and power to heal ourselves." Use this book to take your first steps on this magnificent journey of awakening.
