

Tests is a major resource for CISSP candidates, providing 1300 unique practice questions. The first part of the book provides 100 questions per domain so you can practice on any domains you know you need to brush up on. After that, you get two unique 250-question practice exams to help you master the material and practice simulated exam taking well in advance of the exam. The two practice exams cover all exam domains, and are included in identical proportion to the exam itself to help you gauge the relative importance of each topic covered. As the only official practice tests endorsed by the (ISC)2, this book gives you the advantage of full and complete preparation: coverage includes Security and Risk Management; Asset Security; Security Engineering; Communication and Network Security; Identity and Access Management; Security Assessment and Testing; Security Operations; and Software Development Security. These practice tests align with the 2015 version of the exam to ensure up-to-date preparation, and are designed to simulate what you'll see on exam day. The CISSP credential signifies a body of knowledge and a set of guaranteed skills that put you in demand in the marketplace. This book is your ticket to achieving this prestigious certification, by helping you test what you know against what you need to know. Align your preparation with the 2015 CISSP Body of Knowledge Test your knowledge of all exam domains Identify areas in need of further study Gauge your progress throughout your exam preparation The Certified Information Systems Security Professional exam is refreshed every few years to ensure that candidates are up-to-date on the latest security topics and trends. Currently-aligned preparation resources are critical, and periodic practice tests are one of the best ways to truly measure your level of understanding. The CISSP Official (ISC)2 Practice Tests is your secret weapon for success, and the ideal preparation tool for the savvy CISSP candidate.

This effective combination of testing and teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.
